

GRIP INSERTS - RANSOM GRIP INSERTS FOR CZ P-10 SUBCOMPACT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CZ P-10 SUBCOMPACT
- Manufacturer: RANSOM
- Product no.: 430119337
- Mfr. No.: 30-300-08-06
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580765

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR CZ P10 SUBCOMPACT

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die CZ P10 Subcompact! Diese Inserts bieten optimalen Schutz für deine Waffe und sind speziell entwickelt, um präzises Schießen zu unterstützen. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass alle Produkte sicher verwendet werden, um Verletzungen zu vermeiden.
- Halte dich an die Anweisungen des Herstellers, um Risiken zu minimieren.
- Überprüfe regelmäßig auf Rückrufmeldungen und Sicherheitsupdates.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deine Waffe beschädigen können.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, um ihre Funktionalität zu gewährleisten.
- Verwende die Inserts nur mit der CZ P10 Subcompact, um die Sicherheit und Leistung zu maximieren.
- Beachte, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, wodurch sie Rückstoß und Vibration absorbieren.

Anleitung zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die vorhandenen Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Überprüfe die Passform, um sicherzustellen, dass die Inserts fest und stabil sind.

2. Nutzung der Inserts:

- Führe einen Testschuss durch, um die Funktionalität der Inserts zu überprüfen.
- Achte darauf, dass die Waffe während des Schießens stabil bleibt und keine schädlichen Kräfte auf die Waffe übertragen werden.
- Bei Anzeichen von Verschleiß oder Beschädigung der Inserts, ersetze sie umgehend.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen, um mögliche Schäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Stelle sicher, dass du alle relevanten Informationen zur Hand hast, um eine schnelle

Antwort zu erhalten.

Vielen Dank für deine Aufmerksamkeit und viel Spaß beim Schießen mit deinen neuen RANSOM GRIP INSERTS!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CZ P10 SUBCOMPACT

Introduction

Thank you for choosing the Ransom International Grip Inserts for your CZ P10 Subcompact. These grip inserts are specifically designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. However, it is crucial to follow safety guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure safe use of all nonfood products, including this grip insert.
- Be aware of potential risks associated with improper use, including damage to your firearm and personal injury.
- Regularly check for product recalls and updates through the EU's Safety Gate platform.
- If you notice any unsafe conditions or incidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These types of inserts can cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Remember that vibration and recoil cannot be eliminated; they can only be controlled. Using the correct inserts helps absorb these forces effectively.
- **Check for Wear and Tear:** Regularly inspect your grip inserts for any signs of wear or damage. Replace them if necessary to maintain safety and performance.
- **Use Only Recommended Products:** Only use Ransom International Grip Inserts designed for your specific firearm model. Using incompatible products may lead to unsafe conditions.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your firearm.
- Carefully place the Ransom International Grip Inserts into the designated area of your firearm.
- Ensure that the inserts fit snugly and securely without any gaps.

2. Usage:

- When using your firearm with the grip inserts, maintain a proper grip to ensure stability.
- Always ensure that your firearm is pointed in a safe direction and that you follow all standard firearm safety practices.
- After each use, inspect the inserts for any signs of damage or wear.

3. Testing:

- Conduct tests in a controlled environment to evaluate performance. Ensure that all tests mimic humanlike recoil to obtain accurate results.
- Avoid using hard or 3Dprinted inserts during testing as they can compromise the integrity of your results.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any inquiries about the Ransom International Grip Inserts, please refer to the manufacturer's contact details provided on the packaging or documentation that came with your product.

By following these guidelines, you can ensure a safer and more effective shooting experience with your Ransom International Grip Inserts. Thank you for your attention to safety, and enjoy your shooting!

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM per CZ P10 Subcompact

Introduzione

Benvenuto nella guida di sicurezza per i Grip Inserts RANSOM progettati per il CZ P10 Subcompact. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR).

Linee Guida Generali di Sicurezza

- **Sicurezza del Prodotto:** Utilizzare solo i Grip Inserts RANSOM come indicato. Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono causare danni all'arma e rappresentare un rischio per la sicurezza.
- **Richiami:** Monitorare eventuali aggiornamenti sui richiami relativi ai prodotti attraverso piattaforme ufficiali.
- **Acquisti Online:** Assicurarsi che il venditore online rispetti gli standard di sicurezza previsti dalla legge.
- **Focus sui Consumatori Vulnerabili:** Prestare particolare attenzione se il prodotto è utilizzato da gruppi vulnerabili, come i principianti o i minorenni.
- **Punto di Contatto nell'UE:** Conservare le informazioni di contatto del produttore per eventuali domande sulla sicurezza.
- **Allerta Rapida:** Rimanere informati su eventuali avvisi di sicurezza tramite il sistema Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Utilizzare solo Grip Inserts RANSOM:** Non utilizzare grip inserts rigidi o stampati in 3D.
- **Controllare l'integrità dell'arma:** Verificare regolarmente che non ci siano segni di usura o danni all'arma.
- **Evitare l'uso improprio:** Non utilizzare il prodotto in condizioni pericolose o inappropriate.
- **Essere consapevoli del rinculo:** Comprendere che la vibrazione e il rinculo non possono essere eliminati, ma solo controllati.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di installare i Grip Inserts.
- Rimuovi eventuali grip inserts precedenti, se presenti.

2. Installazione:

- Posiziona il Grip Insert RANSOM sull'impugnatura dell'arma.
- Assicurati che sia allineato correttamente e che non ci siano spazi vuoti.
- Fissa il Grip Insert secondo le istruzioni del produttore, se necessario.

3. Uso:

- Utilizza l'arma solo in un ambiente sicuro e controllato.
- Segui le migliori pratiche di tiro e sicurezza.
- Monitora il comportamento del Grip Insert durante l'uso e controlla eventuali segni di usura.

Istruzioni per lo Smaltimento

- Non smaltire i Grip Inserts RANSOM in modo irresponsabile.
- Seguire le normative locali per lo smaltimento di materiali plastici e di armi.
- Contattare le autorità locali per informazioni su come smaltire correttamente il prodotto.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza dei Grip Inserts RANSOM, contattare il produttore o il rivenditore autorizzato.

Ricorda: la sicurezza è fondamentale. Utilizza sempre i Grip Inserts RANSOM in modo corretto e responsabile.
