

ASSAULT BACK PANEL CORE MK2 - SPIRITUS SYSTEMS MK2

ASSAULT BACK PANEL CORE RANGER GREEN

SPIRITUS SYSTEMS ASSAULT BACK PANEL CORE MK2 Evolution, not just iteration. We took the foundation of the Assault Back Panel Core and refined it for the modern operator. The Mk 2 isn't a departure from what worked—it's a precision upgrade designed for seamless UCAS and LV-120 compatibility, without sacrificing the reliability of the legacy design. By integrating direct user feedback, we've maximized internal capacity and streamlined the profile, ensuring your mission-essential gear is more accessible than ever. The Assault Back Panel Core Mk 2 is designed to be a multi-mission back panel attachment to your LV-120 Plate Carrier, and other UCAS Compatible Plate Carriers. The Assault Back Panel Core Mk 2 is both expandable and modular and can accommodate a series of equipment to meet virtually any operational need. The Assault Back Panel Core Mk 2 attaches to your LV-120 Rear Plate Bag using a combination of our proprietary Quick Attachment Tab System and UCAS Standard #10 Zippers. The newly integrated Quick Attachment Tab System allows the Assault Back Panel Core Mk 2 to affix to and off the LV-120 quickly and seamlessly. The Panel has a removable flap system that allows the user to configure the upper half of the Back Panel to meet their mission needs. Compatible with Back Panel GP Flap, Back Panel Flashbang Flap and Back Panel MOLLE Flap. (Flaps are sold separately, the Assault Back Panel Core Mk 2 does NOT come with a flap.) This eliminates the need to have multiple panels and allows for quicker donning and doffing of mission essential equipment. THE TOP OF THE PANEL FEATURES A CUSTOM DOUBLE PULL, LOCKING, SEPARATING ZIPPER WHICH ALLOWS: 1) Total user configurability to swap, stack and secure your mission-essential tools without compromise. 2) Communication antennas and other items such as cabling, hydration tubes and breaching tools to be routed into and out of the top of the panel with the locking zipper setting the tool in a specific position. The Assault Back Panel Core Mk 2 is designed with three direction snaps to hold Flaps securely and to keep tools held inside the panel. THE PANEL CAN BE WORN IN THREE CONFIGURATIONS: 1) Configuration 1 uses the outermost zippers to attach the panel to the plate bag. This compresses the panel and allows it to be worn in a "light" configuration. Ideal for users who want a streamlined fit and only need to carry breaching tools, slap charges, flash bangs and GP kit on their backs. 2) Configuration 2 uses the innermost zippers to attach the panel to the plate bag. This gives the user greater capacity and configures the panel to act more like a small assault pack. This provides the same features as Configuration 1, but with the added volume for bulky items such as radios, cold weather gear, pole-less litters, etc. 3) Configuration 3 "The Drop Expansion Pocket," utilizes Configuration 1) to attach to the rear plate bag and introduces the bottom expansion. This expansion offers the ability to carry longer tools and store even more bulky items in the expanded space. Between the two sets of zippers, is a column of MOLLE cuts for mounting pouches, such as the Magic Stick, and has holes for shock cord to secure charges, braided tubular nylon or any other lightweight objects. The Assault Back Panel Core Mk 2 comes standard with a permanently affixed large GP pocket on the lower half. This pocket is lined with a loop field for attachment of accessory items and features two tie-down locations inside the pouch for securing sensitive equipment. The front of the pouch features a zippered stash pocket for organizing smaller, commonly needed items. This pocket has an external 4" x 5" loop field for attaching identification patches. Behind the GP pocket is a hidden stash compartment, used for storing the lower half of slap

charges or other items when they are passed through the flaps above. It can also be used to stash E&E equipment or smaller personal items. To fold the main bag tail extension back into the Assault Back Panel Core Mk 2 body, stuff the extension into the panel and re-affix your directional snap straps. These straps are now wrapped around the bottom of the back panel, which allows you to secure it in place if a heavier load needs to be carried inside, but you do not want the expansion to deploy inadvertently. NOTE: *** The Assault Back Panel Core Mk 2 is NOT Compatible with the LV-119 ***

Attributes

- Name: SPIRITUS SYSTEMS MK2 ASSAULT BACK PANEL CORE RANGER GREEN
- Manufacturer: SPIRITUS SYSTEMS
- Product no.: 430118042
- Mfr. No.: PC-AP-RG-02
- Colour: Ranger Green
- Delivery weight: 0.481kg
- Shipping height: 305mm
- Shipping width: 229mm
- Shipping length: 57mm

