

GRIP INSERTS - RANSOM GRIP INSERTS FOR CZ.2075 RAMI

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CZ.2075 RAMI
- Manufacturer: RANSOM
- Product no.: 430119347
- Mfr. No.: 30-300-08-11
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580819

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM

GRIP INSERTS FÜR CZ.2075 RAMI

Einführung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS von RANSOM! Diese Inserts sind speziell für die CZ.2075 RAMI entwickelt worden, um dein Schießerlebnis zu optimieren. Bitte lese diese Sicherheitsanleitung sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit der CZ.2075 RAMI verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts.
- Halte die Inserts von Kindern fern, um Verletzungen zu vermeiden.
- Achte darauf, dass die Inserts regelmäßig auf Abnutzung überprüft werden.

Spezifische Sicherheitsvorkehrungen bei der Verwendung

- Die GRIP INSERTS sind so konzipiert, dass sie die Rückstoßkräfte absorbieren. Achte darauf, dass sie korrekt installiert sind, um ihre Funktionalität zu gewährleisten.
- Vermeide es, die Waffe während des Schießens unnötig zu bewegen, da dies die Effektivität der Inserts beeinträchtigen kann.
- Bei Anzeichen von Beschädigungen an den Inserts, wie Rissen oder Verformungen, diese sofort ersetzen.

Anweisungen zur Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden, um eine optimale Haftung zu gewährleisten.

2. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein.
- Stelle sicher, dass sie fest sitzen und keine Lücken aufweisen.

3. Verwendung:

- Nach der Installation teste die Waffe in einer sicheren Umgebung.
- Achte darauf, dass die Rückstoßkräfte wie vorgesehen absorbiert werden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe, um umweltfreundlich zu handeln.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Schlussfolgerung

Die GRIP INSERTS von RANSOM bieten dir eine sichere und effektive Möglichkeit, dein Schießerlebnis zu verbessern. Indem du die oben genannten Sicherheitsrichtlinien und Anweisungen befolgst, kannst du sicherstellen, dass du die Inserts korrekt und sicher verwendest. Achte darauf, regelmäßig auf den Zustand der Inserts zu überprüfen und sie bei Bedarf auszutauschen. Schieße sicher und viel Spaß!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CZ.2075 RAMI

Introduction

Thank you for choosing the Ransom International Grip Inserts for your CZ.2075 RAMI. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the grip inserts.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts as they may damage the firearm and lead to unsafe conditions.
- Be aware that improper use of grip inserts can result in inaccurate test results and may pose risks to the user and others.
- Always check for product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. Hard inserts fail to replicate humanlike recoil, leading to inaccurate testing and potential damage.
- **Monitor for Damage:** Inspect your firearm regularly for any signs of wear or damage that may result from improper use of grip inserts.
- **Use as Intended:** Ensure that the grip inserts are used only with the Ransom Rest and for the purpose they are designed for.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before installation.
- Align the grip inserts with the grip of the firearm, ensuring a snug fit.
- Secure the inserts according to the manufacturer's instructions, ensuring they are firmly in place without any movement.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure the machine is in a stable position.
- Allow the grip inserts to absorb the initial recoil and vibration generated during firing.
- Do not attempt to modify or alter the grip inserts in any way.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste. Check for recycling options or designated disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Ransom Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging.

Conclusion

The Ransom International Grip Inserts are designed to enhance your shooting experience while ensuring safety and accuracy. By following the guidelines and precautions outlined in this document, you can maximize the performance of your firearm and maintain a safe shooting environment.

Guida alla Sicurezza per gli Grip Inserts RANSOM per CZ.2075 RAMI

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts RANSOM per CZ.2075 RAMI. Questa guida è stata creata per garantire un uso sicuro e responsabile del prodotto, seguendo le normative europee sulla sicurezza dei prodotti. Ti invitiamo a leggere attentamente queste istruzioni per comprendere i rischi associati e le precauzioni necessarie.

Linee Guida Generali per la Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM esclusivamente come indicato.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Rivolgiti a professionisti qualificati per l'installazione e la manutenzione.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo i Grip Inserts RANSOM progettati per il tuo modello di arma.
- Non tentare di modificare o adattare gli inserti in alcun modo.
- Mantieni gli inserti puliti e privi di detriti per garantire un funzionamento ottimale.
- Durante l'uso, assicurati di avere una buona presa sull'arma e di mantenere la posizione corretta.
- Non utilizzare il prodotto in condizioni estreme che potrebbero comprometterne l'integrità.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.
2. **Installazione:**
 - Rimuovi eventuali grip inserts precedenti.
 - Posiziona i Grip Inserts RANSOM nel modo indicato nel manuale di istruzioni fornito.
 - Assicurati che siano saldamente ancorati e che non ci siano movimenti.
3. **Uso:**
 - Segui le tecniche di tiro corrette per massimizzare l'efficacia degli inserti.
 - Monitora il comportamento dell'arma durante il tiro per eventuali anomalie.
4. **Controllo:** Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale pattume. Contatta un centro di raccolta rifiuti per informazioni sullo smaltimento corretto.
- Assicurati che gli inserti non siano accessibili a bambini o animali domestici durante il processo di smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare incidenti, contatta il tuo rivenditore autorizzato o visita il sito ufficiale del produttore. Assicurati di avere il numero di modello e la data di acquisto a disposizione per facilitare il supporto.

Grazie per aver scelto i Grip Inserts RANSOM per CZ.2075 RAMI. La tua sicurezza e quella degli altri è la nostra priorità.
