

GRIP INSERTS - RANSOM GRIP INSERTS FOR AUTOMAG 357 MAGNUM/41 MAGNUM/44 MAGNUM

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR AUTOMAG 357 MAGNUM/41 MAGNUM/44 MAGNUM
- Manufacturer: RANSOM
- Product no.: 430119290
- Mfr. No.: 30-300-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580185

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die Automag 357 Magnum, 41 Magnum und 44 Magnum entwickelt wurden. Diese Inserts sind entscheidend für ein sicheres und effektives Schießerlebnis. Bitte lese die folgenden Informationen sorgfältig durch, um die Sicherheit und die optimale Nutzung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Verwende die Inserts nicht mit harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese die Waffe schädigen können.
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen, bevor du sie verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Verwendung.
- Informiere dich regelmäßig über Rückrufaktionen oder Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitshinweise zur Verwendung

- Die RANSOM GRIP INSERTS sind so konzipiert, dass sie die Durometrie der menschlichen Hand nachahmen.
- Vermeide es, die Inserts unter extremen Bedingungen zu verwenden, die ihre Leistung beeinträchtigen könnten.
- Achte darauf, dass die Inserts korrekt in die Ransom Rest eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- Sei dir bewusst, dass unsachgemäße Verwendung oder Beschädigung der Inserts zu ungenauen Testergebnissen führen kann.
- Halte dich an die Anweisungen zur Verwendung, um Verletzungen oder Schäden zu vermeiden.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Ransom Rest sauber und trocken ist.
- Wähle das passende Insert für deine Waffe aus.
- Setze das Insert vorsichtig in die vorgesehene Halterung der Ransom Rest ein, bis es fest sitzt.
- Überprüfe, ob das Insert sicher sitzt, bevor du mit dem Schießen beginnst.

2. Nutzung der Inserts:

- Stelle die Ransom Rest auf eine stabile und sichere Oberfläche.
- Befolge die allgemeinen Sicherheitsrichtlinien für das Schießen.
- Achte darauf, dass du die RANSOM GRIP INSERTS nur mit der vorgesehenen Waffe verwendest.
- Nach dem Schießen, überprüfe die Inserts auf Abnutzung oder Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektroschrott.
- Achte darauf, dass die Inserts nicht in den normalen Hausmüll gelangen.
- Informiere dich über spezielle Sammelstellen für Elektroschrott in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zur Sicherheit der RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Halte dich über aktuelle Rückrufaktionen und Sicherheitswarnungen auf dem Laufenden.

Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung der RANSOM GRIP INSERTS zu gewährleisten. Beachte sie sorgfältig, um dein Schießerlebnis zu verbessern und potenzielle Risiken zu minimieren.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR AUTOMAG 357 MAGNUM/41 MAGNUM/44 MAGNUM

Introduction

Thank you for choosing the Ransom International Grip Inserts designed for the Automag 357 Magnum, 41 Magnum, and 44 Magnum. This guide provides essential safety information to ensure the safe and effective use of the product. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure safe use of all products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- If you purchased this product online, know that you have the same safety protections as if you bought it in a physical store.
- Extra safeguards are in place for vulnerable groups, including children.
- Always report unsafe products and accidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These can cause damage to your firearm.
- **Understand Recoil Dynamics:** Hard inserts generate destructive recoil energy that can harm the gun's frame and barrel.
- **Use Proper Inserts:** Only use grip inserts that match the durometer of the human hand to ensure accurate and safe testing.
- **Monitor for Damage:** Be aware that damage from improper inserts may not be immediately visible but can accumulate over time, affecting the lifespan of the firearm.
- **Safety First:** Using hard inserts can lead to injury or death if they cause firearm malfunction.

Instructions for Installation and Usage

1. **Select Appropriate Inserts:** Choose Ransom International Grip Inserts specifically designed for the Automag series.
2. **Installation:**
 - Ensure the firearm is unloaded and safe before installation.
 - Remove any existing grip inserts from the Ransom Rest.
 - Carefully install the Ransom Grip Inserts by aligning them properly and securing them according to the manufacturer's instructions.
3. **Testing:**
 - After installation, conduct initial tests to ensure the inserts are functioning as intended.
 - Observe the firearm's behavior during testing. If you notice excessive vibration or recoil, discontinue use immediately.
4. **Regular Checks:**
 - Regularly inspect the inserts for wear and tear.
 - Replace inserts if they show signs of damage or degradation.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they contain hazardous materials. Instead, follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries or assistance regarding the Ransom Grip Inserts, please refer to the manufacturer's support resources. Ensure that you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per gli Inserto Grip RANSOM

Introduzione

Grazie per aver scelto gli Inserto Grip RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare le prestazioni della tua arma e garantire un utilizzo sicuro. È fondamentale seguire attentamente le istruzioni di sicurezza per evitare danni all'arma e garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Utilizza solo gli Inserto Grip RANSOM; non utilizzare inserti rigidi o stampati in 3D.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano da fonti di umidità e calore.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti grip con armi che non siano compatibili con il tuo Ransom Rest.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserto grip.
- Non forzare l'inserto grip durante l'installazione; segui le istruzioni di installazione per garantire un montaggio corretto.
- Evita di utilizzare inserti rigidi, in quanto possono danneggiare l'arma e causare incidenti.
- Non utilizzare il Ransom Rest in condizioni meteorologiche avverse.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'area di lavoro sia pulita e ben illuminata.
- Controlla che l'arma sia completamente scarica.

2. Installazione:

- Segui le istruzioni fornite con il tuo Ransom Rest per installare correttamente gli inserto grip.
- Assicurati che gli inserti siano ben fissati e che non ci siano movimenti indesiderati.

3. Uso:

- Posiziona l'arma nel Ransom Rest e verifica che sia saldamente in posizione.
- Esegui i colpi secondo le linee guida del produttore dell'arma, prestando attenzione a come l'inserto grip assorbe il rinculo.

4. Controllo PostUso:

- Dopo l'uso, controlla gli inserti e il Ransom Rest per eventuali segni di usura o danni.
- Sostituisci immediatamente gli inserti danneggiati o usurati.

Istruzioni per lo Smaltimento

- Gli inserti grip devono essere smaltiti secondo le normative locali sui rifiuti.
- Non gettare gli inserti grip nell'ambiente. Segui le linee guida locali per il riciclaggio o lo smaltimento dei

rifiuti.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o chiarimenti riguardo agli Inserto Grip RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato o a visitare il sito web del produttore per informazioni aggiuntive.

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e soddisfacente degli Inserto Grip RANSOM. La tua sicurezza è la nostra priorità.
