

GRIP INSERTS - RANSOM GRIP INSERTS CZ SHADOW 2, 75 TACT SPORT TS2/LAUGO ARMS ALIEN

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS CZ SHADOW 2, 75 TACT SPORT TS2/LAUGO ARMS ALIEN
- Manufacturer: RANSOM
- Product no.: 430119329
- Mfr. No.: 30-300-08-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580727

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS. Diese Inserts sind speziell entwickelt, um die Schussgenauigkeit deines Master Series Ransom Rest zu optimieren. Es ist wichtig, diese Hinweise zu befolgen, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Halte das Produkt außerhalb der Reichweite von Kindern.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Harte Inserts können destruktive Rückstoßenergie erzeugen, die das Gewehr beschädigen kann.
- Achte darauf, dass die RANSOM GRIP INSERTS korrekt in deinem Ransom Rest installiert sind.
- Bei Anzeichen von Beschädigung oder Verschleiß solltest du die Inserts sofort ersetzen.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts aus deinem Ransom Rest.
- Setze die RANSOM GRIP INSERTS sorgfältig an die vorgesehenen Stellen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken vorhanden sind.

2. Nutzung:

- Positioniere dein Gewehr sicher auf dem Ransom Rest.
- Achte darauf, dass die Inserts die Vibrationen und Rückstoßenergie korrekt absorbieren.
- Führe deine Schüsse wie gewohnt durch, während du die Stabilität des Ransom Rest im Auge behältst.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Vermeide es, die Inserts im normalen Hausmüll zu entsorgen, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder deinen Händler. Es ist wichtig, alle Sicherheitsanfragen über die entsprechenden Kanäle zu klären.

Wichtiger Hinweis

Die Schäden, die durch die Verwendung harter Inserts entstehen, sind nicht sofort sichtbar. Sie sammeln sich jedoch mit jedem Schuss und können die Lebensdauer deines Gewehrs verringern. Achte darauf, den menschlichen Rückstoß realistisch nachzuahmen, um fehlerhafte Testergebnisse zu vermeiden.

Achtung: Verwende keine harten oder 3Dgedruckten Inserts. Viele haben es versucht und haben auf die harte Tour gelernt!

Bleibe sicher und genieße das Schießen mit den RANSOM GRIP INSERTS!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS CZ SHADOW 2, 75 TACT SPORT TS2/LAUGO ARMS ALIEN

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- For vulnerable groups, such as children, take extra precautions to ensure their safety.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Remember that vibration and recoil cannot be stopped; they can only be controlled. Using inappropriate inserts may lead to uncontrolled recoil.
- **Potential Damage:** Hard inserts can decrease the life of your barrel and firearm and may pose a risk of injury or death.
- **Mimic Human Recoil:** Ensure that any testing you conduct mimics humanlike recoil for accurate results. Using hard or improperly designed inserts will lead to flawed test outcomes.
- **Inspect Regularly:** Regularly inspect your grip inserts for wear and tear to ensure they are functioning correctly.

Instructions for Installation and Usage

1. Installation:

- Carefully remove your existing grip inserts from the Ransom Rest.
- Align the new Ransom grip inserts with the designated slots in the Ransom Rest.
- Gently press the inserts into place until they are securely fitted.

2. Usage:

- Ensure that the Ransom Rest is placed on a stable and level surface before use.
- Load your firearm according to the manufacturer's instructions.
- Always check that the grip inserts are properly installed before conducting any testing.
- During testing, observe the behavior of the firearm and the Ransom Rest. If you notice excessive vibration or recoil, stop immediately and inspect the grip inserts.

3. PostUse Care:

- After use, clean the grip inserts and the Ransom Rest to remove any debris or residue.
- Store the Ransom Rest and grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations for plastic and electronic waste.
- Do not dispose of the grip inserts in regular household waste.
- Check with your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of your Ransom grip inserts, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have the model number and purchase details ready for assistance.

By following these safety instructions, you can ensure the effective and safe use of your Ransom International Grip Inserts. Thank you for your attention to these important guidelines.

Guida alla Sicurezza per l'Utilizzo degli GRIP INSERTS Ransom

Introduzione

Benvenuto nella guida alla sicurezza per l'utilizzo degli GRIP INSERTS Ransom per il tuo Master Series Ransom Rest. Questa guida è stata redatta per garantirti un uso sicuro e ottimale del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti. Ti invitiamo a leggere attentamente queste istruzioni prima di utilizzare il prodotto.

Linee Guida Generali sulla Sicurezza

- Assicurati di utilizzare gli GRIP INSERTS Ransom solo come indicato in questa guida.
- Non utilizzare inserti rigidi o stampati in 3D con il tuo Ransom Rest, poiché possono danneggiare l'arma.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano dalla portata dei bambini.
- Segnala immediatamente qualsiasi prodotto difettoso o incidente alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Rischi di Danno all'Arma:** Gli inserti rigidi possono generare energia di rinculo distruttiva, causando danni all'arma. Utilizza solo gli GRIP INSERTS Ransom per evitare questo rischio.
- **Controllo delle Vibrazioni:** Gli inserti sono progettati per assorbire vibrazioni e rinculo, evitando il trasferimento di queste forze all'arma.
- **Uso Responsabile:** Assicurati di utilizzare il prodotto in modo responsabile e solo per scopi autorizzati.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che il tuo Ransom Rest sia pulito e in buone condizioni prima di installare gli GRIP INSERTS.

2. Installazione:

- Segui le istruzioni specifiche fornite con il prodotto per installare gli GRIP INSERTS Ransom.
- Verifica che gli inserti siano ben fissati e correttamente allineati.

3. Uso:

- Posiziona l'arma nel Ransom Rest con gli GRIP INSERTS installati.
- Assicurati di monitorare le prestazioni durante l'uso e di sostituire gli inserti se noti segni di usura.
- Non utilizzare il Ransom Rest con inserti rigidi o stampati in 3D.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento degli inserti e del Ransom Rest.
- Non gettare gli inserti nel normale rifiuto; verifica se esistono punti di raccolta specifici per materiali di questo tipo.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare un prodotto difettoso, ti invitiamo a contattare il tuo rivenditore o il produttore.

Ti ringraziamo per aver scelto gli GRIP INSERTS Ransom. La tua sicurezza e quella della tua arma sono la nostra priorità. Segui queste linee guida per garantire un'esperienza di tiro ottimale e sicura.
