Safety Instruction Guide for Remington 410 GA Magazine Tube Insert

Introduction

Thank you for purchasing the Remington 410 GA Magazine Tube Insert for the Remington 870 shotgun. This product is designed to enhance the performance of your shotgun by ensuring proper feeding and cartridge control. It is essential to follow the safety guidelines and instructions provided in this guide to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms and their components with care.
- Ensure that the firearm is unloaded before installing or removing the magazine tube insert.
- Store the magazine tube insert in a secure location, away from children and unauthorized users.
- Regularly inspect the magazine tube insert for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the magazine tube insert with Remington 870 shotguns designed for .410 bore.
- Ensure that the magazine tube insert is properly aligned and securely installed before use.
- Avoid using damaged or worn components, as they may pose safety risks.
- Do not attempt to modify the magazine tube insert or use it for any purpose other than intended.
- Keep the magazine tube insert and the shotgun clean and wellmaintained to ensure safe operation.

Instructions for Installation and Usage

1. Preparation

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Installation

- Remove the existing magazine tube from the shotgun, if applicable.
- Insert the magazine tube insert into the magazine tube, ensuring it is properly seated.
- Reinstall the magazine tube onto the shotgun, following the manufacturer's instructions.

3. Usage

- Load .410 bore shells into the magazine tube as per the shotgun's specifications.
- Ensure that the magazine tube insert is functioning correctly during use.
- Regularly check for proper feeding and operation while using the shotgun.

Disposal Instructions

- Dispose of any damaged or worn magazine tube inserts in accordance with local regulations.
- Do not dispose of the magazine tube insert in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support regarding the Remington 410 GA Magazine Tube Insert, please refer to the product packaging for contact details or consult the official Remington website.

By following these safety instructions, you can ensure the safe and effective use of your Remington 410 GA Magazine Tube Insert. Thank you for your attention to these important guidelines.
