LLC FOLDING STOCK FOR FN SCAR BLACK

KINETIC DEVELOPMENT GROUP LLC FOLDING STOCK FOR FN SCAR Are you seeking a premium stock solution that seamlessly integrates with your FN SCAR, offering superior strength, unparalleled adjustability, and a sleek aesthetic? Look no further than the KDG FN SCAR Stock, a groundbreaking modular system born from a cutting-edge collaboration between Kinetic Development Group, Haga Defense, and A3 Industries. This is not just an upgrade; it's a complete reimagining of your FN SCAR's potential. What Makes the KDG FN SCAR Stock Stand Out? FN SCAR Specific Integration: While the HDA3 system boasts broad compatibility, the KDG FN SCAR Stock is specifically designed to provide a perfect, uncompromised fit for your FN SCAR platform. It's engineered to integrate seamlessly without sacrificing the strength or aesthetics that discerning FN SCAR owners demand. Battle-Tested Collaboration: Developed in partnership with Haga Defense and A3 Industries, the KDG FN SCAR Stock brings together decades of expertise in firearm accessories. This collaboration ensures a product that meets the highest standards of quality, modularity, and durability for your FN SCAR. Robust Folding Steel Hinge: The heart of the KDG FN SCAR Stock is its heavy-duty steel hinge assembly. This robust design ensures a rock-solid lockup in both the straight and folded positions, guaranteeing reliable performance that won't degrade with rigorous use. By default, the stock folds to the left side, subtly canted at 3.5 degrees for optimal clearance. All-Metal Internal Components: Designed with "Strong Bones," every internal component of the KDG FN SCAR Stock is crafted from metal. An aluminum cheek riser button and length adjustment latch both interface precisely with an extruded aluminum spine, all tying into the formidable steel hinge for maximum durability. Precision Adjustability: Tailor your KDG FN SCAR Stock to your exact ergonomic needs. The length can be adjusted in precise 0.5" increments across 7 distinct positions, while the cheek riser offers three positions (lowered, raised 0.25", or raised 0.5"). Both adjustments are effortlessly manipulated with one hand, even in dynamic situations. Why Choose the KDG FN SCAR Stock? Unmatched Durability: Experience a level of strength and longevity previously unseen in stock systems, thanks to its all-metal internal components and nitride-coated 17-4 stainless steel hinge. Superior Ergonomics: Achieve optimal comfort and shooting posture with precise length and cheek riser adjustments, enhancing control and reducing fatigue on your FN SCAR. Streamlined Aesthetics: The KDG FN SCAR Stock maintains a sleek, integrated appearance, giving your FN SCAR a factory-like look that belies its aftermarket functionality. Rapid Deployment & Storage: The robust folding hinge allows for quick deployment and compact storage, making your FN SCAR more versatile for transport and confined spaces. Proudly Made in the USA: Designed, manufactured, and assembled in the USA, ensuring the highest standards of craftsmanship and quality control for your KDG FN SCAR Stock. Specifications: Compatibility: Designed for the FN SCAR platforms Length (Stock configuration): 1.28" - 10.28" Weight (Stock configuration): 20.64 oz Hinge: Heavy-duty Locking Hinge, Nitride coated 17-4 stainless steel, Folds to the left side canted at 3.5 degrees Length Adjustment: 7 Position extrusion with 0.5" increments (6061 aluminum extrusion with 7075 aluminum locking latch, Hardcoat anodized) Cheek Riser: 3 Position (0, +0.25" & +0.50"), Polymer construction with hardcoat anodized 6061 aluminum adjustment button Butt-pad: Textured, injection molded "rubber-like" Santoprene TPE Polymer Components: Injection molded 30% glass fiber reinforced nylon Sling

Safety Instruction Guide for KDG FN SCAR Folding Stock

Introduction

Thank you for choosing the KDG FN SCAR Folding Stock. This product is designed to enhance the performance and versatility of your FN SCAR platform. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information on general safety guidelines, specific safety precautions, installation and usage instructions, and disposal guidelines.

