

12 GA REM-CHOKE MID HANDICAP CHOKE TUBES FOR REM 1100/1187/870 - 12 GA REM-CHOKE MID HANDICAP FOR REMINGTON 1100

REMINGTON REM-CHOKE 12 GA MID HANDICAP CHOKE TUBES FOR REM 1100/1187/870 Enhance competitive shooting performance with the 12 Gauge Rem-Choke Mid Handicap for the Remington 1100. Specifically designed for handicap trap applications, the Mid Handicap constriction is engineered to deliver controlled, consistent patterns at extended yardage, helping shooters maintain reliable break performance on longer targets. Its precision-machined design promotes uniform shot distribution and dependable downrange consistency. Built for 12 gauge Rem-Choke compatible configurations of the Remington 1100, this choke tube ensures proper factory fitment and secure installation. The flush-fit profile maintains the clean lines of the barrel while offering durable, corrosion-resistant construction for long-term range use. Ideal for trap shooters looking to fine-tune performance for handicap distances, this Mid Handicap Rem-Choke delivers the consistency and reliability serious competitors expect. NOTE: These items are a new, authentic products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for 12 GA REMCHOKE MID HANDICAP CHOKE TUBES

Introduction

Thank you for choosing the 12 GA RemChoke Mid Handicap Choke Tubes for your Remington 1100, 1187, or 870. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure your safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model (Remington 1100, 1187, or 870).
- Always handle firearms and accessories with care, following all local laws and regulations regarding firearm safety.
- Store the choke tubes in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the choke tube for signs of wear or damage before use.
- Do not use the choke tube if it has been damaged or shows signs of corrosion.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that your shotgun is unloaded before installing or removing the choke tube.
- Follow the manufacturer's instructions for proper installation and removal to avoid injury.
- Avoid using excessive force when tightening the choke tube; overtightening can cause damage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the recommended load specifications for your shotgun and choke tube combination.

Instructions for Installation and Usage

1. Installation

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Using a choke tube wrench, carefully unscrew the existing choke from the shotgun barrel.
- Clean the threads of the barrel and the new choke tube to ensure a proper fit.
- Align the new choke tube with the threads of the barrel and handtighten it until snug.
- Use the choke tube wrench to tighten the choke tube securely, but do not overtighten.

2. Usage

- Load your shotgun according to the manufacturer's guidelines.
- Aim and shoot in a safe direction, ensuring that the area is clear of people and obstacles.
- After shooting, inspect the choke tube for any signs of damage or wear.
- Clean the choke tube after use to maintain performance and longevity.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations for metal and firearm accessories.
- Do not dispose of the choke tube in regular household waste.
- If the choke tube is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 12 GA RemChoke Mid Handicap Choke Tubes, please contact the manufacturer or your local retailer for assistance.

Please remember to follow all safety guidelines and instructions to ensure a safe and enjoyable shooting experience. Thank you for your attention to these important safety measures.