Sicherheitshinweise für das ASSAULT BACK PANEL CORE MK2

Einleitung

Herzlichen Glückwunsch zu deinem Kauf des ASSAULT BACK PANEL CORE MK2 von SPIRITUS SYSTEMS! Dieses Produkt wurde entwickelt, um dir maximale Funktionalität und Flexibilität während deiner Einsätze zu bieten. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass das Produkt vor der Verwendung auf Beschädigungen oder Mängel überprüft wird.
- Verwende das Produkt nur für den vorgesehenen Zweck und gemäß den Anweisungen in diesem Handbuch.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Handhabung.
- Achte darauf, dass alle Teile des Produkts fest und sicher befestigt sind, bevor du es benutzt.
- Bei Anzeichen von Verschleiß oder Beschädigung, stelle die Verwendung sofort ein und kontaktiere den Hersteller.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende das ASSAULT BACK PANEL CORE MK2 nur mit kompatiblen Plate Carriers, wie dem LV120.
- Achte darauf, dass alle Ausrüstungsgegenstände, die am Panel befestigt sind, sicher und stabil montiert sind.
- Vermeide es, das Panel mit übermäßigen oder ungleichmäßigen Lasten zu beladen, um eine ungewollte Belastung des Trägers zu verhindern.
- Bei der Verwendung des Quick Attachment Tab Systems, stelle sicher, dass die Tabs vollständig eingerastet sind.
- Achte darauf, dass der Reißverschluss ordnungsgemäß geschlossen ist, um das Herausfallen von Ausrüstungsgegenständen zu vermeiden.

Anleitungen zur Installation und Nutzung

1. Befestigung des Panels:

- Nutze die äußeren Reißverschlüsse, um das Panel am Plate Bag zu befestigen, wenn du einen schlanken Sitz wünschst.
- Für mehr Kapazität, verwende die inneren Reißverschlüsse zur Befestigung.
- Wenn du längere Werkzeuge transportieren möchtest, nutze die Drop Expansion Pocket.

2. Verwendung des Klappensystems:

- Das Klappensystem kann an die Missionsbedürfnisse angepasst werden. Stelle sicher, dass die Klappen sicher befestigt sind, bevor du das Panel verwendest.

3. Zugriff auf die Oberseite des Panels:

- Verwende den Doppelreißverschluss, um auf das Innere des Panels zuzugreifen. Stelle sicher, dass alle Gegenstände sicher verstaut sind.

4. Sicherung von Ausrüstungsgegenständen:

- Leite Kommunikationsantennen und andere Gegenstände durch die Oberseite des Panels und achte darauf, dass der verriegelbare Reißverschluss sicher geschlossen ist.

5. Transport und Handhabung:

- Achte darauf, dass das Panel beim Transport nicht überladen ist und alle Riemen sicher befestigt sind.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den örtlichen Vorschriften für die Entsorgung von Textilien und Kunststoffen.
- Stelle sicher, dass alle Teile des Produkts umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Einzelhändler, bei dem du das Produkt erworben hast. Achte darauf, dass du alle relevanten Informationen über das Produkt bereithältst, wenn du Unterstützung benötigst.

Bitte beachte, dass die Sicherheit deiner Ausrüstung von großer Bedeutung ist. Halte dich an die oben genannten Richtlinien, um sicherzustellen, dass du das ASSAULT BACK PANEL CORE MK2 sicher und effektiv nutzen kannst.

ASSAULT BACK PANEL CORE MK2 SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the ASSAULT BACK PANEL CORE MK2 by SPIRITUS SYSTEMS. This product is designed to enhance your operational capabilities while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and maintain the product safely.

General Safety Guidelines

To ensure the safe use of the ASSAULT BACK PANEL CORE MK2, follow these general safety guidelines:

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the panel for any signs of wear or damage.
- Do not exceed the recommended load capacity.
- Always secure your equipment properly to prevent accidental detachment.
- Keep the product away from sharp objects that may cause damage.
- Use the product in accordance with the manufacturer's guidelines to avoid hazards.
- Be aware of your surroundings when using the product in operational scenarios.

Specific Safety Precautions for Use

When using the ASSAULT BACK PANEL CORE MK2, observe the following specific safety precautions:

- **Weight Distribution:** Ensure that weight is evenly distributed across the panel to maintain balance and comfort.
- **Attachment Security:** Always check that the Quick Attachment Tab System and zippers are securely fastened before use.
- **Flap Configuration:** Use the removable flap system according to mission requirements, ensuring that flaps are securely attached.
- **Zipper Management:** Make sure the double pull, locking, separating zipper is fully closed when not in use to prevent accidental openings.
- **Tool Management:** Route communication antennas, hydration tubes, and other tools through the designated channels to avoid snagging or damage.
- **Environmental Awareness:** Be mindful of environmental conditions that may affect the performance of the panel, such as extreme temperatures or moisture.

Instructions for Installation and Usage

To ensure proper installation and usage of the ASSAULT BACK PANEL CORE MK2, follow these steps:

1. Attachment to LV120 Plate Carrier:

- Locate the rear plate bag of your LV120 Plate Carrier.
- Use the Quick Attachment Tab System to attach the panel securely to the plate bag.
- Ensure that the zippers are fully engaged for maximum security.

