

GRIP INSERTS - RANSOM GRIP INSERTS CASULL 454/FREEDOM ARMS 252,353,83

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS CASULL 454/FREEDOM ARMS 252,353,83
- Manufacturer: RANSOM
- Product no.: 430119348
- Mfr. No.: 30-300-11
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS CASULL 454/FREEDOM ARMS 252,353,83

Einführung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS RANSOM GRIP INSERTS CASULL 454/FREEDOM ARMS 252,353,83! Diese Inserts sind speziell für deinen Ransom Rest entwickelt und tragen dazu bei, die Sicherheit und Genauigkeit deiner Schussübungen zu gewährleisten. Bitte lies diese Sicherheitshinweise sorgfältig durch, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts und den Ransom Rest sauber und frei von Schmutz oder Ablagerungen.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Die Inserts sind darauf ausgelegt, die Durometrie der menschlichen Hand zu imitieren und die Rückstoßenergie zu absorbieren.
- Vermeide das Schießen mit einem harten Insert, da dies die Lebensdauer deines Gewehrs verringern und Verletzungen verursachen kann.
- Achte darauf, dass die Inserts korrekt im Ransom Rest eingesetzt sind, um optimale Ergebnisse zu erzielen.
- Vermeide es, den Ransom Rest mit übermäßigem Druck oder Gewalt zu verwenden.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass der Ransom Rest ausgeschaltet und von der Stromversorgung getrennt ist.
- Entferne die alten Inserts, falls vorhanden, vorsichtig.
- Setze die neuen GRIP INSERTS in die vorgesehenen Öffnungen des Ransom Rest ein. Achte darauf, dass sie fest sitzen.
- Überprüfe die Inserts auf korrekten Sitz, bevor du mit dem Schießen beginnst.

2. Nutzung des Ransom Rest:

- Positioniere dein Gewehr sicher im Ransom Rest.
- Stelle sicher, dass der Ransom Rest stabil steht und nicht wackelt.
- Beginne mit dem Schießen und achte darauf, dass die Rückstoßenergie vom Insert absorbiert wird.
- Überwache während des Schießens die Leistung der Inserts und des Ransom Rest.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Bitte beachte, dass die Sicherheit deiner Schussübungen von der ordnungsgemäßen Verwendung der GRIP INSERTS abhängt. Halte dich an diese Richtlinien, um ein sicheres und erfolgreiches Schießerlebnis zu gewährleisten!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS CASULL 454/FREEDOM ARMS 252,353,83

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. It is crucial to follow the safety guidelines and instructions outlined in this guide to prevent potential risks associated with improper use.

General Safety Guidelines

- Ensure safe use of the Ransom Grip Inserts by adhering to the following safety guidelines:
 - Always use the inserts as intended and according to the manufacturer's instructions.
 - Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
 - Be aware that improper use may lead to safety hazards, including injury or damage to the firearm.
 - Regularly check for any updates or recalls related to the product via the EU Safety Gate platform.

Specific Safety Precautions for Use

- To ensure safe usage of the Ransom Grip Inserts, consider the following precautions:
 - Avoid using hard inserts, as they can generate destructive recoil energy that may harm your gun.
 - Understand that hard or poorly engineered inserts may fail to replicate humanlike recoil, leading to invalid test results.
 - Recognize that the inserts are designed to absorb recoil and vibration similar to the human hand, enhancing the accuracy of your tests.
 - Be cautious that damage from hard inserts may not be immediately visible but can accumulate over time, affecting the firearm's performance and safety.
 - Ensure that the inserts are compatible with your specific firearm model before use.

Instructions for Installation and Usage

- Follow these steps for the correct installation and usage of the Ransom Grip Inserts:

1. Installation:

- Remove any existing grip inserts from your Ransom Rest.
- Clean the grip area to ensure proper fit and function.
- Insert the Ransom Grip Inserts into the designated slots, ensuring a snug fit.
- Verify that the inserts are securely in place before proceeding.

2. Usage:

- Position your firearm in the Ransom Rest according to the manufacturer's guidelines.
- Ensure that the firearm is stable and secure before firing.
- Monitor the performance of the inserts during use; if any issues arise, cease operation immediately.
- After use, remove the firearm and inspect the inserts for damage or wear.

Disposal Instructions

- When disposing of the Ransom Grip Inserts, follow these guidelines:
 - Do not dispose of the inserts in regular household waste.
 - Check local regulations for proper disposal methods for plastic and other materials.
 - If the inserts are damaged or no longer usable, consider recycling them if facilities are available.

Contact Information for Further Support

- For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safer and more effective shooting experience with your Ransom Grip Inserts. Thank you for your attention to safety and for choosing our product.

Guida alla Sicurezza per gli Inserti per Impugnature RANSOM

Introduzione

Grazie per aver scelto gli Inserti per Impugnature RANSOM. Questi inserti sono progettati per garantire prestazioni ottimali con il tuo Master Series Ransom Rest. È fondamentale seguire le linee guida di sicurezza per garantire un uso sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo inserti per impugnature RANSOM. L'uso di inserti rigidi o stampati in 3D può danneggiare l'arma e compromettere la sicurezza.
- Non utilizzare il prodotto in condizioni che potrebbero esporre l'arma a forze di rinculo e vibrazioni incontrollate.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per eventuali segni di usura o danni.
- Mantieni il prodotto lontano dalla portata di bambini e animali domestici.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti per impugnature rigidi o stampati in 3D.
- Utilizza sempre gli inserti RANSOM progettati specificamente per il tuo modello di arma.
- Segui le istruzioni di installazione e utilizzo per garantire il corretto funzionamento del prodotto.
- Non tentare di modificare o riparare gli inserti da solo.
- In caso di malfunzionamento, interrompi immediatamente l'uso e contatta un professionista.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e piana.
- Seleziona l'inserto appropriato per il tuo modello di arma.
- Inserisci l'inserto nell'apposito alloggiamento del Ransom Rest fino a quando non è saldamente in posizione.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma nell'alloggiamento del Ransom Rest, assicurandoti che sia ben fissata.
- Esegui il primo colpo e osserva attentamente il comportamento dell'arma e del Ransom Rest.
- Dopo ogni sessione di tiro, controlla l'integrità dell'inserto e del Ransom Rest.

Istruzioni per lo Smaltimento

- Gli inserti per impugnature RANSOM non devono essere smaltiti con i rifiuti domestici.
- Contatta il tuo comune per informazioni su come smaltire correttamente il prodotto.
- Segui le normative locali riguardanti lo smaltimento dei materiali di armamento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, contatta il tuo rivenditore RANSOM o visita il sito ufficiale di RANSOM. Assicurati di avere il numero di modello e altre informazioni pertinenti pronte per facilitare

l'assistenza.

Questa guida è progettata per aiutarti a utilizzare gli Inserti per Impugnature RANSOM in modo sicuro e responsabile. La tua sicurezza e quella degli altri è la nostra priorità.
