

BLEMISHED KP-15 COMPLETE LOWER RECEIVER - BLEMMED KP-15 COMPLETE MIL-SPEC FCG W/AMBI SELECTOR ODG

The KP-15 is a monolithic polymer AR15 style receiver made from injection molded 30% glass filled nylon incorporating the buttstock, buffer tube, pistol grip, and trigger into the receiver design as integral components. This manufacturing process offers several advantages: Lighter weight compared to similarly configured receivers, Lower cost to similarly configured receivers, Increased production speed and elimination of sub components through integration; especially important during high demand cycles in the market.

Features Include: Compatibility with most common AR15 uppers and lower parts kits, Flared magwell to make reloads under stress easier to perform. A1 Length 13" Length of Pull (LOP), Buttstock to fit a wide range of shooters, MLOK Slots at rear of stock for sling attachment points or run a strap through it for simple sling attachment, Holes at the front of the stock for QD socket inserts for more sling attachment options, Improved grip for comfortable use "Winter" Trigger Guard.

Complete Mil-Spec FCG Lower Includes: Mil-Spec FCG KP-15, Optimized Ambi Selector, KP-15 Long Hammer Pin, Carbine Buffer and Spring, Buffer Detent Assembly, Mil-Spec Mag Catch Assembly, Bolt Catch Assembly.

KP-15 Take Down/Pivot Pins, Buttplate.

Technical Information: The KP-15 receiver uses a Carbine buffer and spring. Do NOT use anything other than standard carbine buffers and round springs or the JP SCSS in the KP-15. The Take Down and Pivot Pins have the detents built into them; eliminating the spring and detent holes in the lower increases durability. The buffer detent (should you choose to use it) is held in place with a 5/64" Roll Pin. The KP-15 is compatible with all Mil-Spec Fire Control Groups. The KP-15 is compatible with cassette style match triggers including the KE Arms DMR and SLT units. The retention system of these triggers with D-Clips in the bushings to retain the fire control pins makes them better suited for use in the KP-15 than other designs that require captured pins.* The hammer pin area is wider for durability; Standard AR15 hammer pins can still be used but we offer a longer hammer pin for customers preferring a flush pin for aesthetic reasons. Safety selector spring and detent load from the top and then the selector is slid over them. Standard selectors can work but removing them can be particularly difficult. We recommend the use of our optimized mil-spec selector or optimized ambi selector to make removal easier. Follow our assembly guide for further instructions. The KP-15 is compatible with standard AR15 uppers in calibers including .223/5.56mm NATO, .300 Blackout, 7.62x39mm, 6.5mm Grendel, 6.8mm SPC, .350 Legend; make sure you use the appropriate weight carbine buffer for your rifle to eject casings at 3:00-4:00. The KP-15 is compatible with 9mm blowback systems with a 5.4oz carbine buffer minimum. Use heavier buffers as long as your gun can cycle reliably. Failure to use this minimum buffer weight can damage the lower. Big Bores: .450 Bushmaster, .458 SOCOM, .50 Beowulf, .50 BMG: We will never test these calibers enough to guarantee function and durability over time; use at your own risk.

Attributes

- Name: BLEMMED KP-15 COMPLETE MIL-SPEC FCG W/AMBI SELECTOR ODG
- Manufacturer: KE ARMS
- Product no.: 100043847
- Mfr. No.: 1-61-99-022

- Cartridge: 5.56 mm NATO
- Color: O.D. Green
- Finish: Anodized
- Make: AR-15
- Style: Complete
- Delivery weight: 1.179kg
- Shipping height: 51mm
- Shipping width: 241mm
- Shipping length: 540mm

