

GRIP INSERTS - RANSOM GRIP INSERTS FOR BROWNING BUCKMARK

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BROWNING BUCKMARK
- Manufacturer: RANSOM
- Product no.: 430119315
- Mfr. No.: 30-300-05-04
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580413

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BROWNING BUCKMARK

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Anleitung soll dir helfen, die Sicherheit und die optimale Nutzung der Produkte zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um mögliche Risiken zu vermeiden und die bestmögliche Leistung zu erzielen.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um sicherzustellen, dass sie sicher sind.
- **Erweiterte Rückrufe:** Achte auf Rückrufmeldungen, die möglicherweise für dieses Produkt relevant sind. Diese Informationen sind wichtig, um die Sicherheit zu gewährleisten.
- **OnlineEinkauf:** Wenn du die Inserts online kaufst, achte darauf, dass der Anbieter die gleichen Sicherheitsstandards wie physische Geschäfte einhält.
- **Besondere Verbraucherfokus:** Sei besonders vorsichtig, wenn du das Produkt in der Nähe von Kindern verwendest.
- **EUKontaktpunkt:** Bei Sicherheitsanfragen solltest du dich an die zuständige Stelle in der EU wenden.
- **Schnelle Warnungen:** Informiere dich regelmäßig über unsichere Produkte über das Sicherheitssystem der EU.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Griffeinsätze:** Verwende keine harten oder 3Dgedruckten Einsätze, da diese deinem Gewehr schaden können.
- **Achte auf Rückstoß:** Harte Einsätze erzeugen Rückstoßenergie, die schädlich für dein Gewehr sein kann.
- **Testbedingungen:** Achte darauf, dass die Tests unter Bedingungen durchgeführt werden, die dem menschlichen Rückstoß entsprechen.
- **Vorsicht bei der Montage:** Stelle sicher, dass die Inserts korrekt installiert sind, um Schäden zu vermeiden.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Überprüfe das Produkt auf Beschädigungen, bevor du es verwendest.
- Stelle sicher, dass du alle Teile hast, die für die Installation benötigt werden.

2. Installation:

- Entferne die alten Griffeinsätze, falls vorhanden.
- Setze die GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Überprüfe die Passform und stelle sicher, dass die Inserts fest sitzen.

3. Nutzung:

- Nutze die Inserts während des Schießens, um die Vibrationen und den Rückstoß zu absorbieren.
- Achte darauf, dass du die Maschinensteuerung nicht überlastest.

4. Nach der Nutzung:

- Reinige die Inserts nach jedem Gebrauch, um ihre Lebensdauer zu verlängern.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.

Entsorgungsanweisungen

- Entsorge die GRIP INSERTS gemäß den örtlichen Vorschriften für Elektroschrott oder Kunststoffe.
- Stelle sicher, dass alle Teile umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der GRIP INSERTS wende dich bitte an den zuständigen Ansprechpartner in der EU.

Bitte beachte, dass die Sicherheit deiner Ausrüstung und die ordnungsgemäße Nutzung der Inserts von größter Bedeutung sind. Folge diesen Anweisungen, um mögliche Gefahren zu vermeiden und die Leistung deiner Ausrüstung zu optimieren.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BROWNING BUCKMARK

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Browning Buckmark. These grip inserts are designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing grip inserts.
- Use only the specified grip inserts with the Ransom Rest to avoid potential damage to your firearm.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may cause damage and unsafe conditions.
- Familiarize yourself with the operation of your firearm and the Ransom Rest before use.
- Regularly inspect your grip inserts for wear and tear. Replace them if they show signs of damage.
- Keep the grip inserts and firearm out of the reach of children and unauthorized users.

Specific Safety Precautions for Use

- Avoid using hard or 3Dprinted inserts, as they do not replicate humanlike recoil and can lead to inaccurate test results.
- Understand that vibration and recoil cannot be eliminated but can be controlled. The grip inserts are designed to absorb these forces.
- Be aware that using inappropriate inserts can lead to decreased lifespan of your firearm and potential injury.
- Ensure that the grip inserts are securely installed before conducting any tests or shooting activities.
- Always wear appropriate safety gear, such as eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the firearm is unloaded.
- Remove any existing grip inserts from the Ransom Rest.
- Align the new grip insert with the designated slot on the Ransom Rest.
- Press firmly to secure the grip insert in place.
- Verify that the grip insert is firmly attached before proceeding.

2. Usage of Grip Inserts:

- Place your firearm in the Ransom Rest with the installed grip inserts.
- Adjust the Ransom Rest to ensure proper alignment with the target.
- Conduct your shooting tests while ensuring that the firearm remains securely positioned in the Ransom Rest.
- Monitor the performance of the grip inserts during use, and replace them if you notice any deterioration.

3. PostUsage Care:

- After use, carefully remove the grip inserts from the Ransom Rest.
- Clean the grip inserts according to the manufacturer's recommendations.
- Store the grip inserts in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom Grip Inserts, please refer to the EU contact point or the manufacturer's website.

By following these safety guidelines, you can ensure a safer shooting experience while maximizing the performance of your Browning Buckmark with Ransom Grip Inserts. Thank you for your attention to safety, and enjoy your shooting experience!

Guida alla Sicurezza per l'Uso degli Grip Inserts RANSOM per Browning Buckmark

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Browning Buckmark. Questo prodotto è progettato per migliorare la tua esperienza di tiro, ma è fondamentale seguire le istruzioni di sicurezza per garantire un utilizzo sicuro ed efficace. Questa guida fornisce informazioni importanti sulla sicurezza, precauzioni specifiche e istruzioni per l'installazione e l'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare esclusivamente i Grip Inserts RANSOM progettati per il tuo Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo equipaggiamento per segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.
- In caso di dubbi o domande, contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Non utilizzare grip inserts rigidi:** Gli inserts rigidi possono causare danni all'arma e generare vibrazioni pericolose.
- **Controlla l'installazione:** Assicurati che gli inserts siano installati correttamente prima di utilizzare l'arma.
- **Evita l'uso in condizioni estreme:** Non utilizzare gli inserts in condizioni meteorologiche avverse o in situazioni di alta pressione.
- **Monitorare l'uso:** Fai attenzione a eventuali cambiamenti nel comportamento dell'arma durante l'uso, che potrebbero indicare un problema.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
- Raccogli tutti gli strumenti necessari per l'installazione.

2. Installazione:

- Rimuovi eventuali grip inserts precedenti.
- Posiziona i Grip Inserts RANSOM nel Master Series Ransom Rest seguendo le istruzioni specifiche del produttore.
- Verifica che gli inserts siano ben fissati e che non ci siano spazi vuoti.

3. Uso:

- Posiziona l'arma sul Ransom Rest con i Grip Inserts installati.
- Assicurati che l'arma sia in una posizione stabile prima di iniziare a tirare.
- Monitora attentamente il comportamento dell'arma durante l'uso e interrompi immediatamente se noti vibrazioni anomale o altri problemi.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali usati.
- Non gettare i Grip Inserts RANSOM nel normale spazzatura domestica. Contatta un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande relative alla sicurezza o all'uso del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano.

Conclusione

L'uso sicuro dei Grip Inserts RANSOM per il tuo Browning Buckmark è fondamentale per garantire la tua sicurezza e il corretto funzionamento dell'arma. Seguendo queste linee guida e precauzioni, puoi godere di un'esperienza di tiro migliore e più sicura.
