

ASSAULT BACK PANEL CORE MK2 - SPIRITUS SYSTEMS MK2

ASSAULT BACK PANEL CORE MULTICAM

SPIRITUS SYSTEMS ASSAULT BACK PANEL CORE MK2 Evolution, not just iteration. We took the foundation of the Assault Back Panel Core and refined it for the modern operator. The Mk 2 isn't a departure from what worked—it's a precision upgrade designed for seamless UCAS and LV-120 compatibility, without sacrificing the reliability of the legacy design. By integrating direct user feedback, we've maximized internal capacity and streamlined the profile, ensuring your mission-essential gear is more accessible than ever. The Assault Back Panel Core Mk 2 is designed to be a multi-mission back panel attachment to your LV-120 Plate Carrier, and other UCAS Compatible Plate Carriers. The Assault Back Panel Core Mk 2 is both expandable and modular and can accommodate a series of equipment to meet virtually any operational need. The Assault Back Panel Core Mk 2 attaches to your LV-120 Rear Plate Bag using a combination of our proprietary Quick Attachment Tab System and UCAS Standard #10 Zippers. The newly integrated Quick Attachment Tab System allows the Assault Back Panel Core Mk 2 to affix to and off the LV-120 quickly and seamlessly. The Panel has a removable flap system that allows the user to configure the upper half of the Back Panel to meet their mission needs. Compatible with Back Panel GP Flap, Back Panel Flashbang Flap and Back Panel MOLLE Flap. (Flaps are sold separately, the Assault Back Panel Core Mk 2 does NOT come with a flap.) This eliminates the need to have multiple panels and allows for quicker donning and doffing of mission essential equipment. THE TOP OF THE PANEL FEATURES A CUSTOM DOUBLE PULL, LOCKING, SEPARATING ZIPPER WHICH ALLOWS: 1) Total user configurability to swap, stack and secure your mission-essential tools without compromise. 2) Communication antennas and other items such as cabling, hydration tubes and breaching tools to be routed into and out of the top of the panel with the locking zipper setting the tool in a specific position. The Assault Back Panel Core Mk 2 is designed with three direction snaps to hold Flaps securely and to keep tools held inside the panel. THE PANEL CAN BE WORN IN THREE CONFIGURATIONS: 1) Configuration 1 uses the outermost zippers to attach the panel to the plate bag. This compresses the panel and allows it to be worn in a "light" configuration. Ideal for users who want a streamlined fit and only need to carry breaching tools, slap charges, flash bangs and GP kit on their backs. 2) Configuration 2 uses the innermost zippers to attach the panel to the plate bag. This gives the user greater capacity and configures the panel to act more like a small assault pack. This provides the same features as Configuration 1, but with the added volume for bulky items such as radios, cold weather gear, pole-less litters, etc. 3) Configuration 3 "The Drop Expansion Pocket," utilizes Configuration 1) to attach to the rear plate bag and introduces the bottom expansion. This expansion offers the ability to carry longer tools and store even more bulky items in the expanded space. Between the two sets of zippers, is a column of MOLLE cuts for mounting pouches, such as the Magic Stick, and has holes for shock cord to secure charges, braided tubular nylon or any other lightweight objects. The Assault Back Panel Core Mk 2 comes standard with a permanently affixed large GP pocket on the lower half. This pocket is lined with a loop field for attachment of accessory items and features two tie-down locations inside the pouch for securing sensitive equipment. The front of the pouch features a zippered stash pocket for organizing smaller, commonly needed items. This pocket has an external 4" x 5" loop field for attaching identification patches. Behind the GP pocket is a hidden stash compartment, used for storing the lower half of slap

charges or other items when they are passed through the flaps above. It can also be used to stash E&E equipment or smaller personal items. To fold the main bag tail extension back into the Assault Back Panel Core Mk 2 body, stuff the extension into the panel and re-affix your directional snap straps. These straps are now wrapped around the bottom of the back panel, which allows you to secure it in place if a heavier load needs to be carried inside, but you do not want the expansion to deploy inadvertently. NOTE: *** The Assault Back Panel Core Mk 2 is NOT Compatible with the LV-119 ***

Attributes

- Name: SPIRITUS SYSTEMS MK2 ASSAULT BACK PANEL CORE MULTICAM
- Manufacturer: SPIRITUS SYSTEMS
- Product no.: 430118040
- Mfr. No.: PC-AP-MC-02
- Colour: Multi-Cam
- Delivery weight: 0.481kg
- Shipping height: 305mm
- Shipping width: 229mm
- Shipping length: 57mm

