

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA 92SBF COMPACT TYPE M

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA 92SBF COMPACT TYPE M
- Manufacturer: RANSOM
- Product no.: 430119292
- Mfr. No.: 30-300-03-04
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580260

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR BERETTA 92SBF COMPACT TYPE M

Einführung

Herzlichen Glückwunsch zu deinem Kauf der Ransom Grip Inserts für die Beretta 92SBF Compact. Diese Inserts sind speziell entwickelt, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit dem vorgesehenen Gewehrmodell verwendest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass du die Inserts regelmäßig auf Schäden überprüfst.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Verwendung.
- Berichte unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende die Inserts nur in Verbindung mit der Ransom Rest Master Series.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Beachte, dass harte Inserts zerstörerische Rückstoßenergie erzeugen können, die deinem Gewehr schadet.
- Lass die Inserts nicht in einem feuchten oder extremen Klima liegen, um Materialschäden zu vermeiden.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass das Gewehr entladen ist und sich in einem sicheren Zustand befindet.
- Überprüfe die Ransom Grip Inserts auf sichtbare Schäden oder Mängel.

2. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die Ransom Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, ohne Spiel.

3. Nutzung:

- Halte das Gewehr mit beiden Händen und achte auf eine stabile Haltung.
- Betätige den Abzug sanft, um den Rückstoß zu kontrollieren.
- Überwache während des Schießens die Leistung der Inserts und achte auf ungewöhnliche Geräusche oder Vibrationen.

Entsorgungsanweisungen

- Entsorge die Ransom Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen und sicher entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken zu den Ransom Grip Inserts konsultiere bitte die offizielle Website des Herstellers oder kontaktiere den Kundenservice.

Wir danken dir für deinen Kauf und wünschen dir viel Freude mit deinem Produkt!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BERETTA 92SBF

COMPACT TYPE M

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Beretta 92SBF Compact Type M. These grip inserts are designed to enhance your shooting experience while ensuring safety and accuracy. This guide provides essential safety instructions and guidelines for the proper use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions carefully.
- Be aware of potential risks associated with improper use, including damage to your firearm and personal injury.
- Check for updates on product recalls and safety notices regularly through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy that travels through the frame and barrel.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be completely stopped; they can only be controlled. Hard inserts will not absorb these forces effectively, leading to potential damage.
- **Monitor for Damage:** Inspect your firearm regularly for any signs of wear or damage that may result from using inappropriate grip inserts.
- **Use Only Recommended Inserts:** Always use the Ransom grip inserts specifically designed for your firearm to ensure optimal performance and safety.
- **Be Cautious During Testing:** When conducting destructive or accuracy testing, ensure that the grip inserts mimic humanlike recoil to obtain valid test results.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded before installing the grip inserts.
- Gather all necessary tools for installation.

2. Installation:

- Remove any existing grip inserts from your firearm.
- Carefully align the Ransom grip inserts with the grip area of your firearm.
- Firmly press the inserts into place until they are securely fitted.

3. Usage:

- When using your firearm with the grip inserts, maintain a proper shooting stance to help absorb recoil naturally.
- Regularly check the grip inserts for any signs of wear or damage before each use.
- Follow all standard safety procedures for handling and operating firearms.

Disposal Instructions

- Dispose of any damaged or old grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste. Check for designated recycling or hazardous waste collection points in your area.

Contact Information for Further Support

For any safety inquiries or support regarding the Ransom grip inserts, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective shooting experience with your Beretta 92SBF Compact Type M.

Guida alla Sicurezza per GRIP INSERTS RANSOM per Beretta 92SBF Compact Type M

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo Beretta 92SBF Compact Type M. Questo prodotto è progettato per migliorare le prestazioni della tua arma da fuoco e garantire la tua sicurezza durante l'uso. È importante seguire attentamente le istruzioni e le linee guida di sicurezza per assicurarti un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Non utilizzare inserti rigidi o stampati in 3D con il tuo Master Series Ransom Rest.
- Controlla regolarmente il tuo prodotto per eventuali segni di usura o danni.
- Non utilizzare il prodotto se noti anomalie o danni.
- Segui sempre le normative locali e nazionali riguardanti l'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire le forze di rinculo e vibrazione. Non utilizzare inserti che non siano progettati specificamente per il tuo modello di arma.
- Non tentare di modificare o riparare gli inserti da solo.
- Non utilizzare il prodotto in condizioni avverse, come pioggia o umidità eccessiva.
- Mantieni il prodotto lontano dalla portata di bambini e persone non autorizzate.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che l'arma sia scarica prima di procedere.
- Rimuovi eventuali inserti precedentemente installati.
- Posiziona gli inserti RANSOM nel supporto, assicurandoti che siano ben fissati.
- Controlla che non ci siano spazi vuoti tra l'inserto e l'arma.

2. Uso:

- Posiziona l'arma nel supporto Ransom Rest.
- Assicurati che l'arma sia in posizione di batteria corretta.
- Segui le istruzioni del produttore per l'uso corretto del Ransom Rest.
- Non utilizzare il prodotto per test distruttivi o di precisione se non hai esperienza.

Istruzioni per lo Smaltimento

- Quando il prodotto non è più utilizzabile, smaltiscilo secondo le normative locali riguardanti i materiali di scarto.
- Non gettare il prodotto nell'ambiente. Contatta un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o chiarimento riguardo l'uso dei GRIP INSERTS RANSOM, ti invitiamo a contattare il

supporto clienti del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti al momento del contatto.

Avvertenze Finali

- Non sottovalutare i rischi associati all'uso delle armi da fuoco.
- Segui sempre le migliori pratiche di sicurezza e le normative vigenti.
- Ricorda che la sicurezza è una responsabilità condivisa. Utilizza il prodotto in modo responsabile e consapevole.

Grazie per aver scelto i GRIP INSERTS RANSOM. La tua sicurezza è la nostra priorità.
