

GRIP INSERTS - RANSOM GRIP INSERTS FOR ARMALITE AR24/CZ 75,85/EAA WITNESS/SA P9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR ARMALITE AR24/CZ 75,85/EAA WITNESS/SA P9
- Manufacturer: RANSOM
- Product no.: 430119336
- Mfr. No.: 30-300-08
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580307

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu nutzen und potenzielle Risiken zu vermeiden. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitshinweise

- Achte darauf, dass die GRIP INSERTS nur für die angegebenen Modelle verwendet werden: Armalite AR24, CZ 75, 85, EAA Witness und SA P9.
- Verwende keine harten oder 3Dgedruckten Grip Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts von Kindern und anderen gefährdeten Gruppen fern.
- Überprüfe regelmäßig den Zustand der Inserts und deines Gewehrs auf mögliche Schäden.
- Berichte unsichere Produkte oder Vorfälle umgehend den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Stelle sicher, dass die Inserts korrekt installiert sind, bevor du das Gewehr verwendest.
- Vermeide es, das Gewehr mit beschädigten Inserts zu verwenden, da dies zu ungenauen Testergebnissen und möglichen Verletzungen führen kann.
- Achte darauf, dass die Inserts die Rückstoßkräfte richtig absorbieren, um die Lebensdauer deines Gewehrs zu erhöhen.
- Halte dich an die empfohlenen Schussfrequenzen, um übermäßigen Verschleiß zu vermeiden.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts vorsichtig aus dem Ransom Rest.
- Setze die neuen GRIP INSERTS ein, indem du sicherstellst, dass sie fest und korrekt sitzen.
- Überprüfe vor dem ersten Gebrauch, ob die Inserts richtig installiert sind.

2. Nutzung des Ransom Rest:

- Stelle sicher, dass der Ransom Rest stabil auf einer ebenen Fläche steht.
- Setze das Gewehr in den Ransom Rest ein und achte darauf, dass es richtig positioniert ist.
- Beginne mit dem Schießen und beobachte die Leistung des Gewehrs in Verbindung mit den Inserts.
- Nach jedem Schuss, überprüfe die Inserts auf Anzeichen von Beschädigungen oder Abnutzung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS von RANSOM wende dich bitte an den Hersteller

oder den Händler, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Unsicherheiten Unterstützung suchst, um die Sicherheit und ordnungsgemäße Nutzung des Produkts zu gewährleisten.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, deine Erfahrung mit den GRIP INSERTS von RANSOM zu verbessern und sicherzustellen, dass du diese Produkte verantwortungsvoll nutzt. Die Einhaltung dieser Anweisungen trägt dazu bei, Risiken zu minimieren und die Lebensdauer deines Gewehrs zu verlängern.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Armalite AR24, CZ 75/85, EAA Witness, or SA P9. These grip inserts are designed to enhance your shooting experience while ensuring safety and performance. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents.
- Always use the grip inserts as intended and avoid modifications.
- Store the grip inserts in a dry, cool place away from direct sunlight.
- Inspect the grip inserts regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Grip Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and generate harmful recoil energy.
- **Understand Recoil Dynamics:** The inserts are designed to absorb recoil similar to a human hand. Using hard materials will not replicate this effect and may lead to inaccurate test results.
- **Monitor for Damage:** Damage from using inappropriate inserts may not be immediately visible but can accumulate over time, potentially leading to firearm malfunction or personal injury.
- **Caution during Testing:** When conducting destructive or accuracy testing, always ensure that the grip inserts mimic humanlike recoil to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before installation.
- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip area of your firearm.
- Firmly press the inserts into place until they fit snugly.

2. Usage:

- Always use the grip inserts during testing to ensure accurate results.
- Do not exceed the recommended number of shots during testing to prevent undue stress on the firearm.
- After use, inspect the grip inserts for any signs of wear or damage.

3. PostUsage Care:

- Clean the grip inserts with a soft, dry cloth after each use.
- Store the inserts in a protective case to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of nonbiodegradable materials.

- Do not incinerate or expose the grip inserts to extreme heat.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom grip inserts, please reach out to the designated support channels available within your region. Ensure that you have all relevant product information on hand for efficient assistance.

By following these safety instructions, you can ensure a safer and more effective shooting experience with your Ransom grip inserts. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per l'Utilizzo dei GRIP INSERTS RANSOM

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per la tua arma. Questo prodotto è progettato per migliorare le prestazioni della tua arma e per proteggere sia l'arma stessa che l'utente. È fondamentale seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts Ransom. L'uso di grip inserts rigidi o stampati in 3D può danneggiare l'arma e causare infortuni.
- Controlla regolarmente il tuo equipaggiamento per assicurarti che non ci siano segni di usura o danni.
- Non utilizzare il prodotto in modo improprio o per scopi diversi da quelli previsti.
- In caso di dubbi o domande, rivolgiti a un esperto o contatta il produttore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o stampati in 3D. Questi possono generare energia di rinculo distruttiva.
- Fai attenzione durante l'installazione e la rimozione degli inserti per evitare lesioni.
- Assicurati che gli inserti siano correttamente installati prima dell'uso.
- Prima di utilizzare l'arma, verifica che non ci siano ostruzioni o danni agli inserti.
- Mantieni il prodotto fuori dalla portata dei bambini e delle persone vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di procedere.
- Rimuovi eventuali grip inserts esistenti.

2. Installazione:

- Posiziona il grip insert Ransom sull'arma in modo che si adatti perfettamente al telaio.
- Segui le istruzioni specifiche fornite con il prodotto per garantire una corretta installazione.
- Fissa il grip insert in posizione secondo le indicazioni, assicurandoti che sia stabile e sicuro.

3. Utilizzo:

- Utilizza l'arma in un ambiente sicuro e controllato.
- Monitora le prestazioni del grip insert durante l'uso. Se noti vibrazioni eccessive o altri problemi, interrompi l'uso immediatamente e controlla l'installazione.

4. Manutenzione:

- Controlla regolarmente il grip insert per segni di usura o danni.
- Pulisci il grip insert con un panno morbido e asciutto. Non utilizzare sostanze chimiche abrasive.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali.
- Non gettare i grip inserts in ambienti naturali o in luoghi non autorizzati.

- Se il prodotto è danneggiato o non più utilizzabile, smaltiscilo in modo responsabile per ridurre l'impatto ambientale.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto e per domande specifiche, ti invitiamo a contattare il produttore o un esperto del settore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza adeguata.

Seguendo queste istruzioni e linee guida, puoi garantire un utilizzo sicuro e efficace dei GRIP INSERTS RANSOM per la tua arma. La tua sicurezza e quella degli altri è la nostra priorità.