2. Configuring the Panel:

- Choose your desired configuration (1, 2, or 3) based on your operational needs:
 - **Configuration 1:** Use the outermost zippers for a "light" configuration.
 - **Configuration 2:** Use the innermost zippers for greater capacity.

- **Configuration 3:** Use Configuration 1 and introduce the bottom expansion for carrying longer tools.
- Adjust the panel as necessary to suit your comfort and operational requirements.

3. Using the Removable Flap System:

- Select the appropriate flap (GP Flap, Flashbang Flap, or MOLLE Flap) based on your mission needs.
- Attach the chosen flap securely to the top of the panel.
- Ensure that the flap is properly configured to avoid any interference with your gear.

4. Storing Equipment:

- Utilize the large GP pocket for storing essential items securely.
- Use the zippered stash pocket for organizing smaller items.
- Make use of the hidden stash compartment for additional storage of sensitive equipment.

5. Folding the Main Bag Tail Extension:

- To fold the main bag tail extension back into the panel, stuff the extension into the panel.
- Reaffix the directional snap straps around the bottom of the back panel to secure it in place.

Disposal Instructions

When the ASSAULT BACK PANEL CORE MK2 reaches the end of its usable life, please follow these disposal instructions:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for textile and synthetic materials.
- Consider recycling or donating the product if it is still in usable condition.

Contact Information for Further Support

For any safety inquiries or further support regarding the ASSAULT BACK PANEL CORE MK2, please refer to the manufacturer's contact information included with your product packaging.

By adhering to these safety instructions, you can ensure a safe and effective experience with your ASSAULT BACK PANEL CORE MK2. Thank you for your attention to safety and for choosing SPIRITUS SYSTEMS.

Guida alle Istruzioni di Sicurezza per il ASSAULT BACK PANEL CORE MK2

Introduzione

Grazie per aver scelto il ASSAULT BACK PANEL CORE MK2 di SPIRITUS SYSTEMS. Questo prodotto è progettato per garantire un uso sicuro e funzionale durante le operazioni. Questa guida fornisce istruzioni di sicurezza, precauzioni specifiche, e indicazioni per l'installazione e l'uso corretto del prodotto.

Linee Guida Generali di Sicurezza

- Leggere attentamente tutte le istruzioni prima dell'uso.
- Assicurarsi che il prodotto sia utilizzato solo per le finalità previste.
- Controllare regolarmente il prodotto per eventuali segni di usura o danni.
- Non utilizzare il prodotto se presenta difetti visibili o se non è in buone condizioni.
- Tenere il prodotto lontano dalla portata dei bambini e di gruppi vulnerabili.
- Segnalare immediatamente eventuali incidenti o malfunzionamenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizzare il pannello solo con il LV120 Plate Carrier o altri Plate Carrier compatibili UCAS.
- Assicurarsi che tutte le cerniere siano correttamente chiuse prima di utilizzare il prodotto.
- Non sovraccaricare il pannello oltre la capacità raccomandata.
- Utilizzare solo accessori e flap compatibili con il prodotto.
- Durante l'uso, fare attenzione a non intrappolare parti del corpo o altri oggetti nelle cerniere o nei sistemi di fissaggio.
- In caso di utilizzo di cariche o attrezzature esplosive, seguire le istruzioni specifiche per la sicurezza.

Istruzioni per l'Installazione e l'Uso

• Installazione del Pannello:

1. Posizionare il pannello sul LV120 Rear Plate Bag.
2. Utilizzare le cerniere più esterne per una configurazione "leggera" o le cerniere più interne per una maggiore capacità.
3. Assicurarsi che il pannello sia ben fissato utilizzando il sistema di attacco rapido e le cerniere UCAS.
4. Personalizzare l'uso del pannello con flap compatibili (venduti separatamente).

• Uso del Pannello:

1. Organizzare gli oggetti all'interno del pannello in base alle necessità operative.
2. Utilizzare la tasca GP per riporre attrezzature sensibili e articoli frequentemente utilizzati.
3. Assicurarsi che tutti gli oggetti siano fissati in modo sicuro all'interno del pannello.
4. Per ripiegare l'estensione della borsa principale, infilare l'estensione nel pannello e riattaccare le cinghie di fissaggio.

Istruzioni per lo Smaltimento

- Non gettare il prodotto nei rifiuti domestici.
- Seguire le normative locali per lo smaltimento dei prodotti tessili e dei materiali sintetici.
- Rimuovere eventuali accessori e smaltirli separatamente secondo le linee guida locali.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare un problema, contattare il servizio clienti di SPIRITUS SYSTEMS o visitare il sito ufficiale per eventuali aggiornamenti e avvisi di richiamo.

Nota: Questo prodotto non è compatibile con il LV119. Assicurarsi di utilizzare solo con dispositivi compatibili per garantire la sicurezza e l'efficacia.
