

GRIP INSERTS - RANSOM GRIP INSERTS FOR COLT D/32 NP/38 SF-VI/AGENT/COBRA/COMMANDO

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR COLT D/32 NP/38 SF-VI/AGENT/COBRA/COMMANDO
- Manufacturer: RANSOM
- Product no.: 430119318
- Mfr. No.: 30-300-07-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580574

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für Colt D/32 NP/38 SFVI/Agent/Cobra/Commando. Diese GriffEinsätze sind speziell entwickelt worden, um die Sicherheit und Leistung deiner Waffe zu verbessern. Bitte lese diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GriffEinsätze nur gemäß den Anweisungen verwendest.
- Halte die GriffEinsätze von Kindern und anderen unbefugten Personen fern.
- Überprüfe regelmäßig den Zustand der GriffEinsätze auf Risse oder Abnutzung.
- Verwende die GriffEinsätze nicht, wenn sie beschädigt sind.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety GatePlattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten GriffEinsätze oder 3Dgedruckten KunststoffgriffEinsätze, da diese deiner Waffe schaden können.
- Achte darauf, dass die GriffEinsätze richtig installiert sind, bevor du die Waffe benutzt.
- Vermeide es, die Waffe mit einer falschen Technik zu bedienen, um Verletzungen zu vermeiden.
- Halte beim Schießen immer eine sichere Handhabung der Waffe ein.
- Sei dir bewusst, dass der Rückstoß beim Schießen stark sein kann; die Ransom GriffEinsätze sind darauf ausgelegt, diesen Rückstoß zu absorbieren.

Anweisungen zur Installation und Nutzung

1. Installation der GriffEinsätze:

- Entferne die alten GriffEinsätze von deiner Waffe.
- Reinige die Oberfläche, auf der die neuen Einsätze montiert werden.
- Setze die Ransom GriffEinsätze vorsichtig in die vorgesehenen Bereiche ein.
- Stelle sicher, dass die Einsätze fest sitzen und keine Lücken aufweisen.

2. Verwendung der GriffEinsätze:

- Halte die Waffe mit beiden Händen und achte darauf, dass deine Finger von der Abzugseinheit ferngehalten werden, bis du bereit bist zu schießen.
- Achte darauf, dass du die Waffe in einem sicheren Bereich abfeuerst, fern von Menschen und Tieren.
- Nach dem Schuss überprüfe die GriffEinsätze auf sichtbare Schäden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GriffEinsätze gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass du die Einsätze nicht einfach in den Müll wirfst, sondern sie umweltgerecht entsorgst.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Bedenken zu den GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, deine Sicherheit zu gewährleisten und die Lebensdauer deiner Waffe zu verlängern. Die ordnungsgemäße Verwendung und Pflege der Ransom GriffEinsätze sind entscheidend für die Sicherheit und Leistung beim Schießen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Colt D/32 NP/38 SFVI/Agent/Cobra/Commando. This guide provides essential safety information to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest.
- Be aware that hard inserts can damage your firearm by generating destructive recoil energy.
- Understand that improper use may lead to inaccurate test results and potential injury.
- Always follow the manufacturer's guidelines for safe handling and operation.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts as they do not replicate humanlike recoil and can cause damage to your firearm.
- **Vibration and Recoil:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. The inserts are designed to absorb these forces.
- **Potential Damage:** Be aware that using hard inserts can decrease the life of your firearm and may lead to injury or death if failure occurs.
- **Testing Accuracy:** Ensure that testing mimics human handling to produce valid results. Using hard inserts can compromise the integrity of your tests.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Carefully remove any existing grip inserts from your firearm.
- Align the Ransom grip inserts with the grip area of the firearm.
- Securely attach the inserts following the manufacturer's instructions.

2. Usage with Ransom Rest:

- Place the firearm with the installed grip inserts on the Master Series Ransom Rest.
- Ensure the machine is in a stable position before firing.
- Monitor the firearm during use for any signs of malfunction or unusual behavior.

3. Maintenance:

- Regularly inspect the grip inserts for wear and tear.
- Replace any damaged inserts immediately to ensure continued safety and performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste. Instead, consult your local waste management authority for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further information regarding the product, please refer to the manufacturer's contact resources.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Ransom International Grip Inserts. Remember that safety is paramount when handling firearms. Always stay informed and cautious to protect yourself and others.

Istruzioni di Sicurezza per l'Utilizzo degli Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare la precisione e la sicurezza durante l'uso della tua arma. È fondamentale seguire queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM esclusivamente con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare la tua arma.
- Controlla regolarmente il tuo Grip Insert per segni di usura o danni.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano da fonti di calore e umidità.
- Segui sempre le istruzioni del produttore per l'uso del tuo Ransom Rest.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Progettazione Ergonomica:** Gli inserts sono progettati per adattarsi al durometro della mano umana, assicurando un assorbimento efficace delle forze di rinculo.
- **Assorbimento dell'Energia:** Gli inserts assorbono i primi millisecondi di scossa, riducendo il rischio di danni all'arma.
- **Controllo delle Vibrazioni:** Gli inserts funzionano come una mano umana, assorbendo le forze e non trasferendole nell'arma.
- **Durabilità:** L'uso di grip inserts rigidi può compromettere la vita della canna e dell'arma, aumentando il rischio di infortuni.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e piana.
- Rimuovi eventuali grip inserts esistenti dal Ransom Rest.
- Inserisci i Grip Inserts RANSOM seguendo le istruzioni specifiche per il tuo modello.
- Verifica che gli inserts siano saldamente fissati prima di procedere.

2. Uso:

- Posiziona l'arma nel Ransom Rest con attenzione, assicurandoti che sia ben allineata.
- Esegui il tuo tiro seguendo le procedure di sicurezza standard per l'uso delle armi.
- Monitora costantemente il comportamento dell'arma durante il tiro per eventuali segni di malfunzionamento.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nell'ambiente. Segui le normative locali per lo smaltimento dei rifiuti.
- Contatta un centro di raccolta autorizzato per la corretta gestione dei materiali.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o informazioni sulla sicurezza, ti invitiamo a contattare il produttore o il rivenditore

autorizzato. Assicurati di avere a disposizione il numero di modello e la data di acquisto.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un uso sicuro e efficace dei Grip Inserts RANSOM. La tua sicurezza e quella degli altri è la nostra priorità. Grazie per aver scelto i nostri prodotti e per il tuo impegno nella sicurezza.
