

GRIP INSERTS - RANSOM GRIP INSERTS FOR MAGNUM RESEARCH DESERT EAGLE BABY

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR MAGNUM RESEARCH DESERT EAGLE BABY
- Manufacturer: RANSOM
- Product no.: 430119344
- Mfr. No.: 30-300-10-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580895

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR MAGNUM RESEARCH DESERT EAGLE BABY

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, speziell entwickelt für die Magnum Research Desert Eagle Baby. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu verwenden, um mögliche Risiken zu vermeiden und die Lebensdauer deiner Waffe zu verlängern.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Überprüfe regelmäßig den Zustand der Inserts auf sichtbare Schäden oder Abnutzung.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Informiere dich über die richtigen Handhabungs und Lagerungstechniken für deine Waffe.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Waffe mit beschädigten Inserts zu verwenden, da dies zu ungenauen Testergebnissen führen kann.
- Beachte, dass die Inserts speziell dafür entwickelt wurden, wie die menschliche Hand zu agieren, um Rückstoß und Vibrationen zu absorbieren.

Anweisungen für Installation und Verwendung

1. Installation der Grip Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest und sicher sitzen.

2. Verwendung der Waffe mit den Grip Inserts:

- Führe eine Funktionsprüfung durch, um sicherzustellen, dass die Waffe korrekt funktioniert.
- Achte darauf, dass du die Waffe in einer sicheren Umgebung verwendest und alle Sicherheitsvorkehrungen beachtest.
- Teste die Waffe mit den neuen Inserts und achte auf mögliche Veränderungen im Rückstoßverhalten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Waffen und Zubehörteilen.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern oder unbefugten Personen gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung kannst du dich an den Hersteller oder einen autorisierten Händler wenden. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst und im Falle von Problemen sofortige Maßnahmen ergreifst.

Schlussfolgerung

Die Verwendung der GRIP INSERTS RANSOM GRIP INSERTS kann die Leistung deiner Magnum Research Desert Eagle Baby erheblich verbessern, wenn sie korrekt installiert und verwendet werden. Befolge diese Sicherheitshinweise, um das Risiko von Schäden und Verletzungen zu minimieren und die Sicherheit während des Gebrauchs zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR MAGNUM RESEARCH DESERT EAGLE BABY

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience while ensuring safety and accuracy. It is essential to follow the guidelines outlined in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the grip inserts as intended. Misuse can lead to damage to your firearm or personal injury.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These types of inserts can damage your firearm and produce inaccurate test results.
- Be aware of the physics involved in shooting. Vibration and recoil are natural forces that must be managed properly.
- Ensure that all users of the product are familiar with these safety guidelines.
- Regularly inspect your grip inserts for wear or damage before each use.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that travels through the frame and barrel, potentially causing damage.
- **Absorption of Forces:** The grip inserts are designed to mimic the human hand, absorbing recoil and vibration. Ensure that they are properly installed to function effectively.
- **Potential Risks:** Using inappropriate inserts may lead to decreased firearm lifespan, potential injury, or even death.
- **Testing Accuracy:** For any testing, ensure that you are mimicking humanlike recoil to obtain valid results.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before installation.
- Remove any existing grip inserts if applicable.
- Position the Ransom Grip Inserts securely in the designated area of the Master Series Ransom Rest.
- Confirm that the inserts fit snugly and are not loose.

2. Usage:

- When using the Ransom Rest with grip inserts, ensure that the machine is set to a stable position.
- Monitor the machine's response during shooting to ensure that the recoil is being absorbed as designed.
- If you notice any unusual vibrations or sounds, stop use immediately and inspect the grip inserts.

3. PostUse Check:

- After each use, inspect the grip inserts for any signs of wear or damage.
- Store the grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged grip inserts responsibly. Follow local regulations for disposal of plastic and other materials.
- Do not throw the inserts into open flames or expose them to extreme heat, as this may cause harmful emissions.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

By adhering to these guidelines, you can ensure a safer shooting experience while using the Ransom Grip Inserts. Always prioritize safety and responsible firearm usage.

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per Desert Eagle

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Magnum Research Desert Eagle. Questo documento fornisce istruzioni di sicurezza importanti per garantire un uso corretto e sicuro del prodotto. È fondamentale seguire queste linee guida per proteggere te stesso e il tuo equipaggiamento.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo inserti progettati specificamente per il Ransom Rest.
- Evita l'uso di inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Non utilizzare gli inserti in condizioni di umidità o in ambienti estremi che potrebbero influenzare le prestazioni.
- Verifica regolarmente lo stato degli inserti per assicurarti che non siano danneggiati.
- Conserva gli inserti in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di utilizzare gli inserti, assicurati che l'arma sia scarica e in sicurezza.
- Durante l'installazione, segui attentamente le istruzioni per evitare errori.
- Non tentare di modificare o adattare gli inserti. Ogni modifica può compromettere la funzionalità e la sicurezza.
- Utilizza sempre occhiali protettivi e protezioni per l'udito durante le sessioni di tiro.
- Se noti vibrazioni eccessive o comportamenti anomali durante l'uso, interrompi immediatamente l'uso e controlla l'arma e gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma

- Assicurati che l'arma sia completamente scarica.
- Controlla che non ci siano proiettili nel caricatore e nella camera.

2. Installazione degli Inserti

- Segui le istruzioni fornite con gli inserti per il corretto posizionamento.
- Assicurati che gli inserti siano ben fissati e non si muovano.

3. Utilizzo degli Inserti

- Posiziona l'arma sul Ransom Rest seguendo le istruzioni specifiche.
- Verifica che gli inserti assorbano correttamente il rinculo e le vibrazioni.
- Monitora le prestazioni durante l'uso e fai attenzione a qualsiasi segno di usura.

Istruzioni per lo Smaltimento

- Gli inserti non devono essere smaltiti insieme ai rifiuti domestici.
- Contatta un centro di raccolta locale per informazioni sullo smaltimento sicuro degli inserti.
- Segui le normative locali riguardanti lo smaltimento di prodotti potenzialmente pericolosi.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza degli Inserti GRIP RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato o il produttore.

Ricorda che la sicurezza è la priorità numero uno quando si utilizza qualsiasi arma da fuoco. Segui queste istruzioni con attenzione e non esitare a cercare assistenza se hai domande o preoccupazioni.
