

7MM STW LONG BRASS - PETERSON CARTRIDGE 7MM STW LONG BRASS 50/BOX

PETERSON CARTRIDGE 7MM STW LONG BRASS The Peterson Cartridge 7mm STW Long Brass is engineered for reloaders who demand maximum precision, durability, and case uniformity. Designed in Peterson's "Long" configuration, this brass provides additional length for shooters who prefer to trim cases to exact specifications, ensuring a perfect chamber fit and enhanced accuracy potential. Manufactured in the USA under strict match-grade standards, each case is meticulously formed, heat-treated, and inspected for consistency. With exceptional strength, uniform internal volume, and reliable ignition characteristics, Peterson's 7mm STW Long Brass delivers the performance needed for long-range hunting and precision shooting applications. The Longs solve the problem of excessive headspace in belted magnums by moving the shoulder forward .010". This prevents the brass from overstretching on the initial firing, thus increasing longevity in the casing

FEATURES Long-length brass design for custom trimming and optimized chamber fit Match-grade dimensional uniformity for superior accuracy Heat-treated construction for exceptional strength and extended case life Precision-cut flash holes for consistent, reliable ignition Made in the USA with rigorous quality control for premium performance

Safety Instruction Guide for 7MM STW Long Brass Peterson Cartridge

Introduction

Thank you for choosing the 7MM STW Long Brass Peterson Cartridge. This guide provides essential safety instructions to ensure the safe use of this product. It is important to follow these guidelines to maximize performance and minimize risks.

General Safety Guidelines

- Always handle cartridges with care. Treat every cartridge as if it is loaded.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Ensure that cartridges are kept out of reach of children and unauthorized users.
- Inspect cartridges for any signs of damage or defects before use.
- Do not modify or attempt to disassemble cartridges.
- Always follow local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with the 7MM STW Long Brass cartridges before use.
- Use appropriate ear and eye protection when shooting.
- Be aware of your surroundings and ensure that you are in a safe shooting environment.
- Always point the firearm in a safe direction when loading or unloading.
- Avoid using cartridges that show signs of corrosion, cracks, or other damage.
- Do not exceed the recommended load specifications for your firearm.

Instructions for Installation and Usage

1. Loading the Cartridge:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and check that it is unloaded.
- Insert the 7MM STW Long Brass cartridge into the chamber or magazine as per your firearm's specifications.
- Close the action securely.

2. Firing the Cartridge:

- Ensure that the firearm is aimed at a safe target.
- Check your surroundings for safety.
- Pull the trigger only when you are ready to shoot.

3. Unloading the Cartridge:

- Point the firearm in a safe direction.
- Open the action and remove the cartridge from the chamber or magazine.
- Inspect the cartridge for any signs of damage after use.

Disposal Instructions

- Dispose of used or damaged cartridges in accordance with local regulations.
- Do not throw cartridges in the regular trash. Instead, contact local waste management authorities for

proper disposal methods.

- Ensure that cartridges are completely unloaded before disposal.

Contact Information for Further Support

For any safety inquiries or product concerns, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By adhering to these safety guidelines, you can ensure a safe and enjoyable experience with your 7MM STW Long Brass Peterson Cartridge. Thank you for your attention to these important safety measures.
