

6.5 CREEDMOOR NON-THREADED BARREL FOR REMINGTON 783 - REMINGTON 6.5CM 20"BBL NON-THREADED FOR REM 783 MATTE BLK

REMINGTON 6.5 CREEDMOOR NON-THREADED BARREL FOR REMINGTON 783
Upgrade your Remington 783 with this factory-grade 6.5 Creedmoor 20" barrel—engineered for accuracy, consistency, and rugged field performance. Featuring a medium contour profile for excellent rigidity and heat control, this non-threaded barrel is ideal for hunters and precision shooters seeking a compact yet capable 6.5 Creedmoor setup. The matte black finish provides low-glare durability while maintaining the classic Remington OEM look.

FEATURES Designed for Remington 783 - Machined to factory specifications for proper alignment, lockup, and dependable fitment on all Remington 783 receivers. 20" Medium Contour Profile - Balances stiffness and weight, improving accuracy and barrel harmonics while keeping overall rifle length manageable. Non-Threaded Muzzle - Clean, traditional muzzle end for shooters who prefer no device—or plan to add custom threading later. Matte Black Finish - Durable, corrosion-resistant exterior designed to withstand field abuse and harsh weather conditions. 1-8 twist 6.5 Creedmoor Precision - Known for flat trajectories and excellent long-range capability, perfectly matched with a quality OEM barrel. NOTE: These items are a new, authentic Remington products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for 6.5 Creedmoor NonThreaded Barrel for Remington 783

Introduction

Thank you for choosing the 6.5 Creedmoor NonThreaded Barrel for your Remington 783. This product is designed for accuracy and reliability in various shooting conditions. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that you are in a safe environment when installing or using the barrel.
- Only use this barrel with Remington 783 receivers as specified.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** The nonthreaded barrel may present risks if improperly installed or used.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation.
 - Do not modify the barrel or firearm in any way that could compromise safety.
 - Use only ammunition that is compatible with the 6.5 Creedmoor caliber.
 - Do not exceed the recommended load specifications for the barrel.
 - Be aware of your surroundings and ensure a clear shooting lane when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing barrel from the Remington 783 receiver following the manufacturer's instructions.
- Align the new 6.5 Creedmoor barrel with the receiver.
- Securely fasten the barrel according to factory specifications to ensure proper lockup.
- Check for proper alignment and fitment before proceeding.

2. Usage:

- Always ensure the firearm is pointed in a safe direction when loading and unloading.
- Use the firearm in accordance with local laws and regulations.
- Regularly clean and maintain the barrel to ensure optimal performance.
- Monitor the barrel for any signs of overheating or damage during extensive use.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding the disposal of firearm components.
- If the barrel is damaged or no longer usable, consider contacting a local waste management service for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or performance of the 6.5 Creedmoor NonThreaded Barrel, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safer experience with your 6.5 Creedmoor NonThreaded Barrel for Remington 783. Thank you for your attention to safety.