Sicherheitshinweise für den ASSAULT BACK PANEL CORE MK2

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für den ASSAULT BACK PANEL CORE MK2 von SPIRITUS SYSTEMS. Diese Anleitung bietet dir wichtige Informationen, um die sichere Verwendung des Produkts zu gewährleisten und potenzielle Risiken zu vermeiden. Bitte nimm dir einen Moment Zeit, um die folgenden Richtlinien und Vorsichtsmaßnahmen zu lesen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass das Produkt vor der Verwendung auf Beschädigungen oder Mängel überprüft wird.
- Verwende das Produkt nur für den vorgesehenen Zweck und gemäß den Anweisungen.
- Halte das Produkt von Kindern und anderen vulnerablen Gruppen fern.
- Achte darauf, dass alle Teile des Produkts sicher befestigt sind, bevor du es benutzt.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EUSicherheitsplattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Trage das Panel so, dass es eng am Körper anliegt, um ein Verrutschen während der Nutzung zu verhindern.
- Vermeide es, das Panel überlastet zu verwenden, um Verletzungen durch übermäßiges Gewicht zu vermeiden.
- Achte darauf, dass keine scharfen Gegenstände in den Taschen aufbewahrt werden, die Verletzungen verursachen könnten.
- Bei der Verwendung der MOLLESchlitze, stelle sicher, dass die Taschen sicher befestigt sind, um ein Herunterfallen während des Einsatzes zu verhindern.
- Bei der Anpassung des Klappensystems achte darauf, dass alle Teile richtig eingerastet sind, um ein ungewolltes Öffnen zu vermeiden.

Anweisungen zur Installation und Verwendung

1. Montage des Panels:

- Verwende das Quick Attachment Tab System, um das Panel an der LV120 Rear Plate Bag zu befestigen.
- Stelle sicher, dass der UCAS Standard #10 Zipper vollständig geschlossen ist.

2. Verwendung der Konfigurationen:

- **Konfiguration 1:** Verwende die äußeren Reißverschlüsse für eine "leichte" Konfiguration.
- **Konfiguration 2:** Verwende die inneren Reißverschlüsse für eine größere Kapazität.
- **Konfiguration 3:** Nutze die Drop Expansion Pocket für längere Werkzeuge.

3. Sicherung der Ausrüstung:

- Leite Kommunikationsantennen und andere Gegenstände durch die Oberseite des Panels.
- Verwende den Verriegelungsreißverschluss, um Werkzeuge in Position zu halten.

4. Anpassung des Klappensystems:

- Entferne die Klappe, um die obere Hälfte des Rückenteils anzupassen.

- Achte darauf, dass die Klappe sicher befestigt ist, wenn sie wieder angebracht wird.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Stelle sicher, dass alle abnehmbaren Teile entfernt werden, bevor du das Produkt entsorgst.
- Informiere dich über Recyclingmöglichkeiten für Materialien, die im Produkt verwendet wurden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den zuständigen Kundenservice oder die Verkaufsstelle, bei der du das Produkt erworben hast.

Bitte beachte, dass der ASSAULT BACK PANEL CORE MK2 NICHT kompatibel mit dem LV119 ist. Achte darauf, die richtigen Komponenten für deine Ausrüstung zu verwenden, um die Sicherheit und Funktionalität zu gewährleisten.

Vielen Dank, dass du diese Sicherheitshinweise beachtet hast. Deine Sicherheit hat für uns höchste Priorität!

ASSAULT BACK PANEL CORE MK2 SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ASSAULT BACK PANEL CORE MK2 by SPIRITUS SYSTEMS. This product is designed to enhance your operational capabilities while ensuring safety and functionality. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this guide.
- Regularly inspect the ASSAULT BACK PANEL CORE MK2 for any signs of wear or damage before each use.
- Keep the product out of reach of children to prevent accidental injury.
- If any part of the product appears damaged or worn, discontinue use immediately and replace the affected component.
- Be aware of your surroundings when using the product to avoid accidents or injuries.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the panel is securely attached to your LV120 Plate Carrier or compatible UCAS Plate Carrier before use. A loose fit can lead to equipment loss or injury.
- **Weight Distribution:** Distribute weight evenly across the panel to maintain balance and prevent strain.
- **Avoid Overloading:** Do not exceed the recommended load capacity of the panel to avoid compromising its structural integrity.
- **Use of Flaps:** When attaching flaps (sold separately), ensure they are securely fastened to prevent detachment during use.
- **Zipper Use:** Always use the custom double pull, locking, separating zipper with care. Avoid forcing the zipper, as this may cause damage or malfunction.
- **Environmental Awareness:** Be cautious when operating in adverse weather conditions, as wet or slippery surfaces may affect stability and safety.

