Safety Instruction Guide for AR500 3/8 Gong Hanger Kit with Round Targets

Introduction

Thank you for choosing the Birchwood Casey AR500 3/8" Gong Hanger Kit with Round Targets. This product is designed for safe and effective use in shooting practice. Please read this safety instruction guide carefully to ensure proper handling, installation, and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a shooting target.
- Always wear appropriate personal protective equipment (PPE), including eye and ear protection, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before each use.
- If you notice any defects or irregularities, do not use the product and contact the manufacturer for guidance.
- Follow all local laws and regulations regarding shooting and target practices.

Specific Safety Precautions for Use

- Ensure that the shooting area is clear of bystanders and that a safe backstop is in place.
- Use only appropriate ammunition that is suitable for the AR500 steel targets.
- Do not shoot at the targets from less than 10 yards for handguns and 100 yards for rifles to minimize ricochet risks.
- Avoid shooting the targets with armorpiercing or incendiary rounds as these can damage the targets and pose safety hazards.
- Be mindful of environmental conditions, such as wind and rain, which may affect shooting accuracy and safety.
- Always follow safe shooting practices and guidelines as established by recognized shooting organizations.

Instructions for Installation and Usage

Installation

1. **Select a Suitable Location:** Choose a flat, stable surface that is safe for shooting and has a secure backstop.
2. **Assemble the Hanger System:**
 - Unpack the components of the hanger system and ensure all parts are included.
 - Follow the assembly instructions provided with the kit to properly attach the hanger to the target.
3. **Mount the Targets:**
 - Use the provided hardware to securely attach the AR500 steel gongs to the hanger system.
 - Ensure that the gongs are level and securely fastened to prevent movement during shooting.
4. **Check Stability:** Before shooting, ensure that the entire setup is stable and will not tip over.

Usage

1. **Positioning:** Stand at a safe distance from the targets, as specified in the safety precautions.
2. **Shooting:** Aim carefully and ensure that no one is in the line of fire. Follow standard shooting protocols.
3. **PostShooting:** After shooting, inspect the targets for damage. If any significant wear or damage is observed, discontinue use and replace as necessary.

Disposal Instructions

- When the product reaches the end of its life or is no longer usable, dispose of it responsibly.
- Check local regulations for guidelines on the disposal of metal products.
- Recycle the steel components where possible to minimize environmental impact.
