WILSON 50Round Reloading Trays Safety Instruction Guide

Introduction

Thank you for choosing the WILSON 50Round Reloading Tray. This product is designed to enhance your reloading experience by providing a sturdy and efficient solution for organizing your reloading components. To ensure safe and effective use, please read this safety instruction guide thoroughly.

General Safety Guidelines

- **Product Safety:** This product has been designed and manufactured to meet the safety standards outlined in the EU General Product Safety Regulation (GPSR). Always use the product as intended.
- **Enhanced Recalls:** In the unlikely event of a safety issue, recall notices will be standardized and remedies provided free of charge.
- **Online Shopping:** Whether purchased online or instore, this product is subject to the same safety protections.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided in the product packaging.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the 50round capacity of the tray to prevent tipping and potential injury.
- **Check for Damage:** Before each use, inspect the tray for any signs of damage or wear. Do not use if damaged.
- **Keep Out of Reach of Children:** This product is not a toy. Store in a safe location away from children.
- **Use in a Safe Environment:** Ensure your reloading area is clean, welllit, and free from distractions.
- **Handle with Care:** Use caution when handling reloaded ammunition and components. Always follow safe reloading practices.

Instructions for Installation and Usage

1. Setting Up the Tray:

- Place the reloading tray on a stable and flat surface to ensure stability during use.
- Ensure the tray is free from any obstructions that may cause it to tip over.

2. Loading Ammunition:

- Begin by placing your cases into the designated holes in the tray. Ensure they are seated securely.
- Use the integrated bullet/primer cup for convenient storage of bullets or primers during case preparation.

3. Organizing Components:

- Keep your workspace organized by using the tray to hold only the necessary components for reloading.
- Avoid mixing different calibers in the same tray to prevent confusion.

4. **PostUse Care:**

- After use, remove all components from the tray and clean it if necessary.
- Store the tray in a cool, dry place to maintain its integrity.

Disposal Instructions

- **Recycling:** The WILSON 50Round Reloading Tray is made from HDPE plastic, which is recyclable. Check local regulations for proper recycling methods.
- **Disposal of Damaged Products:** If the tray is damaged beyond use, dispose of it in accordance with local waste disposal regulations.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided in the product packaging.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your WILSON 50Round Reloading Tray. Thank you for your attention to safety.
