WILSON 50Round Reloading Tray Safety Instructions

Introduction

Thank you for choosing the WILSON 50Round Reloading Tray from L.E. WILSON, INC. This guide provides essential safety instructions to ensure the safe and effective use of your reloading tray. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the reloading tray is used only for its intended purpose: reloading ammunition.
- Keep the reloading tray out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the tray for any signs of damage or wear. If damaged, discontinue use immediately.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Store the reloading tray in a cool, dry place away from direct sunlight and extreme temperatures to maintain its integrity.

Specific Safety Precautions for Use

- Always handle ammunition components with care to avoid injury.
- Use the tray on a stable surface to prevent tipping during use.
- Avoid overloading the tray beyond its 50round capacity to ensure stability and safety.
- Do not use the tray with incompatible cartridge families or sizes. Ensure that you are using the correct caliberspecific hole sizes.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and organized.
- Gather all necessary components for reloading, including cases, bullets, and primers.

2. Loading the Tray:

- Place the reloading tray on a flat, stable surface.
- Identify the caliberspecific holes that match your ammunition size.
- Insert empty cases into the holes, ensuring they fit securely.

3. Using the Integrated Bullet/Primer Cup:

- Use the integrated bullet/primer cup to store bullets or primers during case prep.
- Ensure that the cup is not overloaded to prevent spillage.

4. PostUse Care:

- After reloading, remove all components from the tray.
- Clean the tray with a mild detergent and water, avoiding harsh chemicals that may damage the HDPE plastic.
- Dry the tray thoroughly before storing it.

Disposal Instructions

- Dispose of the reloading tray responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for plastic products.
- If the tray is damaged beyond repair, consider recycling it if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the WILSON 50Round Reloading Tray, please refer to the appropriate contact resources available to you.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your WILSON 50Round Reloading Tray. Thank you for prioritizing safety in your reloading activities.
