Safety Instruction Guide for 12 GA Sporting Clays Skeet Choke Tube for Remington 1187

Introduction

Thank you for choosing the Briley 12 GA Sporting Clays Skeet Choke Tube for your Remington 1187 shotgun. This guide provides essential safety instructions to ensure the safe and effective use of your choke tube. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model (Remington 1187).
- Always handle firearms and accessories with care, following all safety protocols.
- Store the choke tube in a safe, dry place away from children and unauthorized users.
- Regularly inspect the choke tube for signs of wear or damage before use.
- Follow local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before installing or removing the choke tube.
- Use only the specified choke tube for your Remington 1187 shotgun to avoid malfunctions.
- Do not attempt to modify or alter the choke tube in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Wear appropriate safety gear, including eye and ear protection, when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Locate the choke tube threads at the end of the shotgun barrel.
- Align the choke tube with the threads and gently screw it into place, turning clockwise until snug. Do not overtighten.
- Verify that the choke tube is securely installed by gently tugging on it.

2. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Ensure that the choke tube is properly seated before firing.
- Use appropriate ammunition for your choke tube and shotgun combination.
- After use, always clean the choke tube and barrel to maintain performance.

3. Removal:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use a choke tube wrench if necessary to unscrew the choke tube counterclockwise.
- Store the choke tube in a safe location when not in use.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste.
- If the choke tube is damaged or no longer usable, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or support regarding the Briley 12 GA Sporting Clays Skeet Choke Tube, please refer to the manufacturer's contact information available on their official website or product packaging.

Conclusion

By following these safety instructions, you can enjoy a safe and effective shooting experience with your Briley 12 GA Sporting Clays Skeet Choke Tube. Always prioritize safety and adhere to local laws and regulations when using firearms and accessories. Thank you for your attention to these important guidelines.
