MFT Storage Case Safety Instructions

Introduction

Thank you for choosing the MFT Storage Case from Mission First Tactical, LLC. This guide provides essential safety instructions to ensure the safe use of your storage case. Please read this manual carefully before use to understand the safety guidelines and precautions.

General Safety Guidelines

- Ensure that the storage case is used for its intended purpose only, which includes storing ammunition, cables, toiletries, and other personal items.
- Always handle the storage case with care to avoid injury or damage to the case.
- Keep the storage case out of reach of children and vulnerable individuals to prevent misuse.
- Regularly inspect the storage case for any signs of wear or damage. If damaged, discontinue use immediately.
- Be aware of the weight capacity of the storage case (3 liters) to avoid overloading, which may compromise its integrity.

Specific Safety Precautions for Use

- When transporting the storage case, ensure that it is securely closed to prevent items from falling out.
- Avoid exposing the storage case to extreme temperatures or harsh environmental conditions, as this may affect the material quality.
- Do not use the storage case for storing food or perishable items, as it is not designed for such purposes.
- If the storage case comes into contact with moisture, allow it to dry completely before storage to prevent mold or mildew growth.
- Do not attempt to modify or alter the storage case in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the storage case from its packaging. Inspect it for any visible damage.
2. **Folding and Storing:** When not in use, the storage case can be folded flat for easy storage. Ensure it is clean and dry before folding.
3. **Loading Items:**
 - Open the storage case and place items inside, ensuring they are organized and do not exceed the weight capacity.
 - For ammunition, ensure that it is stored securely and that the case is closed tightly.
4. **Transporting:**
 - Carry the storage case using the handle provided.
 - Ensure that the case is closed securely to prevent accidental opening during transport.
5. **Cleaning:** Clean the exterior and interior of the storage case with a damp cloth. Do not use harsh chemicals or solvents that may damage the material.

Disposal Instructions

- Dispose of the storage case in accordance with local regulations for textile waste.
- If the storage case is damaged beyond use, consider recycling the materials if possible.
- Do not incinerate the storage case, as this may release harmful substances into the environment.

Contact Information for Further Support

For further assistance or inquiries regarding the MFT Storage Case, please refer to the manufacturer's website or contact their customer service directly. Always ensure you have the product details available when seeking support.

Thank you for following these safety guidelines. Enjoy your MFT Storage Case and the peace of mind it provides in safely storing your essentials.
