

GRIP INSERTS - RANSOM GRIP INSERTS FOR 1911 CASPIAN DOUBLE STACK

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR 1911 CASPIAN DOUBLE STACK
- Manufacturer: RANSOM
- Product no.: 430119312
- Mfr. No.: 30-300-051
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580475

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS für 1911 Caspian Double Stack. Diese Inserts sind speziell entwickelt, um dein Schießerlebnis zu verbessern und die Sicherheit während des Schießens zu gewährleisten. Bitte lies diese Anleitung sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Die RANSOM GRIP INSERTS sind so konzipiert, dass sie sicher in Verbindung mit deinem Master Series Ransom Rest verwendet werden können. Achte darauf, dass du die Inserts nur in der vorgesehenen Weise verwendest.
- **Erhöhte Rückrufe:** Halte Ausschau nach Rückrufinformationen, die dir helfen, gefährliche Produkte zu identifizieren. Informiere dich regelmäßig über Updates.
- **OnlineShopping:** Wenn du die Inserts online kaufst, stelle sicher, dass der Verkäufer alle Sicherheitsanforderungen erfüllt.
- **Besondere Verbraucherkfokus:** Diese Inserts sind nicht für Kinder geeignet. Halte sie außerhalb der Reichweite von Kindern.
- **EUKontaktpunkt:** Bei Fragen zur Sicherheit der Inserts wende dich an den Hersteller oder den Verkäufer.
- **Schnelle Warnungen:** Achte auf Informationen über unsichere Produkte über das Safety GateSystem der EU.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Nutze keine harten GripsInserts oder 3Dgedruckten KunststoffInserts, da diese deinem Gewehr schaden können.
- **Achte auf Rückstoß:** Harte Inserts können schädliche Rückstoßenergien erzeugen, die die Lebensdauer deines Gewehrs beeinträchtigen können.
- **Beobachte die Nutzung:** Achte darauf, dass die Inserts den Durometer der menschlichen Hand entsprechen, um eine realistische Rückstoßsimulation zu gewährleisten.
- **Vermeide Übertragung von Vibrationen:** Die Inserts sollen Vibrationen und Rückstoß effektiv absorbieren, um die Präzision deiner Schießtests zu erhalten.

Anweisungen zur Installation und Verwendung

- **Installation der Inserts:**

1. Stelle sicher, dass dein Ransom Rest sauber und in gutem Zustand ist.
2. Wähle die passenden RANSOM GRIP INSERTS für dein Gewehrmodell.
3. Setze die Inserts gemäß den Anweisungen des Herstellers in den Ransom Rest ein.

- **Verwendung der Inserts:**

1. Stelle sicher, dass das Gewehr sicher im Ransom Rest fixiert ist.
2. Beginne mit dem Schießen und beobachte, wie die Inserts den Rückstoß und die Vibrationen absorbieren.
3. Überprüfe regelmäßig den Zustand der Inserts und wechsle sie bei Anzeichen von Abnutzung.

Entsorgungsanweisungen

- **Umweltgerechte Entsorgung:** Entsorge die RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- **Recycling:** Wenn möglich, recycle die Inserts, um die Umwelt zu schonen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Halte die Verpackung bereit, um spezifische Informationen zu deinem Produkt bereitzustellen.

Bitte befolge diese Sicherheitshinweise, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR 1911 CASPIAN

DOUBLE STACK

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These grip inserts are specially designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. This guide provides essential safety instructions to ensure the safe and effective use of this product.

General Safety Guidelines

- Always ensure that the grip inserts are compatible with your firearm model before use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce unreliable test results.
- Regularly inspect the grip inserts for wear and tear. Replace them if they show signs of damage.
- Store the grip inserts in a cool, dry place away from direct sunlight and moisture.
- Always follow the manufacturer's guidelines for use and maintenance.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that travels through the firearm's frame and barrel, leading to potential damage and unsafe conditions.
- **Mimic Human Recoil:** To ensure accurate testing, use inserts that replicate humanlike recoil. This is crucial for obtaining valid test data.
- **Be Aware of Accumulated Damage:** Damage from hard inserts may not be immediately visible but can accumulate over time, affecting the lifespan of your firearm.
- **Caution with Testing:** Whether conducting destructive or accuracy testing, always mimic human handling to prevent flawed results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the Ransom Rest.
- Align the new grip inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage of Grip Inserts:

- Position the firearm securely in the Ransom Rest.
- Ensure that the inserts are seated correctly and do not move during use.
- Conduct your shooting tests, observing the performance of the grip inserts.
- After use, inspect the inserts for any signs of wear or damage.

3. PostUsage Care:

- Clean the grip inserts with a soft cloth to remove any debris or residue.
- Store the inserts in their original packaging or a protective case to prevent damage.

Disposal Instructions

- When the grip inserts are no longer usable, dispose of them in accordance with local regulations for plastic and rubber waste.
- Do not dispose of the grip inserts in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any inquiries regarding safety, product information, or support, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience with your Ransom International Grip Inserts.

Istruzioni per la Sicurezza dell'Uso delle GRIP INSERTS RANSOM per 1911 Caspian Double Stack

Introduzione

Le GRIP INSERTS RANSOM sono progettate per migliorare le prestazioni e proteggere il tuo 1911 Caspian Double Stack. È fondamentale seguire queste istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo come indicato.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Non lasciare il prodotto incustodito e lontano dalla portata di bambini o gruppi vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza sempre le GRIP INSERTS RANSOM in un ambiente sicuro e controllato.
- Assicurati che l'arma sia scarica prima di installare o rimuovere le grip inserts.
- Non tentare di modificare o riparare le GRIP INSERTS RANSOM.
- Segui le istruzioni di installazione e utilizzo per evitare danni all'arma e per garantire la tua sicurezza.
- In caso di vibrazioni eccessive o di un comportamento anomalo dell'arma, interrompi immediatamente l'uso e controlla le condizioni del prodotto.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Trova un'area di lavoro pulita e ben illuminata.

2. Installazione delle GRIP INSERTS:

- Rimuovi eventuali grip inserts esistenti, seguendo le istruzioni del produttore.
- Posiziona le GRIP INSERTS RANSOM nel punto designato dell'arma.
- Assicurati che siano saldamente fissate e che non ci siano spazi vuoti.

3. Uso delle GRIP INSERTS:

- Utilizza l'arma in modo responsabile e solo per scopi consentiti.
- Monitora le prestazioni dell'arma e delle grip inserts durante l'uso.
- In caso di malfunzionamenti, interrompi l'uso immediatamente e verifica le condizioni del prodotto.

Istruzioni per lo Smaltimento

- Non smaltire le GRIP INSERTS RANSOM in modo irresponsabile.
- Segui le normative locali per lo smaltimento di prodotti non più utilizzabili.
- Contatta un centro di smaltimento autorizzato se non sei sicuro delle procedure corrette.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o per segnalare un prodotto non sicuro, contatta il tuo rivenditore locale o consulta il sito ufficiale di RANSOM per ulteriori informazioni.

Seguendo queste istruzioni, potrai utilizzare le GRIP INSERTS RANSOM in modo sicuro e responsabile, proteggendo sia te stesso che il tuo equipaggiamento.
