

MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M - CELLVAULT 5M MODULAR BATTERY STORAGE O.D. GREEN

MODULAR BATTERY INSERT PAK FOR CELLVAULT-5M Additional modular inserts to run almost any combination of batteries in the CellVault-5M Modular Battery Storage Case. Thyrm makes inserts for AA, AAA, CR123/16650, 18350, 18650, and 1632 batteries. When you combine extra Modular Insert Pak inserts with those that come with the CellVault-5M Modular Battery Storage Case, the possibilities are almost endless. Need to run ten CR123s? You can do that. How about four 18650s and two CR123s? Yup. You can also keep batteries staged outside the CellVault-5M and quickly swap them into the case to match your mission. The CellVault-5M Modular Battery Storage Case is not included when you buy any Insert Pak. Thyrm does not include batteries in any purchased products.

Safety Instruction Guide for MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M

Introduction

Thank you for purchasing the MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M. This product is designed to enhance your experience with the CellVault5M Modular Battery Storage Case by allowing you to customize your battery storage needs. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all components are in good condition before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product in wet or damp conditions.
- Avoid exposing the product to extreme temperatures or direct sunlight.
- Regularly inspect the product for any signs of wear or damage.

Specific Safety Precautions for Use

- Only use batteries that are compatible with the inserts provided in the MODULAR BATTERY INSERT PAK.
- Do not mix different types or brands of batteries in the same insert.
- When inserting or removing batteries, handle them with care to avoid shortcircuits.
- Do not attempt to modify or disassemble the battery inserts.
- If a battery leaks or is damaged, dispose of it immediately according to local regulations.

Instructions for Installation and Usage

1. Preparing the CellVault5M:

- Open the CellVault5M Modular Battery Storage Case.
- Ensure that the interior is clean and free of debris.

2. Inserting Batteries:

- Select the appropriate Modular Insert Pak based on the battery type you wish to store.
- Insert the batteries into the designated slots, ensuring they are oriented correctly (positive and negative ends).
- Press down gently to secure the batteries in place.

3. Combining Inserts:

- If using multiple inserts, combine them as needed to accommodate your battery storage requirements.
- Ensure that the combined inserts fit securely within the CellVault5M.

4. Removing Batteries:

- To remove batteries, gently pull them out from the insert.
- Avoid using excessive force to prevent damage to the insert.

5. Staging Batteries:

- You may keep additional batteries staged outside the CellVault5M for quick access.

- Ensure that these batteries are stored in a safe location away from children and pets.

Disposal Instructions

- Dispose of batteries according to local regulations regarding hazardous waste.
- Do not throw batteries in regular household trash.
- For damaged or leaking batteries, follow your local guidelines for hazardous materials disposal.
