

GRIP INSERTS - RANSOM GRIP INSERTS FOR CZ 75 P-01

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CZ 75 P-01
- Manufacturer: RANSOM
- Product no.: 430119343
- Mfr. No.: 30-300-08-09
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580796

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR CZ 75 P01

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die CZ 75 P01 entwickelt wurden. Diese Inserts sind darauf ausgelegt, die Leistung deines Ransom Rest zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies diese Anleitung sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Verwende die Inserts nicht, wenn sie sichtbar beschädigt sind.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unbefugtem Zugriff.
- Befolge alle örtlichen Gesetze und Vorschriften bezüglich der Verwendung von Schusswaffen und Zubehör.

Spezifische Sicherheitsvorkehrungen für den Gebrauch

- Vermeide die Verwendung von harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Bei der Verwendung des Ransom Rest solltest du sicherstellen, dass die Umgebung sicher ist und keine Personen in der Nähe stehen.
- Halte beim Schießen stets einen sicheren Abstand zu anderen Personen und Tieren ein.
- Verwende Schutzausrüstung, einschließlich Augen und Gehörschutz, während des Schießens.

Anweisungen zur Installation und Nutzung

1. **Überprüfe die Inserts:** Stelle sicher, dass die RANSOM GRIP INSERTS unbeschädigt und sauber sind.
2. **Installation:**
 - Entferne die vorhandenen Inserts, falls vorhanden.
 - Setze die RANSOM GRIP INSERTS in den vorgesehenen Bereich des Ransom Rest ein.
 - Stelle sicher, dass die Inserts fest sitzen und nicht wackeln.
3. **Verwendung:**
 - Richte den Ransom Rest mit der montierten Waffe auf das Ziel aus.
 - Achte darauf, dass der Rest stabil steht und nicht umkippen kann.
 - Beginne mit dem Schießen, indem du die Maschine kontrolliert zurückziehst.
 - Beobachte die Ergebnisse und achte darauf, dass die Inserts ihre Funktion erfüllen.
4. **Nach dem Gebrauch:**
 - Entferne die Inserts und reinige sie bei Bedarf.
 - Bewahre die Inserts an einem sicheren Ort auf, um Beschädigungen zu vermeiden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts umweltgerecht entsorgt werden, um die Umwelt nicht zu belasten.
- Wenn du dir unsicher bist, wie du die Inserts entsorgen sollst, kontaktiere deinen örtlichen Entsorgungsdienst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS, wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst, um eine schnelle und effiziente Hilfe zu erhalten.

Bitte beachte, dass die Sicherheit der Benutzer und die ordnungsgemäße Verwendung der RANSOM GRIP INSERTS von größter Bedeutung sind. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CZ 75 P01

Introduction

Thank you for choosing the Ransom International Grip Inserts for your CZ 75 P01. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions provided. These inserts are designed to minimize recoil and vibration, reducing the risk of damage to your firearm.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect your product. If a recall occurs, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** These inserts are not intended for use by children. Ensure that all users are knowledgeable about firearm safety and handling.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Using the correct inserts is essential for accurate testing and safety.
- **Monitor for Wear:** Be aware that damage may not be immediately visible. Hard inserts can decrease the lifespan of your firearm and may pose safety risks.
- **Follow Testing Protocols:** Ensure that all testing mimics humanlike recoil to provide valid results. Hard inserts will not replicate this effectively.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and safe to handle before installation.
- Remove any existing grip inserts from the firearm, if applicable.
- Carefully insert the Ransom Grip Inserts into the designated grip area, ensuring a snug fit.
- Doublecheck that the inserts are securely in place before proceeding to use the firearm.

2. Usage

- When using the firearm, maintain a proper grip to ensure stability and control.
- Monitor the firearm for any unusual vibrations or sounds during operation.
- After each use, inspect the grip inserts for signs of wear or damage. Replace if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw inserts in regular household waste. Check for recycling options or special disposal facilities.

for plastic materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please refer to the contact information provided by your retailer or manufacturer. It is essential to seek assistance from qualified professionals for any safetyrelated inquiries.

Thank you for your attention to these safety instructions. Your commitment to following these guidelines will help ensure a safe and effective experience with your Ransom Grip Inserts.

Istruzioni di Sicurezza per Grip Inserts Ransom per CZ 75 P01

Introduzione

Benvenuto! Questo documento fornisce istruzioni di sicurezza essenziali per l'uso dei Grip Inserts Ransom progettati per il modello CZ 75 P01. È fondamentale seguire queste linee guida per garantire un uso sicuro e corretto del prodotto, massimizzando le prestazioni della tua arma.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts Ransom specificamente progettati per il modello CZ 75 P01.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, in quanto possono danneggiare l'arma.
- Evita di utilizzare il prodotto in condizioni di umidità o in ambienti estremi.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Non lasciare mai l'arma incustodita quando è dotata di grip inserts.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non tentare di modificare o manomettere gli inserti.
- Non utilizzare il prodotto per scopi diversi da quelli previsti, come prove distruttive o test di precisione.
- Se noti un comportamento anomalo durante l'uso, interrompi immediatamente l'uso e verifica il prodotto.
- Non utilizzare grip inserts rigidi, poiché possono ridurre la vita della canna e dell'arma e potrebbero causare infortuni.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che l'arma sia scarica e non in funzione.
- Segui le istruzioni del produttore per installare correttamente i Grip Inserts Ransom sul tuo CZ 75 P01.
- Controlla che gli inserti siano fissati saldamente e che non ci siano spazi vuoti.

2. Uso:

- Utilizza il prodotto solo in condizioni di tiro controllato e sicuro.
- Assicurati di avere una buona presa sull'arma prima di effettuare il tiro.
- Monitora il comportamento dell'arma durante il tiro per rilevare eventuali anomalie.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura domestica. Contatta le autorità locali per informazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, consulta il sito web del produttore o contatta direttamente il servizio clienti.

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e ottimale dei Grip Inserts Ransom per il tuo CZ 75 P01. La sicurezza è la priorità numero uno; prestare attenzione e cautela è fondamentale per proteggere te stesso e gli altri.
