

GRIP INSERTS - RANSOM GRIP INSERTS COLT G,K,Q FRAME/FRONTIER SCOUT/NEW FRNTR SCOUT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS COLT G,K,Q FRAME/FRONTIER SCOUT/NEW FRNTR SCOUT
- Manufacturer: RANSOM
- Product no.: 430119323
- Mfr. No.: 30-300-07-05
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580604

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS COLT G,K,Q FRAME/FRONTIER SCOUT/NEW FRNTR SCOUT

Einführung

Herzlichen Glückwunsch zu deinem Kauf der Ransom Grip Inserts! Diese Inserts sind speziell entwickelt worden, um die Leistung deines Ransom Rests zu optimieren und gleichzeitig die Sicherheit deines Gewehrs zu gewährleisten. Bitte nimm dir einen Moment Zeit, um die folgenden Sicherheitshinweise und Anweisungen sorgfältig zu lesen.

Allgemeine Sicherheitsrichtlinien

- **Produktverwendung:** Stelle sicher, dass du die Inserts nur für die vorgesehenen Gewehre verwendest.
- **Aufbewahrung:** Halte die Inserts außerhalb der Reichweite von Kindern und Haustieren.
- **Regelmäßige Überprüfung:** Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- **Vermeide harte Inserts:** Harte oder 3Dgedruckte Inserts können deinem Gewehr schaden und gefährliche Rückstoßenergie erzeugen.
- **Verstehe die Risiken:** Harte Inserts können die Lebensdauer deines Gewehrs verringern und Verletzungen verursachen.
- **Nachahmung des menschlichen Verhaltens:** Bei Tests musst du das Rückstoßverhalten eines Menschen nachahmen, um zuverlässige Ergebnisse zu erzielen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Ransom Rest sauber und in gutem Zustand ist.
- Überprüfe, ob die Inserts für dein spezifisches Gewehrmodell geeignet sind.

2. Installation:

- Entferne alle alten Inserts.
- Setze die neuen Ransom Grip Inserts vorsichtig ein, bis sie fest sitzen.
- Überprüfe, ob die Inserts korrekt installiert sind und keine Lücken aufweisen.

3. Nutzung:

- Verwende die Inserts nur in Verbindung mit dem Ransom Rest.
- Achte darauf, dass die Inserts während des Schießens nicht beschädigt werden.
- Halte die Inserts und den Ransom Rest nach jedem Gebrauch sauber.

Entsorgungsanweisungen

- **Umweltgerechte Entsorgung:** Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- **Recycling:** Informiere dich über Recyclingmöglichkeiten in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu deinem Produkt, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt gekauft hast.

Schlussfolgerung

Die Ransom Grip Inserts bieten eine hervorragende Möglichkeit, die Leistung deines Gewehrs zu verbessern. Durch die Beachtung dieser Sicherheitshinweise kannst du sicherstellen, dass du das Beste aus deinem Produkt herausholst, während du gleichzeitig die Sicherheit und Funktionsfähigkeit deines Gewehrs gewährleistest.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS COLT G,K,Q FRAME/FRONTIER SCOUT/NEW FRNTR SCOUT

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety of both the user and the firearm. This guide provides essential safety information, usage instructions, and precautions to help you use the product safely and effectively.

General Safety Guidelines

- Always use the grip inserts as intended and according to the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest, as they may cause damage to the firearm.
- Be aware of the risks associated with improper use, including potential injury or damage to the firearm.
- Regularly check for any updates or recalls related to the product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard grip inserts can generate destructive recoil energy that damages the gun. They fail to replicate humanlike recoil, leading to invalid test data.
- **Absorption of Recoil:** The grip inserts are specifically designed to absorb the initial vibrations and recoil forces, preventing them from being transferred to the firearm.
- **Damage Accumulation:** Damage from hard inserts may not be immediately visible but can accumulate over time, reducing the lifespan of the barrel and firearm.
- **Testing Accuracy:** For accurate testing results, always use inserts that mimic humanlike grip and recoil absorption.
- **Vulnerable Users:** Ensure that children or inexperienced users are supervised when handling firearms and associated equipment.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that your Ransom Rest is in a stable position before beginning the installation.
- Carefully remove any existing inserts and clean the insert area to ensure proper fit.
- Insert the Ransom Grip Inserts into the designated slots, ensuring they are securely positioned.
- Doublecheck that the inserts are installed correctly before using the Ransom Rest.

2. Using the Ransom Rest with Grip Inserts:

- Place the firearm into the Ransom Rest, ensuring it is properly secured.
- Conduct test shots while monitoring the performance of the grip inserts.
- Avoid using the Ransom Rest for testing with hard or 3Dprinted inserts, as this will invalidate your results.
- After use, remove the firearm and inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste. Instead, consider recycling options or designated disposal facilities for plastic materials.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Ransom Grip Inserts, please refer to the manufacturer's website or contact their support team directly for assistance.

Thank you for prioritizing safety and making informed choices while using Ransom International Grip Inserts. Your safety is our top priority.

ISTRUZIONI PER LA SICUREZZA DEGLI INSERTI GRIP RANSOM

Introduzione

Benvenuto nella guida di sicurezza per gli Inserti Grip Ransom. Questa guida è progettata per garantire un uso sicuro e ottimale dei Grip Inserts Ransom, migliorando la tua esperienza di tiro. È importante seguire attentamente queste istruzioni per evitare danni all'arma e garantire la tua sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti Grip Ransom progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o grip inserts stampati in 3D. Questi possono danneggiare l'arma e causare incidenti.
- Verifica periodicamente il tuo Ransom Rest e gli inserti per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti grip Ransom se noti crepe, deformazioni o altri danni.
- Evita di utilizzare grip inserts non originali o di dubbia provenienza.
- Durante l'uso, mantieni una distanza di sicurezza da altri tiratori e osservatori.
- Non tentare di riparare o modificare gli inserti grip Ransom. In caso di problemi, contatta un esperto.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Pulisci l'area di installazione per rimuovere polvere e detriti.
- Inserisci gli Inserti Grip Ransom nel Ransom Rest seguendo le indicazioni del produttore.
- Assicurati che gli inserti siano ben fissati e non si muovano.

2. Uso:

- Posiziona l'arma nel Ransom Rest con gli inserti già installati.
- Effettua un controllo visivo per assicurarti che l'arma sia stabile e correttamente allineata.
- Inizia a sparare seguendo le pratiche di tiro sicure e responsabili.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura domestica. Contatta il tuo comune per informazioni sul corretto smaltimento.
- Se gli inserti sono danneggiati, assicurati di smaltirli in modo sicuro per evitare che possano causare danni o incidenti.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza degli Inserti Grip Ransom, ti invitiamo a contattare il produttore o il rivenditore autorizzato. Assicurati di avere il numero di modello e altri dettagli pertinenti a portata di mano.

quando richiedi assistenza.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste linee guida, puoi garantire un uso sicuro e efficace degli Inserti Grip Ransom, migliorando la tua esperienza di tiro e proteggendo te stesso e gli altri. Se hai domande o preoccupazioni, non esitare a cercare assistenza professionale.