General Safety Guidelines

- Always handle the KDG FN SCAR Folding Stock with care.
- Ensure that the stock is properly installed before use.
- Regularly inspect the stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Use the stock only for its intended purpose as specified in this guide.
- If you experience any issues or have concerns about the product, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- **Folding Mechanism:** Be cautious when folding and unfolding the stock. Keep fingers and other body parts clear of the hinge area to avoid pinching.
- **Adjustment Features:** When adjusting length or cheek riser positions, do so slowly and with care to prevent accidental adjustment or injury.
- **Use in Dynamic Situations:** Be aware that adjustments made in dynamic situations may require additional attention to ensure safety and functionality.
- **Regular Maintenance:** Periodically check the locking hinge and adjustment points for proper function and tightness. Lubricate as necessary to maintain optimal performance.

Instructions for Installation and Usage

Installation

1. Ensure that the FN SCAR is unloaded and in a safe condition.
2. Align the KDG FN SCAR Folding Stock with the stock interface on your FN SCAR.
3. Securely attach the stock by following the manufacturer's instructions specific to your FN SCAR model.
4. Verify that the stock is firmly in place and that all locking mechanisms are engaged.

Usage

1. To fold the stock, press the release button and gently fold the stock to the left side.
2. To deploy the stock, pull it back into the extended position until it locks into place.
3. Adjust the length by selecting one of the seven available positions. Each adjustment should click into place.
4. Adjust the cheek riser by selecting either the lowered position, raised 0.25 inches, or raised 0.5 inches as needed.
5. Always ensure that the stock is locked in place before using the firearm.

Introduzione

Grazie per aver scelto il Calcio Pieghevole KDG per FN SCAR. Questa guida fornisce importanti informazioni di sicurezza e istruzioni per garantire un uso sicuro e corretto del prodotto. È fondamentale seguire queste istruzioni per evitare incidenti e garantire la massima durata e prestazioni del tuo calcio.

Linee Guida Generali di Sicurezza

- Leggi e comprendi tutte le istruzioni prima di utilizzare il prodotto.
- Utilizza il calcio KDG FN SCAR solo con armi FN SCAR compatibili.
- Assicurati di indossare sempre dispositivi di protezione individuale (DPI) appropriati, come occhiali di sicurezza e protezioni per le orecchie, durante l'uso.
- Tieni il calcio e l'arma fuori dalla portata dei bambini e di persone non autorizzate.
- Non utilizzare il prodotto se presenta segni di danni o usura.
- Segnala immediatamente qualsiasi prodotto difettoso o pericoloso alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Controlla sempre che il calcio sia correttamente bloccato in posizione prima dell'uso.
- Non forzare il meccanismo di piegatura. Se il calcio non si piega o si dispiega facilmente, controlla la presenza di ostruzioni o danni.
- Non utilizzare il calcio in condizioni estreme, come temperature molto elevate o molto basse, che potrebbero compromettere le sue prestazioni.
- Evita di esporre il calcio a sostanze chimiche aggressive o solventi che potrebbero danneggiare i materiali.
- Assicurati che il calcio sia mantenuto pulito e privo di detriti per garantire un funzionamento fluido.

Istruzioni per l'Installazione e l'Uso

Installazione

1. **Preparazione:** Assicurati che l'arma sia scarica e che non ci siano munizioni nelle vicinanze.
2. **Fissaggio:** Allinea il calcio KDG con il punto di attacco sull'arma FN SCAR.
3. **Blocco:** Segui le istruzioni specifiche per il bloccaggio del calcio, assicurandoti che sia fissato saldamente.
4. **Controllo:** Verifica che il calcio sia installato correttamente e che non ci siano giochi o movimenti indesiderati.

Uso

- Prima di utilizzare l'arma, verifica sempre che il calcio sia in posizione corretta e bloccata.
- Durante l'uso, controlla regolarmente il meccanismo di piegatura per assicurarti che funzioni correttamente.
- Se hai bisogno di regolare la lunghezza o l'altezza del calcio, fallo solo quando l'arma è scarica e in sicurezza.

Istruzioni per lo Smaltimento

- Non smaltire il prodotto insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di materiali metallici e plastici.

- Considera di restituire il prodotto al rivenditore o al produttore per un corretto smaltimento.
