

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA APX A0

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA APX A0
- Manufacturer: RANSOM
- Product no.: 430119305
- Mfr. No.: 30-300-03-11-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580338

Item details

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BERETTA APX A0

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Beretta APX A0! Diese Inserts sind speziell entwickelt, um die Leistung deiner Waffe zu verbessern und gleichzeitig ihre Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um ein sicheres und effektives Nutzungserlebnis zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur mit den dafür vorgesehenen Waffen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um unerwünschte Vibrationen und Rückstoß zu minimieren.
- Halte dich an alle lokalen Gesetze und Vorschriften bezüglich des Besitzes und der Nutzung von Schusswaffen.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Die Inserts sind so konzipiert, dass sie der Duometrie der menschlichen Hand entsprechen. Sie absorbieren Rückstoß und Vibration.
- Bei der Nutzung achte darauf, dass deine Hand nicht zu fest um den Griff gewickelt ist, um eine optimale Funktion der Inserts zu gewährleisten.
- Vermeide es, die Waffe zu verwenden, wenn du Anzeichen von Beschädigungen an den Inserts oder der Waffe bemerkst.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen und ersetze sie bei Bedarf.

Anleitung zur Installation und Nutzung

1. Installation der Grip Inserts:

- Entferne die alte Griffabdeckung von deiner Beretta APX A0.
- Reinige die Oberfläche, um sicherzustellen, dass keine Rückstände oder Schmutz vorhanden sind.
- Positioniere die Grip Inserts an der vorgesehenen Stelle und drücke sie fest an, um eine sichere Verbindung zu gewährleisten.
- Stelle sicher, dass die Inserts richtig sitzen und keine Lücken aufweisen.

2. Nutzung der Waffe:

- Halte die Waffe in einer stabilen Position, während du schießst.
- Achte darauf, dass du eine angemessene Schießhaltung einnimmst, um den Rückstoß zu kontrollieren.
- Nach dem Schießen überprüfe die Inserts und die Waffe auf mögliche Schäden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass du die Inserts nicht in den normalen Hausmüll wirfst, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung bezüglich der Grip Inserts wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle relevanten Informationen über das Produkt bereithältst, um eine schnelle und effiziente Unterstützung zu erhalten.

Wichtige Hinweise

- Die Verwendung von harten oder 3Dgedruckten Inserts kann die Lebensdauer deines Gewehrs erheblich verringern und potenziell zu Verletzungen führen.
- Achte darauf, dass du beim Testen der Waffe die menschlichen Rückstoßverhalten nachahmst, um fehlerhafte Ergebnisse zu vermeiden.
- Sei vorsichtig: Viele haben es versucht, und viele haben auf die harte Tour gelernt. Verwende keine harten oder 3Dgedruckten Inserts!

Bitte befolge diese Sicherheitshinweise sorgfältig, um die besten Ergebnisse mit deinen RANSOM GRIP INSERTS zu erzielen und die Sicherheit während der Nutzung deiner Beretta APX A0 zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BERETTA APX A0

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Beretta APX A0. These grip inserts are specifically designed to enhance your shooting experience by mimicking the human hand's ability to absorb recoil and vibration. This guide provides essential safety instructions to ensure safe usage and optimal performance of the product. Please read it carefully before installation and use.

General Safety Guidelines

- Always ensure that the grip inserts are compatible with your firearm model before use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- Be aware that improper use of grip inserts may lead to injury or death.
- Regularly inspect the grip inserts for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that travels through the frame and barrel of your firearm, potentially causing damage.
- **Mimic Human Recoil:** For accurate testing, it is crucial to replicate the humanlike recoil that the grip inserts are designed to provide.
- **Monitor for Damage:** Damage from improper inserts may not be immediately visible. Accumulated damage can lead to decreased firearm performance and safety risks.
- **Use Caution:** Always handle firearms responsibly and ensure that you are in a safe environment when conducting tests or shooting.

Instructions for Installation and Usage

1. **Preparation:** Ensure that your firearm is unloaded and in a safe condition before installing the grip inserts.
2. **Installation:**
 - Remove any existing grip inserts from your firearm.
 - Align the Ransom Grip Inserts with the grip area of your firearm.
 - Firmly press the inserts into place until they are securely fitted.
3. **Usage:**
 - Once installed, use the grip inserts during shooting sessions to absorb recoil and vibration.
 - Monitor the performance of your firearm and the condition of the grip inserts during use.
4. **PostUsage Check:**
 - After each shooting session, inspect the grip inserts for any signs of wear or damage.
 - If any damage is found, replace the grip inserts before the next use.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not throw them in regular household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Ransom Grip Inserts, please refer to the manufacturer's customer service resources.

Conclusion

By adhering to these safety instructions and guidelines, you can ensure the safe and effective use of the Ransom Grip Inserts for your Beretta APX A0. Remember that responsible firearm handling and maintenance are crucial for your safety and the safety of others. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per l'Utilizzo dei GRIP INSERTS RANSOM per Beretta APX A0

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per la tua Beretta APX A0. Questo prodotto è progettato per migliorare le prestazioni della tua pistola e garantire la massima sicurezza durante l'uso. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura ed efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i GRIP INSERTS RANSOM progettati specificamente per il tuo modello di pistola.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare la tua arma.
- Controlla regolarmente il tuo equipaggiamento per segni di usura o danni.
- Segui sempre le normative locali e nazionali relative all'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Quando utilizzi la pistola con i GRIP INSERTS RANSOM, assicurati che l'arma sia sempre in una posizione sicura e controllata.
- Non lasciare mai la pistola incustodita mentre è equipaggiata con gli inserti.
- Evita di utilizzare la pistola in condizioni meteorologiche avverse, che potrebbero influenzare la tua capacità di controllo.
- Non utilizzare gli inserti per scopi diversi da quelli per cui sono stati progettati.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti esistenti dalla tua pistola.
- Pulisci l'area di contatto per garantire un'adeguata aderenza.
- Inserisci i GRIP INSERTS RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente in posizione prima di utilizzare la pistola.

2. Utilizzo:

- Prima di ogni utilizzo, verifica che gli inserti siano in buone condizioni e privi di danni.
- Durante l'uso, mantieni una presa sicura sulla pistola e rimani concentrato sul tiro.
- Dopo l'uso, rimuovi gli inserti per ispezionarli e pulirli se necessario.

Istruzioni per lo Smaltimento

- Gli inserti non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di materiali plastici e attrezzature per armi da fuoco.
- Contatta il tuo comune per informazioni sui centri di raccolta per materiali pericolosi.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardanti la sicurezza dei GRIP INSERTS RANSOM, ti invitiamo a contattare il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e la prova d'acquisto.

Conclusioni

Seguire queste istruzioni di sicurezza ti aiuterà a garantire un utilizzo sicuro ed efficace dei GRIP INSERTS RANSOM per la tua Beretta APX A0. Ricorda che la sicurezza è sempre la priorità numero uno quando si maneggiano armi da fuoco.
