Safety Instruction Guide for 12 GA ProBore Over Decoys Imp Cylinder Choke for Remington Versa Max

Introduction

Thank you for choosing the 12 GA ProBore Over Decoys Imp Cylinder Choke for the Remington Versa Max. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your choke tube. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model before installation.
- Always handle firearms and accessories with care and follow all safety rules.
- Store the choke tube in a safe place, away from children and unauthorized users.
- Regularly inspect the choke tube for signs of wear or damage.
- If you notice any defects, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use the choke tube with 12 gauge ammunition.
- Do not modify the choke tube in any way.
- Ensure the shotgun is unloaded before installing or removing the choke tube.
- Follow the manufacturer's instructions for installation and removal.
- Avoid using the choke tube in extreme weather conditions that could affect performance.
- Be aware of your surroundings when shooting to ensure safety for yourself and others.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Use the appropriate wrench or tool to remove the existing choke from your shotgun.
- Clean the threads of the choke tube and the shotgun barrel to remove any debris.
- Carefully screw the 12 GA ProBore Over Decoys Imp Cylinder Choke into the barrel by hand.
- Use the wrench to tighten the choke securely, but do not overtighten.
- Doublecheck that the choke is properly installed before use.

2. Usage:

- After installation, load your shotgun with appropriate 12 gauge ammunition.
- Test the choke tube in a safe environment to ensure proper function.
- Monitor the performance of the choke tube during use and make adjustments as necessary for optimal results.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations for metal recycling.
- Do not throw the choke tube in regular household waste.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of your 12 GA ProBore Over Decoys Imp Cylinder Choke, please refer to the manufacturer or authorized dealer for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective shooting experience with the 12 GA ProBore Over Decoys Imp Cylinder Choke for the Remington Versa Max. Always prioritize safety and responsible handling of firearms and accessories.
