

GRIP INSERTS - RANSOM GRIP INSERTS CIMARRON/COLT FRONTIER/RUGER BH/UBERTI COWBOY

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS CIMARRON/COLT FRONTIER/RUGER BH/UBERTI COWBOY
- Manufacturer: RANSOM
- Product no.: 430119321
- Mfr. No.: 30-300-07-04
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580598

Item details

Made in USA

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS. Diese Inserts sind speziell für deine Schusswaffe entwickelt worden, um eine sichere und effektive Nutzung zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und korrekt verwendest.

Allgemeine Sicherheitshinweise

- Verwende die GRIP INSERTS nur wie in dieser Anleitung beschrieben.
- Halte die Inserts von Kindern und unbefugten Personen fern.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese deine Waffe schädigen können.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Harte Inserts erzeugen schädliche Rückstoßenergie, die die Waffe beschädigen kann.
- Die GRIP INSERTS sind so konzipiert, dass sie dem Durometer der menschlichen Hand entsprechen und Vibrationen sowie Rückstoß absorbieren.
- Achte darauf, dass die Inserts korrekt installiert sind, um maximale Sicherheit zu gewährleisten.
- Bei der Verwendung der Inserts solltest du sicherstellen, dass die Waffe auf einer stabilen und sicheren Unterlage platziert ist.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
- Entferne die vorhandenen Inserts gemäß den Anweisungen des Herstellers.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Halte die Waffe mit beiden Händen und achte darauf, dass dein Griff stabil ist.
- Feuere die Waffe nur, wenn du sicher bist, dass sie in einem sicheren Zustand ist.
- Achte darauf, dass du beim Schießen in einem geeigneten Bereich bist, der für das Schießen zugelassen ist.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass alle Teile sicher entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den GRIP INSERTS kannst du dich an den Hersteller wenden.

Achte darauf, dass du alle Sicherheitsvorkehrungen befolgst und die Inserts gemäß den Anweisungen verwendest, um die Sicherheit während der Nutzung zu gewährleisten.

Bitte beachte, dass die Einhaltung dieser Sicherheitsrichtlinien nicht nur deine Sicherheit, sondern auch die Sicherheit anderer gewährleistet. Vielen Dank für deine Aufmerksamkeit und sichere Nutzung der GRIP INSERTS!

GRIP INSERTS RANSOM GRIP INSERTS CIMARRON/COLT FRONTIER/RUGER BH/UBERTI COWBOY Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These inserts are designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. This guide provides essential safety instructions and usage guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the grip inserts.
- Use only the Ransom International Grip Inserts specifically designed for your firearm model.
- Regularly inspect the grip inserts for wear and damage. Replace them if any signs of deterioration are evident.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can cause damage to your firearm and lead to unsafe conditions.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not replicate humanlike recoil and can lead to invalid test results.
- **Recoil Absorption:** The Ransom inserts are engineered to absorb recoil and vibration, mimicking the human hand. This design helps to prevent damage to the firearm.
- **Potential Hazards:** Using inappropriate inserts can lead to:
 - Decreased barrel life.
 - Increased risk of injury or death due to firearm malfunction.
 - Invalid test data which can mislead users regarding firearm performance.
- **Caution:** Many users have experienced issues by using hard or 3Dprinted inserts. Always adhere to the recommended products to ensure safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots on the Ransom Rest.
- Securely fasten the inserts according to the manufacturer's instructions, ensuring they are properly seated.

2. Usage:

- Place your firearm in the Ransom Rest with the installed grip inserts.
- Conduct your shooting tests while monitoring the performance of both the firearm and the inserts.
- After each shooting session, inspect the grip inserts for any signs of wear or damage.
- If any issues are detected, remove the inserts and replace them with new ones.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they contain hazardous materials. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective shooting experience with your Ransom International Grip Inserts. Always prioritize safety and proper usage to maintain the integrity of your firearm and the wellbeing of yourself and others.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per migliorare la tua esperienza di tiro. Questo manuale fornisce importanti informazioni sulla sicurezza e sull'uso corretto dei Grip Inserts, garantendo che tu possa utilizzare il prodotto in modo sicuro e efficace. Ti invitiamo a leggere attentamente queste istruzioni per evitare rischi e garantire prestazioni ottimali.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare la tua arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Controlla regolarmente il tuo Grip Insert per eventuali segni di usura o danni.
- Non utilizzare il prodotto se noti danni visibili o anomalie.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti rigidi possono causare danni alla tua arma a causa delle forze di rinculo e vibrazione.
- Ogni azione ha una reazione; le forze di rinculo devono essere controllate per evitare danni.
- Non tentare di modificare o riparare i Grip Inserts RANSOM in modo non autorizzato.
- Utilizza i Grip Inserts solo in condizioni di tiro controllate e sicure.
- Mantieni i Grip Inserts lontano dalla portata dei bambini e di persone vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che l'arma sia scarica e in una posizione sicura prima di procedere.
- Rimuovi eventuali grip inserts esistenti seguendo le istruzioni del produttore.
- Posiziona il Grip Insert RANSOM nella posizione corretta, assicurandoti che sia ben fissato.
- Controlla che non ci siano spazi o movimenti indesiderati.

2. Uso:

- Utilizza il Grip Insert RANSOM durante le sessioni di tiro per ottenere risultati precisi.
- Monitora le prestazioni e l'integrità del Grip Insert durante l'uso.
- In caso di vibrazioni eccessive o di problemi di prestazione, interrompi immediatamente l'uso e controlla il Grip Insert.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento di prodotti di shooting e accessori.
- Non gettare i Grip Inserts RANSOM nell'ambiente; smaltiscili in modo responsabile.
- Se il prodotto è danneggiato e non può essere utilizzato, assicurati di smaltirlo in modo sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sui Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o il

produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per facilitare la comunicazione.

Conclusione

L'uso corretto e sicuro dei Grip Inserts RANSOM è fondamentale per garantire prestazioni ottimali e la sicurezza dell'utente. Seguendo queste istruzioni e linee guida, puoi godere di un'esperienza di tiro migliorata senza compromettere la tua sicurezza o quella della tua arma. Fai attenzione e pratica sempre misure di sicurezza adeguate.
