

GRIP INSERTS - RANSOM GRIPS INSERTS FOR BROWNING 1911-22

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIPS INSERTS FOR BROWNING 1911-22
- Manufacturer: RANSOM
- Product no.: 430119310
- Mfr. No.: 30-300-05-07
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580437

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS für Browning 191122

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die Browning 191122 entwickelt wurden. Diese Anleitung hilft dir, die Sicherheit bei der Verwendung des Produkts zu gewährleisten und potenzielle Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass die RANSOM GRIP INSERTS sicher verwendet werden, um Verletzungen oder Schäden zu vermeiden.
- **Risikobewusstsein:** Sei dir möglicher Gefahren bewusst, die mit der Verwendung von harten Griffenlagen oder 3Dgedruckten Kunststoffgriffen verbunden sind.
- **Rückrufinformationen:** Achte auf Rückrufbenachrichtigungen und sichere Lösungen für gefährliche Produkte.
- **OnlineEinkäufe:** Wenn du online kaufst, stelle sicher, dass der Anbieter die Sicherheitsanforderungen erfüllt.
- **Besondere Verbrauchergruppen:** Sei besonders vorsichtig, wenn das Produkt von Kindern oder anderen vulnerablen Gruppen verwendet wird.
- **EUKontaktstelle:** Für Sicherheitsanfragen gibt es eine EUbasierte Kontaktstelle.

Besondere Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Einlagen:** Verwende keine harten Griffenlagen oder 3Dgedruckten Kunststoffgriffe, da diese deinem Gewehr schaden können.
- **Achte auf Rückstoß:** Harte Einlagen erzeugen eine zerstörerische Rückstoßenergie, die das Gewehr beschädigen kann.
- **Schutz vor Verletzungen:** Eine harte Einlage kann Verletzungen oder sogar den Tod verursachen, wenn etwas passiert.
- **Wiederholbare Testergebnisse:** Nutze die RANSOM GRIP INSERTS, um genaue und wiederholbare Testergebnisse zu erhalten.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass du alle notwendigen Werkzeuge und Materialien zur Hand hast.
- Überprüfe die RANSOM GRIP INSERTS auf Beschädigungen, bevor du sie installierst.

2. Installation:

- Entferne die vorhandenen Griffenlagen von deinem Browning 191122.
- Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Einlagen sicher und fest sitzen.

3. Nutzung:

- Nutze die RANSOM GRIP INSERTS während des Schießens, um die Rückstoßenergie zu absorbieren.
- Achte darauf, dass du die Maschine nicht überlastest, um Schäden zu vermeiden.
- Überprüfe regelmäßig die Griffenlagen auf Abnutzung oder Beschädigungen.

Entsorgungsanweisungen

- **Recycling:** Entsorge die RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- **Sichere Entsorgung:** Stelle sicher, dass beschädigte oder abgenutzte Einlagen sicher entsorgt werden, um Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Unterstützung oder bei Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Händler oder den Hersteller. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst, um die bestmögliche Nutzung deines Produkts zu gewährleisten.

Bitte beachte, dass diese Sicherheitshinweise regelmäßig aktualisiert werden sollten, um sicherzustellen, dass sie den neuesten Sicherheitsstandards und Vorschriften entsprechen. Achte darauf, alle Anweisungen sorgfältig zu befolgen, um die Sicherheit von dir und anderen zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIPS INSERTS FOR BROWNING 191122

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Browning 191122. These inserts are designed to enhance your shooting experience by mimicking the natural feel of a human hand. It is crucial to follow the safety guidelines and instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the grip inserts by adhering to the following guidelines:
 - Always use grip inserts specifically designed for your firearm model.
 - Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
 - Handle all firearms with care and ensure they are unloaded when not in use.
 - Always point the firearm in a safe direction.
 - Store your firearm and grip inserts in a secure location away from children and unauthorized users.
 - Regularly inspect your grip inserts for wear or damage.

Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
 - Never use hard or 3Dprinted inserts. They can generate destructive recoil energy that may damage your gun.
 - Understand that vibration and recoil cannot be stopped; they must be controlled. Hard inserts do not replicate humanlike recoil and can lead to inaccurate test results.
 - Be aware that using hard inserts may decrease the life of your barrel and gun, potentially leading to injury.
 - Always ensure that the grip inserts are properly installed before using your firearm.

Instructions for Installation and Usage

- Follow these steps for the correct installation and usage of your grip inserts:
 1. Remove any existing grip inserts from your firearm.
 2. Clean the grip area of your firearm to ensure a proper fit.
 3. Carefully insert the Ransom grip inserts into the designated slots, ensuring they are securely in place.
 4. Once installed, check that the grip inserts do not obstruct any operational parts of the firearm.
 5. Test the firearm in a safe environment to ensure that the grip inserts function as intended.
 6. After each use, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- When it comes time to dispose of your grip inserts, please follow these guidelines:
 - Do not dispose of grip inserts in regular household waste.
 - Check with your local waste management authorities for proper disposal methods.
 - If the grip inserts are damaged or no longer usable, consider recycling them if possible.

Contact Information for Further Support

- For safety inquiries or support, please refer to your local authorities or the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your adherence to these guidelines. Enjoy your shooting experience with the Ransom International Grip Inserts!

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per Browning 191122

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Browning 191122. Questo prodotto è progettato per migliorare le prestazioni della tua arma da fuoco e garantire un utilizzo sicuro. È fondamentale seguire tutte le istruzioni di sicurezza e utilizzo per garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di leggere attentamente tutte le istruzioni prima dell'uso.
- Non utilizzare inserti rigidi o stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Verifica sempre che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Mantieni gli inserti e l'arma fuori dalla portata di bambini e gruppi vulnerabili.
- Segnala qualsiasi prodotto non sicuro o incidente alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo gli inserti RANSOM progettati specificamente per il tuo modello di arma.
- Non tentare di modificare gli inserti o utilizzarli in un modo non previsto dal produttore.
- Assicurati che gli inserti siano installati correttamente prima di utilizzare l'arma.
- Fai attenzione ai segni di usura o danni sugli inserti e sostituiscili se necessario.
- Non utilizzare l'arma in condizioni meteorologiche avverse che potrebbero compromettere la tua sicurezza.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia completamente scarica e che tu sia in un'area sicura.
2. **Installazione:**
 - Rimuovi eventuali inserti precedenti dall'impugnatura.
 - Posiziona gli inserti RANSOM nell'impugnatura seguendo le istruzioni specifiche del produttore.
 - Assicurati che gli inserti siano ben fissati e non si muovano.
3. **Uso:**
 - Utilizza l'arma solo in aree designate per il tiro.
 - Segui sempre le pratiche di tiro sicuro.
 - Monitora costantemente le prestazioni dell'arma e degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici. Segui le normative locali per il corretto smaltimento dei prodotti in plastica.
- Contatta il tuo comune per informazioni sui punti di raccolta per materiali speciali.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore autorizzato o a visitare il sito web del produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano.

Ricorda che la sicurezza è la priorità numero uno quando si utilizza un'arma da fuoco. Segui queste istruzioni per garantire un'esperienza di tiro sicura e soddisfacente.