Instructions for Installation and Usage

1. Attaching the Panel:

- Use the Quick Attachment Tab System and UCAS Standard #10 Zippers to securely attach the ASSAULT BACK PANEL CORE MK2 to your LV120 Rear Plate Bag.
- Ensure the panel is affixed tightly to prevent movement during operations.

2. Configuring the Panel:

- Choose your desired configuration (1, 2, or 3) based on your operational needs:
 - **Configuration 1:** Use the outermost zippers for a "light" setup.
 - **Configuration 2:** Use the innermost zippers for increased capacity.
 - **Configuration 3:** Utilize the bottom expansion for longer tools and bulkier items.
- Adjust the panel as needed for optimal comfort and accessibility.

3. Using the Flap System:

- Configure the upper half of the Back Panel using compatible flaps (Back Panel GP Flap, Back Panel Flashbang Flap, Back Panel MOLLE Flap).
- Ensure that the flaps are securely attached to prevent accidental detachment.

4. Storing Equipment:

- Utilize the large GP pocket for sensitive equipment and smaller items.
- Use the hidden stash compartment for additional secure storage of smaller personal items or E&E equipment.

5. Folding the Extension:

- To fold the main bag tail extension back into the body, stuff the extension into the panel and reaffix the directional snap straps.

Disposal Instructions

- Dispose of the ASSAULT BACK PANEL CORE MK2 responsibly at a designated waste disposal facility.
- Follow local regulations for the disposal of textiles and synthetic materials.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or assistance regarding your ASSAULT BACK PANEL CORE MK2, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Guida alle Istruzioni di Sicurezza per il ASSAULT BACK PANEL CORE MK2

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per il ASSAULT BACK PANEL CORE MK2 di SPIRITUS SYSTEMS. Questo prodotto è progettato per garantire un utilizzo sicuro e efficace. Si prega di leggere attentamente queste istruzioni per garantire la massima sicurezza durante l'uso del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il prodotto solo per gli scopi previsti.
- Controlla il prodotto per eventuali danni o usura prima di ogni utilizzo.
- Non utilizzare il prodotto se presenta segni di danneggiamento o se non è stato montato correttamente.
- Tieni il prodotto lontano dalla portata dei bambini e di gruppi vulnerabili.
- In caso di emergenza, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizzare il ASSAULT BACK PANEL CORE MK2 solo con i portatori di piastre compatibili (LV120).
- Assicurati che tutte le cerniere e i sistemi di attacco siano completamente chiusi e sicuri prima di utilizzare il prodotto.
- Non sovraccaricare il pannello oltre le specifiche raccomandate.
- Durante l'installazione e l'uso, evitare di esporre il prodotto a fonti di calore eccessive o sostanze chimiche aggressive.
- Se si notano anomalie nel funzionamento, interrompere l'uso e contattare il supporto.

Istruzioni per l'Installazione e l'Uso

1. Installazione

- Assicurati che il LV120 Plate Carrier sia pulito e in buone condizioni.
- Utilizza il sistema brevettato di Quick Attachment Tab per fissare il pannello al sacco del piatto.
- Verifica che le cerniere UCAS Standard #10 siano allineate correttamente e chiuse.
- Configura il pannello secondo le necessità della missione, scegliendo tra le tre configurazioni disponibili.

2. Uso

- Configurazione 1: Per un utilizzo "leggero", attacca il pannello utilizzando le cerniere più esterne.
- Configurazione 2: Per una maggiore capacità, utilizza le cerniere più interne.
- Configurazione 3: Utilizza "The Drop Expansion Pocket" per trasportare oggetti più lunghi.
- Assicurati che la tasca GP sia fissata correttamente e che gli oggetti all'interno siano ben organizzati.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali.
- Non gettare il prodotto nell'indifferenziato; verifica se ci sono punti di raccolta per attrezzature militari o di sicurezza.
- Se il prodotto è danneggiato, considera la possibilità di contattare un centro di riciclaggio specializzato.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o supporto riguardo al prodotto, si prega di contattare il rivenditore presso il quale è stato acquistato il prodotto. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste istruzioni, puoi garantire un utilizzo sicuro e efficace del ASSAULT BACK PANEL CORE MK2. In caso di dubbi o problemi, non esitare a cercare assistenza.
