

GRIP INSERTS - RANSOM GRIP INSERTS FOR BROWNING MEDALIST/FN 150

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BROWNING MEDALIST/FN 150
- Manufacturer: RANSOM
- Product no.: 430119317
- Mfr. No.: 30-300-05-05
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580444

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BROWNING MEDALIST/FN 150

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die Browning Medalist/FN 150 entwickelt wurden. Diese Anleitung soll dir helfen, die Produkte sicher und effektiv zu verwenden, um die bestmögliche Leistung zu gewährleisten und Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um Verletzungen oder Schäden zu vermeiden.
- Überprüfe regelmäßig den Zustand der Einsätze und ersetze sie bei Anzeichen von Abnutzung oder Beschädigung.
- Halte die GRIP INSERTS von Kindern und unbefugten Personen fern.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten oder 3Dgedruckten GriffEinsätzen, da diese dem Gewehr schaden können.
- Achte darauf, dass die GRIP INSERTS ordnungsgemäß in den Ransom Rest eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- Halte die Einsätze sauber und frei von Schmutz oder Ablagerungen, um ihre Funktionalität zu erhalten.
- Verwende die Einsätze nur mit dem vorgesehenen Gewehrmodell, um Sicherheitsrisiken zu minimieren.

Anweisungen für Installation und Verwendung

• Installation:

1. Stelle sicher, dass der Ransom Rest und das Gewehr sicher und stabil auf einer ebenen Fläche stehen.
2. Entferne die alten GriffEinsätze, falls vorhanden.
3. Setze die neuen RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
4. Überprüfe, ob die Einsätze fest sitzen und keine Bewegungen aufweisen.

• Verwendung:

1. Stelle sicher, dass das Gewehr korrekt im Ransom Rest positioniert ist.
2. Nimm die Schussabgabe vor und achte darauf, dass die Einsätze die Rückstoßenergie absorbieren.
3. Überprüfe nach jedem Schuss die Einsätze auf Abnutzung oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Einsätze nicht in die Umwelt gelangen und sicher entsorgt werden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder für weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler.

Abschluss

Die RANSOM GRIP INSERTS sind eine hervorragende Wahl, um die Leistung deines Browning Medalist/FN 150 zu optimieren. Durch die Einhaltung dieser Sicherheitshinweise kannst du sicherstellen, dass du die besten Ergebnisse erzielst und gleichzeitig die Sicherheit gewährleistest.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BROWNING

MEDALIST/FN 150

Introduction

Thank you for choosing Ransom International Grip Inserts for your Browning Medalist/FN 150. These grip inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. It is crucial to follow safety guidelines to ensure safe and effective use of this product. This guide provides essential safety information, installation instructions, and disposal guidelines.

General Safety Guidelines

- Ensure the grip inserts are suitable for your specific firearm model.
- Always handle firearms with care and follow standard safety protocols.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Regularly inspect the grip inserts for wear and tear.
- Store your grip inserts in a dry and safe place when not in use.
- Report any unsafe product incidents to your local authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage the gun. They do not replicate humanlike recoil, leading to flawed test results.
- **Monitor for Damage:** Damage may not be immediately visible but can accumulate over time. A hard insert can decrease the life of your barrel and gun.
- **Use Only Recommended Inserts:** Only use Ransom International Grip Inserts designed for your firearm to ensure proper function and safety.
- **Be Cautious During Testing:** When conducting destructive or accuracy testing, ensure that the grip inserts are mimicking humanlike reactions to avoid flawed results.
- **Educate Yourself:** Familiarize yourself with the proper use of grip inserts to prevent accidents or injuries.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe state before installation.
- Gather all necessary tools and materials.

2. Installation:

- Remove any existing grip inserts from your firearm.
- Clean the grip area of the firearm to ensure a secure fit.
- Align the Ransom grip inserts with the grip area and press them firmly into place.
- Ensure that the inserts fit snugly and securely without any gaps.

3. Usage:

- When using the firearm with the grip inserts, maintain a firm grip to ensure stability.
- Monitor the performance of the grip inserts during use to ensure they are functioning correctly.
- After use, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw inserts in regular household waste; check for recycling options.
- If unsure about disposal methods, consult local waste management authorities.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of Ransom International Grip Inserts, please consult your local dealer or authorized distributor. They can provide guidance and assistance tailored to your needs.

By following these safety guidelines and instructions, you can enjoy a safe and effective shooting experience with your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting practices.

Guida alla Sicurezza per i Grip Inserts RANSOM per Browning Medalist/FN 150

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts RANSOM progettati per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti per garantire un uso sicuro e efficace del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM, poiché altri inserti rigidi o stampati in 3D possono danneggiare l'arma.
- Segui sempre le istruzioni di installazione e utilizzo per evitare incidenti.
- Tieni il prodotto lontano dalla portata dei bambini e di gruppi vulnerabili.
- In caso di problemi o dubbi sulla sicurezza, contatta immediatamente un esperto o il supporto tecnico.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o in plastica stampata in 3D.
- Assicurati che l'inserto sia compatibile con il tuo Ransom Rest.
- Controlla regolarmente l'integrità dell'inserto per segni di usura o danni.
- Evita di utilizzare il prodotto in condizioni meteorologiche avverse che potrebbero influenzare le prestazioni.
- Non forzare l'inserto in posizioni non previste, poiché ciò potrebbe causare danni all'arma o all'inserto stesso.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti precedenti o componenti dal Ransom Rest.
- Posiziona il Grip Insert RANSOM nel supporto, assicurandoti che sia ben fissato.
- Verifica che l'inserto sia allineato correttamente prima di procedere.

2. Uso:

- Posiziona l'arma sul Ransom Rest con il Grip Insert installato.
- Effettua un controllo visivo per assicurarti che l'arma sia stabile e sicura.
- Esegui il tiro seguendo le pratiche di sicurezza standard per l'uso delle armi da fuoco.
- Monitora le prestazioni del Grip Insert durante l'uso e fai attenzione a qualsiasi vibrazione o movimento anomalo.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali plastici e degli inserti.
- Non gettare il prodotto nell'ambiente; assicurati di smaltirlo in modo responsabile.
- Contatta un centro di raccolta o un servizio di smaltimento per ulteriori istruzioni.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza dei Grip Inserts RANSOM, ti invitiamo a

contattare un esperto del settore o il supporto tecnico del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza adeguata.

Conclusione

La sicurezza è fondamentale quando si utilizza un prodotto come i Grip Inserts RANSOM. Segui sempre le linee guida e le istruzioni fornite in questa guida per garantire un'esperienza di tiro sicura e di successo. Ricorda che la prevenzione è la chiave per evitare danni all'arma e per garantire la sicurezza dell'utente.
