Consumer Safety Instruction Guide for WILSON 50Round Reloading Trays

Introduction

Thank you for choosing the WILSON 50Round Reloading Tray by L.E. WILSON, INC. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this guide carefully before using the reloading tray to maximize safety and efficiency.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose: reloading ammunition.
- Keep the reloading tray out of reach of children and vulnerable individuals.
- Regularly inspect the tray for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Chemical Safety:** The tray is made from HDPE plastic, which is resistant to solvents. However, avoid using it with harsh chemicals that could degrade the material.
- **Handling:** Always handle the tray with care. Avoid dropping or subjecting it to excessive force.
- **Storage:** Store the tray in a cool, dry place away from direct sunlight to prevent degradation of the material.
- **Bullet/Primer Cup:** Ensure that the integrated bullet/primer cup is securely closed when not in use to prevent spillage.
- **Work Area:** Keep your work area clean and organized to minimize the risk of accidents.

Instructions for Installation and Usage

1. **Preparation:** Before using the tray, ensure that your work area is clean and all necessary tools and components are within reach.
2. **Loading the Tray:**
 - Place the tray on a stable surface.
 - Insert cases into the designated holes until the tray is filled to its 50round capacity.
 - Use the integrated bullet/primer cup to store bullets or primers during case preparation.
3. **Handling Cases:**
 - Ensure that cases are properly supported in the tray and do not tip over.
 - Avoid forcing cases into holes that do not fit their size.
4. **PostUse:**
 - After use, clean the tray with a mild detergent and water. Avoid abrasive cleaners that could scratch the surface.
 - Dry the tray thoroughly before storing it.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not incinerate the tray as it may release harmful substances when burned.
- If the tray is damaged beyond use, consider recycling it if facilities are available.

Contact Information for Further Support

For any safety inquiries or support regarding the WILSON 50Round Reloading Tray, please refer to the contact details provided with your product packaging or visit the official L.E. WILSON, INC. website.

By following these guidelines, you can ensure a safe and effective reloading experience with your WILSON 50Round Reloading Tray. Thank you for your attention to safety.