Item details

Made in USA

US export classification: 0A509.b

Sicherheitshinweise für den BLEMISHED KP15 COMPLETE LOWER RECEIVER

Einführung

Vielen Dank, dass du dich für den BLEMISHED KP15 COMPLETE LOWER RECEIVER entschieden hast. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung des Produkts, um sicherzustellen, dass du das Beste aus deinem Kauf herausholen kannst.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du das Produkt nur in Übereinstimmung mit den Anweisungen verwendest.
- Verwende das Produkt nicht, wenn es sichtbare Schäden aufweist.
- Halte alle Teile des Produkts außerhalb der Reichweite von Kindern und schütze es vor unbefugtem Zugriff.
- Überprüfe regelmäßig, ob das Produkt sicher und funktionsfähig ist.
- Informiere dich über Rückrufmeldungen auf der EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende nur die empfohlenen StandardCarbineBuffer und Federn.
- Stelle sicher, dass du die richtigen Teile und Werkzeuge für die Installation verwendest.
- Achte darauf, dass alle Teile korrekt montiert sind, um eine sichere Funktion zu gewährleisten.
- Verwende das Produkt nicht mit Kalibern, die nicht ausdrücklich unterstützt werden.
- Beachte, dass die Verwendung von schweren Buffern das Produkt beschädigen kann, wenn das Mindestgewicht nicht eingehalten wird.
- Bei der Verwendung des KP15 in Kombination mit anderen Systemen, stelle sicher, dass diese kompatibel sind.

Anweisungen zur Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass du über die richtigen Werkzeuge und Teile verfügst.
- Lies die Anleitung vollständig durch, bevor du mit der Installation beginnst.

2. Installation:

- Montiere die Schulterstütze, das BufferRohr und den Pistolengriff gemäß den Anweisungen.
- Achte darauf, dass alle Schrauben und Pins fest sitzen.
- Überprüfe die Funktion des Abzugs und der Sicherheitsmechanismen, bevor du das Produkt in Betrieb nimmst.

3. Verwendung:

- Halte das Produkt immer in einem sicheren Zustand.
- Vermeide es, das Produkt in feuchten oder extremen Umgebungen zu verwenden.
- Achte darauf, dass du beim Schießen die richtige Haltung und Technik verwendest.

Entsorgungsanweisungen

- Entsorge das Produkt und alle Teile gemäß den lokalen Vorschriften für Elektroschrott und Kunststoffabfälle.

- Stelle sicher, dass das Produkt vor der Entsorgung vollständig entladen und sicher ist.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung wende dich bitte an den Hersteller oder einen autorisierten Händler. Halte die Produktinformationen bereit, um eine schnelle Bearbeitung zu gewährleisten.

Bitte beachte, dass diese Sicherheitshinweise nicht alle möglichen Risiken abdecken können. Es liegt in deiner Verantwortung, sicherzustellen, dass du alle relevanten Sicherheitsvorkehrungen triffst und das Produkt sicher verwendest.

Safety Instructions for BLEMISHED KP15 COMPLETE LOWER RECEIVER

Introduction

Thank you for choosing the BLEMISHED KP15 COMPLETE LOWER RECEIVER. This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this manual carefully before use to ensure compliance with safety standards and regulations.

General Safety Guidelines

- Ensure that you are familiar with all components of the KP15 before use.
- Always handle firearms with care and treat them as if they are loaded.
- Store the KP15 in a secure location, out of reach of children and unauthorized users.
- Inspect the receiver and all associated components regularly for any signs of wear or damage.
- Use only compatible parts and accessories as specified in this manual to ensure safety and functionality.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Do not exceed the recommended buffer weight for your setup, as this may lead to malfunctions or damage.
- When using the KP15 with different calibers, ensure that you are using the correct weight carbine buffer to prevent ejection issues.
- Avoid using the KP15 with calibers that have not been tested for reliability and safety, such as .450 Bushmaster or .50 Beowulf.
- Ensure that the safety selector is functioning properly before each use.
- Be cautious when removing or installing the safety selector, as it may be difficult to remove standard selectors.
- Always use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.

Instructions for Installation and Usage

1. Installation of the KP15 Receiver:

- Ensure the workspace is clean and free of debris.
- Gather all necessary tools and components before beginning installation.
- Follow the assembly guide provided with the KP15 for precise instructions on installation.
- Ensure that the Take Down and Pivot Pins are securely installed and functioning correctly.
- Verify that the MilSpec Fire Control Group is properly installed and tested.

