A.R.S. MOD LAW Rifle Sling Safety Instructions

Introduction

Thank you for choosing the A.R.S. MOD LAW Rifle Sling by LAW Tactical LLC. This safety instruction guide is designed to ensure the safe and effective use of your sling, in accordance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose as a twopoint rifle sling.
- Always inspect the sling for any signs of wear or damage before each use.
- Keep the sling away from children and unauthorized users.
- Be mindful of your surroundings when using the sling, especially in crowded or confined spaces.
- If you notice any issues with the sling during use, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Metal Hardware:** The A.R.S. Mod 1 features all metal hardware. Ensure that the hardware is securely fastened before use to prevent accidental detachment.
- **Load Capacity:** The buckle is rated for a load of 300 lbs. Do not exceed this limit to avoid failure.
- **Berry Compliant:** All components are sourced and manufactured in the U.S. Ensure proper usage to maintain compliance with safety standards.
- **NIR/IR Compliance:** This sling is designed to reduce night vision and infrared light signature. Use in accordance with tactical requirements.
- **SelfStowing Design:** Familiarize yourself with the Patent Pending Arid Retention System (A.R.S.) to ensure proper stowing of the sling when not in use.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to the designated points on your rifle using the metal hardware.
- Ensure that the on/off buckle is securely fastened and that the sling is adjusted to your desired length.

2. Usage:

- When using the sling, ensure that it is comfortably adjusted to your body to prevent slippage.
- Use the quick detachment feature of the buckle when necessary, ensuring that you are in a safe environment to do so.
- To adjust the sling, slide the adjustment slider smoothly to the desired length and ensure it is secure.

3. PostUse:

- After using the sling, stow it using the selfstowing design to keep it compact and organized.
- Regularly check the sling for any signs of wear or damage, particularly after heavy use.

Disposal Instructions

- When the sling has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it contains hazardous materials. Check for

recycling options in your area.

Contact Information for Further Support

For any inquiries related to safety, usage, or support, please reach out to the designated EU contact point for your product. Ensure to have your product details ready for reference.

Thank you for your attention to these safety guidelines. Enjoy your A.R.S. MOD LAW Rifle Sling responsibly and safely.
