Introduction

Thank you for choosing the ISMI Guide Rod for your Sig Sauer P320® Compact. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the guide rod is compatible with your specific model of Sig Sauer P320® Compact.
- Always handle firearms with care and follow all safety protocols.
- Keep the guide rod and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the guide rod for any signs of wear or damage before use.
- If you notice any issues, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Do not use the guide rod with any ammunition that exceeds the specifications for your firearm.
- Avoid using the guide rod in wet or humid conditions to prevent corrosion.
- Always wear appropriate eye protection when handling firearms.
- Ensure the firearm is unloaded before installing or replacing the guide rod.
- Follow the manufacturer's instructions for your firearm to avoid potential malfunctions.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch tool if required for your specific model.

2. Installation Steps

- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Carefully remove the old guide rod from the slide.
- Insert the ISMI Guide Rod into the slide, ensuring it fits securely.
- Reassemble the slide onto the firearm frame, ensuring all components are properly aligned.

3. Usage

- After installation, perform a function check to ensure the firearm operates correctly.
- Always follow safe handling practices while using your firearm.

Disposal Instructions

- Dispose of the guide rod in accordance with local regulations.
- Do not discard the guide rod in regular household waste.
- Check with local waste management authorities for proper disposal methods.