2. Usage Guidelines:

- Always check that the firearm is unloaded before performing any maintenance or modifications.
- Use only AR15 uppers and lower parts kits that are compatible with the KP15.
- When loading ammunition, ensure that you are using the correct caliber and type for your setup.
- Practice safe shooting habits, including proper stance, grip, and trigger discipline.
- Regularly clean and maintain your KP15 to ensure optimal performance and safety.

Disposal Instructions

- Dispose of the KP15 in accordance with local regulations regarding firearm components.
- Do not dispose of any firearm components in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and operation of your BLEMISHED KP15 COMPLETE LOWER RECEIVER, please refer to the manufacturer's contact information provided in the product documentation.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your BLEMISHED KP15 COMPLETE LOWER RECEIVER. Thank you for your attention to safety.

Guida alle Istruzioni di Sicurezza per il Ricevitore Inferiore KP15

Introduzione

Grazie per aver scelto il ricevitore inferiore KP15 di KE ARMS. Questo prodotto è progettato per offrire prestazioni elevate e sicurezza durante l'uso. È importante seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Leggere attentamente tutte le istruzioni prima dell'uso.
- Tenere il prodotto fuori dalla portata dei bambini e di gruppi vulnerabili.
- Utilizzare solo componenti e accessori compatibili con il ricevitore inferiore KP15.
- Seguire le normative locali riguardanti l'uso e la registrazione delle armi.
- Segnalare eventuali prodotti difettosi o incidenti alle autorità competenti.
- Controllare regolarmente gli aggiornamenti sui richiami attraverso la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Identificazione dei pericoli:**
 - Il ricevitore inferiore KP15 è progettato per l'uso con calibri specifici. L'uso di munizioni non compatibili può causare malfunzionamenti o danni.
 - Non utilizzare buffer e molle che non siano di tipo carabina o che non siano approvati per il KP15.
 - Verificare che tutte le parti siano correttamente assemblate e funzionanti prima dell'uso.
- **Istruzioni per evitare pericoli:**
 - Non modificare il ricevitore inferiore KP15 in alcun modo.
 - Non utilizzare il ricevitore inferiore KP15 con calibri non testati o non approvati.
 - Non tentare di riparare il ricevitore inferiore KP15 da soli; contattare un professionista qualificato per assistenza.
- **Avvertenze di età:**
 - Questo prodotto è destinato esclusivamente a utenti adulti. Non è adatto per l'uso da parte di minori.

Istruzioni per l'Installazione e l'Uso

1. Assemblaggio:

- Seguire la guida all'assemblaggio fornita per montare correttamente il ricevitore inferiore KP15.
- Assicurarsi che tutti i perni e i componenti siano installati correttamente e siano ben fissati.

2. Utilizzo:

- Utilizzare solo munizioni compatibili con il ricevitore inferiore KP15, come specificato nel manuale.
- Assicurarsi che il buffer e la molla siano di tipo carabina e di peso appropriato.
- Durante l'uso, mantenere sempre l'arma puntata in una direzione sicura e seguire le pratiche di sicurezza standard per le armi.

3. Controllo e Manutenzione:

- Effettuare controlli regolari per assicurarsi che non ci siano segni di usura o danni.
- Pulire e mantenere il ricevitore inferiore KP15 secondo le istruzioni fornite nel manuale.

Istruzioni per lo Smaltimento

- Seguire le normative locali per lo smaltimento di prodotti in plastica e metallo.
- Non smaltire il ricevitore inferiore KP15 in modo irresponsabile; considerare il riciclo delle parti quando possibile.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni relative alla sicurezza del prodotto, è possibile contattare il servizio clienti di KE ARMS. Assicurarsi di avere a disposizione il numero di modello e la prova di acquisto quando si richiede assistenza.

Seguendo queste linee guida, si contribuirà a garantire un utilizzo sicuro e responsabile del ricevitore inferiore KP15. La sicurezza è una responsabilità condivisa e il rispetto delle istruzioni è fondamentale per prevenire incidenti.
