

5.56X45 NATO 5 ROUND PINNED MAGAZINE W/10RD BODY FOR AR-15 - MISSION FIRST TACTICAL, LLC 5.56 NATO 5RD PINNED MAGAZINE W/10RD BODY FOR AR-15

MISSION FIRST TACTICAL LLC. 5.56X45 NATO 5 ROUND PINNED MAGAZINE W/10RD BODY FOR AR-15 This 5-round 5.56 NATO magazine is purpose-built for restricted-capacity applications while maintaining the durability and reliability of a modern STANAG-pattern design. Capacity is permanently limited to five rounds by an internal blocking system, and the floor plate is permanently sealed to prevent modification or restoration to higher capacity. Visual confirmation of the 5-round configuration is provided by distinctive orange follower buttons, ensuring quick identification at a glance. A textured MFT grip surface, combined with low-profile front ribs and an extended flared floor plate, improves handling and extraction under stress or during rapid reloads. The floor plate also serves as drop protection and includes a paint-pen dot matrix for easy magazine marking while remaining compatible with tight double and triple magazine pouches. Internal components are engineered for consistent feeding and long service life. A stainless steel spring and four-way anti-tilt follower maintain smooth, reliable operation, while an oversized rear magazine catch notch enhances bolt-catch engagement. A single functional drain hole allows proper water and debris evacuation without compromising strength. FEATURES 5-round maximum capacity via permanent internal limiter Permanently sealed floor plate; not convertible Orange follower indicators for easy capacity identification MFT stipple texture with low-profile front ribs Flared floor plate for improved grip and drop protection Paint-pen dot matrix for magazine identification Functional drain hole for debris and water evacuation Stainless steel spring for extended service life Four-way anti-tilt follower for reliable feeding Oversized magazine catch notch for improved bolt-catch function SPECIFICATIONS Caliber: 5.56×45mm NATO Capacity: 5 Rounds (Permanent) Weight: 4.8 oz
