

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA PX4 COMPACT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA PX4 COMPACT
- Manufacturer: RANSOM
- Product no.: 430119300
- Mfr. No.: 30-300-03-12
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580352

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BERETTA PX4 COMPACT

Einleitung

Willkommen zu deinem Sicherheitshinweis für die RANSOM GRIP INSERTS, speziell entwickelt für die Beretta PX4 Compact. Diese Anleitung soll dir helfen, das Produkt sicher zu verwenden und mögliche Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur für den vorgesehenen Zweck verwendest.
- Halte die Inserts von Kindern und anderen unerfahrenen Benutzern fern.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder andere Schäden.
- Informiere dich über Rückrufaktionen für das Produkt über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Benutzung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine sichere Nutzung zu gewährleisten.
- Vermeide es, die Inserts mit aggressiven Chemikalien oder Reinigungsmitteln zu reinigen.
- Nutze die Inserts nur mit der Beretta PX4 Compact, um sicherzustellen, dass sie korrekt funktionieren.

Anweisungen zur Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass deine Beretta PX4 Compact entladen ist, bevor du die Inserts installierst.
2. **Installation:**
 - Entferne die alten Inserts, falls vorhanden.
 - Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Bereiche ein.
 - Achte darauf, dass die Inserts fest sitzen und keine Lücken aufweisen.
3. **Nutzung:**
 - Halte beim Schießen die Waffe sicher und stabil.
 - Achte darauf, dass die Inserts während des Gebrauchs nicht verrutschen oder beschädigt werden.
 - Nach dem Schießen, überprüfe die Inserts auf mögliche Schäden.

Entsorgungsanweisungen

- Entsorge beschädigte Inserts gemäß den lokalen Vorschriften für Kunststoffabfälle.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe, um umweltfreundlich zu handeln.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den RANSOM Grip Inserts, wende dich bitte an den Hersteller oder besuche die offizielle Website.

Schlussfolgerung

Die Sicherheit beim Umgang mit der Beretta PX4 Compact und den RANSOM Grip Inserts ist von größter Bedeutung. Befolge diese Richtlinien, um eine sichere und effektive Nutzung zu gewährleisten. Achte stets auf die Qualität der Inserts und vermeide unsichere Alternativen. Bleibe informiert über Sicherheitsupdates und Rückrufaktionen, um sicherzustellen, dass du die bestmögliche Erfahrung mit deinem Produkt hast.

Consumer Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR BERETTA PX4 COMPACT

Introduction

Thank you for choosing the Ransom International Grip Inserts designed for the Beretta PX4 Compact. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully to understand the proper handling, installation, and usage of the grip inserts.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the grip inserts.
- Inspect the grip inserts for any signs of damage or wear before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as these can damage the firearm and produce unreliable test results.
- Be aware that improper use of grip inserts may lead to injury or damage to the firearm.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage the firearm. Use only the Ransom grip inserts designed for your firearm.
- **Understand Recoil Dynamics:** The grip inserts are engineered to absorb recoil and vibration similar to the human hand. Using inappropriate inserts can lead to flawed test results.
- **Monitor for Wear:** Regularly check the condition of the grip inserts. Replace them if they show signs of damage.
- **Follow Manufacturer's Recommendations:** Adhere to all guidelines provided by the manufacturer regarding the use of grip inserts.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove any existing grip inserts according to the manufacturer's instructions.
- Align the Ransom grip insert with the grip area of the firearm.
- Securely install the grip insert, ensuring it fits snugly without gaps.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure the machine is stable and properly set up.
- Allow the grip inserts to absorb the initial recoil and vibration during testing.
- Avoid using the firearm in a way that may lead to excessive wear on the grip inserts.

3. PostUsage:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the grip inserts as per the manufacturer's cleaning instructions to maintain their effectiveness.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they are made from materials that require special handling.
- Consider recycling options if available.

Contact Information for Further Support

For questions or additional information regarding the Ransom grip inserts, please refer to the manufacturer's website or contact their customer support team.

Thank you for your attention to these safety instructions. Proper use and maintenance of the Ransom grip inserts will enhance your shooting experience while ensuring safety and reliability.

Istruzioni di Sicurezza per Grip Inserts Ransom per Beretta PX4 Compact

Introduzione

Grazie per aver scelto i Grip Inserts Ransom progettati per il Beretta PX4 Compact. Questo prodotto è stato sviluppato per garantire massima precisione e affidabilità durante l'uso. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts Ransom per il Beretta PX4 Compact. Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D.
- Evita di maneggiare l'arma in modo non appropriato durante l'uso del Grip Inserts.
- Segui sempre le istruzioni del produttore per la manutenzione e l'uso dell'arma.
- Tieni presente che i Grip Inserts Ransom sono progettati per assorbire vibrazioni e rinculo, migliorando la sicurezza e l'affidabilità.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts che non siano progettati specificamente per il tuo modello di arma.
- Non tentare di modificare o alterare i Grip Inserts Ransom.
- Durante l'uso, assicurati che l'arma sia sempre in una posizione sicura e controllata.
- Non utilizzare l'arma in condizioni meteorologiche avverse che potrebbero compromettere la tua sicurezza.
- Controlla regolarmente i Grip Inserts per eventuali segni di usura o danni. Sostituisci immediatamente gli inserti danneggiati.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei Grip Inserts Ransom:

- Rimuovi eventuali grip inserts precedenti dall'arma.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Posiziona i Grip Inserts Ransom sul telaio dell'arma, assicurandoti che siano allineati correttamente.
- Fissa gli inserti secondo le istruzioni fornite con il prodotto.

2. Uso dei Grip Inserts Ransom:

- Utilizza l'arma solo in condizioni di sicurezza, seguendo tutte le normative locali.
- Durante il tiro, mantieni una presa salda e controllata sull'arma.
- Osserva attentamente il comportamento dell'arma durante il tiro per eventuali anomalie.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts Ransom nella spazzatura comune. Verifica le normative locali per lo smaltimento di prodotti di questo tipo.
- Se i Grip Inserts sono danneggiati o non più utilizzabili, contatta un centro di raccolta per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande o chiarimenti riguardanti i Grip Inserts Ransom, ti invitiamo a contattare il produttore o un rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e qualsiasi altra informazione pertinente.

Conclusione

I Grip Inserts Ransom per il Beretta PX4 Compact sono progettati per migliorare la tua esperienza di tiro, garantendo sicurezza e precisione. Segui sempre le istruzioni di sicurezza e utilizzo per proteggere te stesso e gli altri durante il tiro.
