

GRIP INSERTS - RANSOM GRIP INSERTS CHARTER ARMS BULL DOG/OD/PF/PB/REVOLVER/UC/UCD

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS CHARTER ARMS BULL DOG/OD/PF/PB/REVOLVER/UC/UCD
- Manufacturer: RANSOM
- Product no.: 430119314
- Mfr. No.: 30-300-06
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580550

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für die Charter Arms Bull Dog. Diese Inserts sind speziell entwickelt worden, um die Leistung deiner Waffe zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt und sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Inserts nur mit dem Master Series Ransom Rest verwendet werden.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deiner Waffe schaden können.
- Achte darauf, dass alle Komponenten der Waffe in gutem Zustand sind, bevor du die Inserts verwendest.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Informiere dich über die richtige Handhabung und Pflege deiner Waffe, um Unfälle zu vermeiden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Harte Inserts können schädliche Rückstoßenergie erzeugen, die die Waffe beschädigen kann.
- Die Inserts sind so konstruiert, dass sie die Vibrationen und Rückstöße der Waffe absorbieren. Verwende sie nur wie vorgesehen.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um optimale Ergebnisse zu erzielen.
- Wenn du beim Schießen ein ungewöhnliches Gefühl oder Geräusche bemerkst, stoppe sofort die Nutzung und überprüfe die Inserts sowie die Waffe.

Anweisungen für Installation und Nutzung

• Installation der Inserts:

1. Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.
2. Entferne die bestehenden Inserts, falls vorhanden.
3. Setze die RANSOM GRIP INSERTS gemäß der Anleitung in den Ransom Rest ein.
4. Überprüfe, ob die Inserts korrekt und fest sitzen.

• Nutzung der Inserts:

1. Stelle sicher, dass alle Sicherheitsvorkehrungen getroffen wurden, bevor du die Waffe benutzt.
2. Führe Schüsse in einem kontrollierten und sicheren Umfeld durch.
3. Achte darauf, dass du die Waffe während des Schießens stabil hältst, um die bestmögliche Leistung der Inserts zu gewährleisten.
4. Nach dem Schießen sollte die Waffe gereinigt und die Inserts auf Beschädigungen überprüft werden.

Entsorgungsanweisungen

- Entsorge beschädigte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte dich an die Richtlinien für die Entsorgung von Waffenbestandteilen, wenn du die Inserts oder andere Teile der Waffe entsorgen möchtest.
- Achte darauf, dass alle Teile der Waffe sicher und umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Sie können dir bei spezifischen Anliegen oder Problemen weiterhelfen.

Fazit

Die Verwendung von RANSOM GRIP INSERTS bietet zahlreiche Vorteile, darunter eine bessere Kontrolle und weniger Rückstoß. Achte jedoch darauf, die Sicherheitshinweise zu befolgen, um die bestmögliche Leistung und Sicherheit deiner Waffe zu gewährleisten. Sei vorsichtig und handle verantwortungsbewusst, um Unfälle und Schäden zu vermeiden.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS for your Charter Arms Bull Dog and similar models. This guide provides important safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read and understand these guidelines carefully before using the product.

General Safety Guidelines

- Ensure safe handling and use of the grip inserts to avoid potential hazards.
- Regularly inspect the grip inserts for any signs of damage or wear.
- Follow all instructions provided in this guide to minimize risks.
- Be aware that improper use of grip inserts can lead to damage to your firearm and potential injury.
- Report any unsafe product experiences to the appropriate authorities and check for recall updates.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. They can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. The inserts are designed to absorb these forces similarly to a human hand.
- **Inspect Regularly:** Check the inserts frequently for any wear or damage that could compromise their effectiveness.
- **Use with Caution:** Be aware that using hard inserts can decrease the lifespan of your firearm and may lead to injury or death in severe cases.
- **Follow Manufacturer Instructions:** Always adhere to the guidelines provided by Ransom International for optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installing the grip inserts.
- Align the grip inserts with the grip of your firearm, ensuring a snug fit.
- Secure the inserts according to the manufacturer's instructions, ensuring they are properly seated.

2. Usage:

- When using the Ransom Rest, ensure that the grip inserts are in place and functioning correctly.
- Observe the machine's response during operation. The inserts should absorb recoil effectively.
- Avoid using the machine with hard or improperly fitted inserts to prevent damage to your firearm.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For further support or inquiries regarding the GRIP INSERTS RANSOM GRIP INSERTS, please refer to the manufacturer's contact information provided with your product.

This guide serves to ensure the safe use of the GRIP INSERTS RANSOM GRIP INSERTS and to protect consumers in compliance with the EU GPSR. Your safety is our priority; please follow these instructions carefully.

Guida alle Istruzioni di Sicurezza per i Grip Inserts Ransom

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts Ransom. Questo documento è stato creato per garantire un uso sicuro e responsabile del prodotto, rispettando le normative europee sulla sicurezza dei prodotti. È importante seguire attentamente queste istruzioni per evitare danni all'arma e garantire la tua sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo con armi compatibili.
- Leggi tutte le istruzioni e le avvertenze prima dell'uso.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Conserva il prodotto in un luogo sicuro, lontano dalla portata di bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- I Grip Inserts Ransom sono progettati per assorbire vibrazioni e rinculo. Assicurati di installarli correttamente per massimizzare la loro efficacia.
- Non tentare di modificare o riparare gli inserti. Utilizza solo parti originali fornite dal produttore.
- Evita di utilizzare l'arma in condizioni climatiche estreme, poiché ciò potrebbe influenzare le prestazioni degli inserti.
- Non utilizzare gli inserti per scopi diversi da quelli previsti.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in sicurezza prima di procedere all'installazione.
2. **Installazione:**
 - Rimuovi eventuali grip inserts precedenti.
 - Posiziona i Grip Inserts Ransom nel punto designato sul Master Series Ransom Rest.
 - Assicurati che gli inserti siano ben fissati e che non ci siano spazi vuoti.
3. **Utilizzo:**
 - Posiziona l'arma sul Ransom Rest con i Grip Inserts installati.
 - Esegui il tiro seguendo le tecniche di sicurezza standard per l'uso delle armi.
 - Monitora le prestazioni e la stabilità dell'arma durante l'uso.

Istruzioni per il Disposizione

- Non gettare gli inserti nel normale spazzatura. Segui le normative locali per la raccolta e il riciclaggio dei materiali plastici.
- Se il prodotto è danneggiato o non utilizzabile, contatta il produttore per informazioni sulla corretta eliminazione.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, suggerimenti sull'uso e richieste di assistenza, ti invitiamo a contattare il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti quando richiedi assistenza.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un uso sicuro e efficace dei Grip Inserts Ransom. La tua sicurezza e quella degli altri è la nostra priorità. Se hai domande o dubbi, non esitare a contattare il produttore per ulteriori chiarimenti.
