

GRIP INSERTS - RANSOM GRIP INSERTS FOR MAGNUM RESEARCH DESERT EAGLE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR MAGNUM RESEARCH DESERT EAGLE
- Manufacturer: RANSOM
- Product no.: 430119342
- Mfr. No.: 30-300-10
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580888

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR MAGNUM RESEARCH DESERT EAGLE

Einführung

Herzlich willkommen! Diese Sicherheitshinweise sollen dir helfen, die GRIP INSERTS RANSOM GRIP INSERTS für deine Magnum Research Desert Eagle sicher und effektiv zu nutzen. Bitte lies diese Anleitung sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt verwendest und potenzielle Gefahren vermeidest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit der vorgesehenen Waffe verwendest.
- Lagere die Inserts an einem trockenen und sicheren Ort, fern von Kindern und Haustieren.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzungserscheinungen.
- Verwende die Inserts nicht, wenn sie beschädigt sind oder Anzeichen von Verschleiß zeigen.
- Halte dich an alle geltenden Gesetze und Vorschriften für den Umgang mit Feuerwaffen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Verwende keine harten Griffesätze oder 3Dgedruckten Kunststoffgriffesätze, da diese die Waffe beschädigen können.
- **Richtige Handhabung:** Achte darauf, dass der Ransom Rest korrekt eingestellt ist, um die bestmöglichen Ergebnisse zu erzielen.
- **Vibrationskontrolle:** Die Inserts sind so konzipiert, dass sie Vibrationen und Rückstoß absorbieren. Achte darauf, dass sie ordnungsgemäß installiert sind, um ihre Funktion zu gewährleisten.
- **Langfristige Nutzung:** Sei dir bewusst, dass Schäden möglicherweise nicht sofort sichtbar sind und sich mit jedem Schuss ansammeln können.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich gründlich.
- Setze die neuen RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Überprüfe, ob die Inserts fest sitzen und sicher installiert sind.

2. Nutzung der Inserts:

- Platziere die Waffe sicher auf dem Ransom Rest.
- Achte darauf, dass die Inserts richtig positioniert sind, um die Rückstoßkräfte optimal zu absorbieren.
- Führe deine Tests durch und achte darauf, dass du die Waffe immer sicher und verantwortungsbewusst handhabst.

Entsorgungsanweisungen

- Entsorge beschädigte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken zu den GRIP INSERTS RANSOM GRIP INSERTS für Magnum Research Desert Eagle wende dich bitte an den Hersteller oder einen autorisierten Händler. Es ist wichtig, dass du bei Unsicherheiten professionelle Hilfe in Anspruch nimmst.

Bitte beachte, dass diese Sicherheitshinweise gemäß den Anforderungen der EUVerordnung über die allgemeine Produktsicherheit (GPSR) erstellt wurden. Deine Sicherheit und die ordnungsgemäße Verwendung der Produkte haben höchste Priorität.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR MAGNUM RESEARCH DESERT EAGLE

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Magnum Research Desert Eagle. This guide provides essential safety information to ensure the proper use of the product, helping you avoid potential hazards and ensuring the longevity of your firearm.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing grip inserts.
- Use only Ransom grip inserts specifically designed for your firearm model.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts as they can damage the firearm and produce inaccurate test results.
- Be aware that improper use of grip inserts may lead to injury or damage.
- Regularly check for any signs of wear or damage on the inserts and replace them as necessary.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts. They can generate destructive recoil energy that may damage the gun.
- **Correct Installation:** Ensure that the grip inserts are properly installed according to the instructions provided. A misaligned insert can lead to inaccurate results and potential safety hazards.
- **Monitor Usage:** Keep track of the number of shots fired with the inserts to assess their condition and effectiveness.
- **User Awareness:** Ensure that all users of the firearm are aware of the risks associated with using improper grip inserts.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove any existing grip inserts or modifications from the firearm.
- Align the Ransom grip insert with the grip area of the firearm.
- Firmly press the insert into place until it is securely fitted.
- Check for any gaps or misalignments and adjust as necessary.

2. Usage:

- Once installed, perform a function check to ensure that the firearm operates correctly with the grip insert in place.
- Use the firearm as you normally would, while being mindful of the safety precautions outlined above.
- After each session, inspect the grip insert for wear or damage before reusing.

3. PostUsage Care:

- Clean the grip insert regularly to maintain its condition and performance.
- Store the firearm in a safe and secure location when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for recycling options or designated disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom grip inserts, please refer to the product packaging or visit the manufacturer's website for additional information and support resources.

By adhering to these safety guidelines and instructions, you can ensure safe and effective use of the Ransom International Grip Inserts for your Magnum Research Desert Eagle. Always prioritize safety and proper usage to protect yourself and others.

Guida alle Istruzioni di Sicurezza per gli Grip Inserts RANSOM per il Magnum Research Desert Eagle

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts RANSOM progettati per il Magnum Research Desert Eagle. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto, seguendo le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali di Sicurezza

- **Sicurezza del Prodotto:** Assicurati di utilizzare i Grip Inserts RANSOM in modo sicuro e responsabile. Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- **Richiami Migliorati:** In caso di problemi di sicurezza, potrebbero essere emessi richiami. Controlla regolarmente per eventuali aggiornamenti.
- **Acquisti Online:** Quando acquisti online, verifica che il venditore rispetti i requisiti di sicurezza.
- **Focus Speciale sui Consumatori:** Le persone vulnerabili, come i bambini, devono essere protette. Assicurati che il prodotto non sia accessibile a loro.
- **Punto di Contatto nell'UE:** Per domande relative alla sicurezza, verifica che ci sia un contatto disponibile in Europa.
- **Allerta Rapida:** Rimani aggiornato su eventuali prodotti non sicuri tramite il sistema Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Non utilizzare Grip Inserts rigidi o stampati in 3D:** Questi inserti possono causare danni all'arma e aumentare il rischio di infortuni.
- **Controllo delle vibrazioni:** Gli inserti RANSOM sono progettati per assorbire le vibrazioni e il rinculo, imitano il comportamento della mano umana.
- **Accumulo di danni:** Anche se il danno potrebbe non essere immediatamente evidente, si accumula con ogni colpo. Utilizzare solo inserti progettati per il tuo modello di arma.
- **Test di precisione:** Se non si imitano le condizioni di utilizzo umano, i risultati possono essere errati e fuorvianti.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Grip Inserts:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Segui le istruzioni del produttore per l'installazione degli inserti.
- Verifica che gli inserti siano ben fissati e che non ci siano parti allentate.

2. Uso degli Grip Inserts:

- Utilizza gli inserti solo con il Master Series Ransom Rest.
- Monitora costantemente le condizioni dell'arma e degli inserti. Se noti segni di usura o danni, interrompi l'uso e contatta un professionista.
- Non utilizzare gli inserti per un uso diverso da quello previsto.

Istruzioni per lo Smaltimento

- Gli Grip Inserts RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti. Non gettarli in discariche non autorizzate.
- Controlla le linee guida locali per il riciclaggio di materiali plastici e metallici.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto e per eventuali domande, si consiglia di contattare il punto di contatto dell'UE indicato sulla confezione del prodotto o sul sito web del produttore.

Questa guida è stata redatta per garantire la tua sicurezza e quella degli altri. Segui attentamente queste istruzioni e utilizza i Grip Inserts RANSOM in modo responsabile.
