Safety Instruction Guide for the Adaptive Tactical StockMounted 5Round Shell Carrier

Introduction

Thank you for choosing the Adaptive Tactical StockMounted 5Round Shell Carrier. This guide provides essential safety information and instructions to ensure the proper use and maintenance of your shell carrier. Adhering to these guidelines will help maximize your safety and enhance your shooting experience.

General Safety Guidelines

- Always handle firearms and ammunition with care. Treat every firearm as if it is loaded.
- Ensure that the shell carrier is securely attached to the shotgun stock before use.
- Regularly inspect the shell carrier for any signs of wear or damage. Do not use if damaged.
- Keep the shell carrier out of reach of children and unauthorized users.
- Use only compatible shotgun shells with the carrier to prevent malfunctions.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- **NonSlip Design:** Ensure that the shell carrier is properly positioned to take advantage of its nonslip features.
- **Reversible Use:** Utilize the reversible design to adapt to your shooting preference, but ensure that it is securely fastened in your chosen orientation.
- **Capacity Limit:** Do not exceed the 5round capacity of the shell carrier to maintain optimal performance and safety.
- **Storage Conditions:** Store the shell carrier in a cool, dry place to prevent degradation of materials.
- **Child Safety:** This product is not intended for use by children. Always supervise young users when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate side (left or right) of your shotgun stock for attachment.
- Remove the Velcro backing from the removable shell holder.
- Position the shell holder on the shotgun stock where you prefer it to be mounted.
- Press firmly to ensure a secure attachment.
- Check the alignment and ensure that the shell holder does not obstruct any firearm controls.

2. Usage:

- Load the shell carrier with up to 5 shotgun shells, ensuring they are seated securely.
- When ready to shoot, retrieve shells from the carrier by pulling them out firmly.
- After use, inspect the shell carrier for any signs of wear or damage before storing.

Disposal Instructions

- Dispose of the shell carrier in accordance with local regulations regarding plastic and textile waste.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged beyond repair, consider recycling where possible.

Guida alle Istruzioni di Sicurezza per il Stock Mounted 5Round Shell Carrier

Introduzione

Grazie per aver scelto il Stock Mounted 5Round Shell Carrier di ADAPTIVE TACTICAL, LLC. Questo prodotto è progettato per offrire un trasporto sicuro e pratico delle munizioni per fucile a pompa. È importante seguire tutte le istruzioni di sicurezza e le linee guida per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il prodotto solo per lo scopo previsto.
- Controlla regolarmente il portaproiettili per eventuali segni di usura o danni.
- Non utilizzare il prodotto se noti segni di danneggiamento o difetti.
- Mantieni il portaproiettili lontano dalla portata dei bambini.
- Segui sempre le leggi e i regolamenti locali riguardanti il trasporto e l'uso delle munizioni.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non sovraccaricare il portaproiettili oltre la capacità massima di 5 proiettili.
- Assicurati che i proiettili siano inseriti correttamente nel portaproiettili.
- Evita di utilizzare il portaproiettili in condizioni estreme che possano compromettere la sua integrità.
- Controlla che il design antiscivolo funzioni correttamente prima di ogni utilizzo.
- Non tentare di modificare o riparare il portaproiettili da solo.

Istruzioni per l'Installazione e l'Uso

1. Installazione del PortaProiettili:

- Rimuovi il portaproiettili dal pacchetto.
- Posiziona il retro in Velcro del portaproiettili sul lato sinistro o destro del calcio del tuo fucile.
- Premi saldamente per garantire un attacco sicuro.

2. Caricamento delle Munizioni:

- Assicurati che il fucile sia scarico prima di caricare le munizioni.
- Inserisci i proiettili nel portaproiettili, seguendo la direzione corretta.
- Verifica che i proiettili siano ben fissi e non si muovano.

3. Rimozione del PortaProiettili:

- Per rimuovere il portaproiettili, solleva delicatamente il retro in Velcro.
- Riponi il portaproiettili in un luogo sicuro quando non è in uso.

Istruzioni per lo Smaltimento

- Smaltisci il portaproiettili seguendo le normative locali riguardanti i rifiuti di plastica e materiali sintetici.
- Non gettare il prodotto nell'ambiente o nei corsi d'acqua.
