

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK GEN 4 26,27

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK GEN 4 26,27
- Manufacturer: RANSOM
- Product no.: 430119351
- Mfr. No.: 30-300-12-040
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581090

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für GLOCK GEN 4 26 und 27! Diese Einsätze wurden entwickelt, um dein Schießerlebnis zu verbessern und sicherzustellen, dass du die bestmögliche Leistung aus deinem Ransom Rest herausholst. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur in Verbindung mit den vorgesehenen GLOCKModellen verwendest.
- Verwende die Einsätze nicht, wenn sie sichtbare Schäden oder Abnutzungserscheinungen aufweisen.
- Bewahre die Einsätze außerhalb der Reichweite von Kindern und Haustieren auf.
- Halte dich an alle lokalen Gesetze und Vorschriften bezüglich des Umgangs mit Feuerwaffen und Zubehör.
- Informiere dich über die Sicherheitsrichtlinien für den Umgang mit Feuerwaffen und deren Zubehör.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- **Vermeide harte Griff einsätze:** Verwende keine harten oder 3Dgedruckten Einsätze, da diese die Waffe beschädigen können.
- **Achte auf Vibrationen:** Die RANSOM GRIP INSERTS sind so konzipiert, dass sie Vibrationen und Rückstoß absorbieren. Achte darauf, dass die Einsätze ordnungsgemäß installiert sind, um ihre Funktionalität zu gewährleisten.
- **Regelmäßige Überprüfung:** Überprüfe die Einsätze regelmäßig auf Abnutzung oder Beschädigungen, insbesondere nach intensiver Nutzung.
- **Vermeide Überlastung:** Setze die RANSOM GRIP INSERTS nicht über ihre Grenzen hinaus ein. Halte dich an die empfohlenen Anwendungen.

Anleitung zur Installation und Verwendung

1. **Vorbereitung:** Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der RANSOM GRIP INSERTS beginnst.
2. **Installation:**
 - Entferne die vorhandenen Griffeinsätze von deinem Ransom Rest.
 - Setze die RANSOM GRIP INSERTS vorsichtig an die vorgesehenen Stellen ein, bis sie sicher und fest sitzen.
3. **Verwendung:**
 - Stelle sicher, dass die Waffe sicher im Ransom Rest positioniert ist.
 - Beginne mit dem Schießen und achte darauf, die Rückstoß und Vibrationseigenschaften zu beobachten.
 - Nach der Benutzung, überprüfe die Einsätze auf Beschädigungen oder Abnutzung.
4. **Nach der Verwendung:** Reinige die RANSOM GRIP INSERTS regelmäßig, um ihre Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass die Einsätze nicht in die Umwelt gelangen und entsorge sie verantwortungsvoll.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder deinen Händler. Sie können dir spezifische Anleitungen und Unterstützung bieten, um sicherzustellen, dass du die RANSOM GRIP INSERTS sicher und effektiv nutzen kannst.

Schlussfolgerung

Die RANSOM GRIP INSERTS sind eine hervorragende Ergänzung für deine GLOCK GEN 4 26 und 27, wenn sie richtig verwendet werden. Beachte die oben genannten Sicherheitsrichtlinien und Anweisungen, um das Beste aus deinem Schießerlebnis herauszuholen. Sicherheit hat oberste Priorität, also sei vorsichtig und genieße das Schießen!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK GEN 4 26,27

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock Gen 4 26,27. These grip inserts are designed to enhance your shooting experience by mimicking the natural feel of the human hand. However, it is essential to understand the associated safety guidelines to ensure safe usage and optimal performance. This guide will provide you with necessary safety instructions, precautions, and disposal information.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These can damage your firearm.
- Be aware that improper use of grip inserts can lead to inaccurate test results and potentially dangerous situations.
- Regularly check for updates regarding product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe product experience or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts generate destructive recoil energy that can damage your firearm. They do not replicate humanlike recoil, leading to invalid test data.
- **Prevent Injury:** Using hard inserts may decrease the lifespan of your barrel and gun, and could potentially cause injury or death.
- **Control Recoil:** Understand that vibration and recoil cannot be stopped; they can only be controlled. The inserts are designed to absorb these forces and prevent transfer into the gun.
- **Regular Inspections:** Frequently inspect your grip inserts for wear and tear. Replace them if any damage is found.
- **User Responsibility:** Ensure that all users of the firearm are aware of these safety precautions.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before installation.
- Remove any existing grip inserts if applicable.
- Align the Ransom grip insert with the grip of your firearm.
- Firmly press the insert into place until it is fully seated.
- Verify that the insert is secure and does not move.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the machine is properly set up and calibrated.
- Always monitor the firearm during testing to ensure that it remains stable and secure.
- Do not exceed the operational limits of the Ransom Rest as specified in the user manual.
- After use, clean the grip inserts as needed to maintain their condition.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not dispose of grip inserts in regular household waste if they are deemed hazardous. Check local guidelines for hazardous waste disposal.
- Recycle materials when possible, ensuring that they do not pose a safety risk to others.

Contact Information for Further Support

For any inquiries regarding the Ransom International Grip Inserts or safety concerns, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Ransom grip inserts. Thank you for your attention to these important guidelines.

Grip Inserts Ransom per Glock Gen 4 26,27

Istruzioni di Sicurezza

Introduzione

Benvenuto nel manuale di sicurezza per i Grip Inserts Ransom progettati per il Master Series Ransom Rest. Questo prodotto è stato progettato per migliorare le prestazioni del tuo sistema di tiro, garantendo una gestione ottimale del rinculo e delle vibrazioni. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts Ransom per evitare danni all'arma e potenziali infortuni.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono compromettere la sicurezza e le prestazioni.
- Leggi attentamente tutte le istruzioni prima dell'uso.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Tieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il Grip Inserts Ransom se noti segni di danneggiamento.
- Evita di utilizzare il prodotto in condizioni meteorologiche avverse, che potrebbero influenzare le prestazioni.
- Non tentare di modificare o riparare il prodotto da solo.
- Assicurati che il Grip Inserts Ransom sia installato correttamente prima di ogni utilizzo.
- Segui tutte le normative locali relative all'uso e alla custodia delle armi.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Rimuovi eventuali inserti precedenti o accessori incompatibili.

2. Installazione:

- Posiziona il Grip Inserts Ransom nel Master Series Ransom Rest.
- Assicurati che l'inserto sia ben fissato e che non ci siano spazi vuoti.
- Controlla che l'inserto sia allineato correttamente con il telaio dell'arma.

3. Uso:

- Utilizza il sistema di tiro come indicato, mantenendo una postura corretta.
- Monitora le prestazioni durante l'uso e fai attenzione a eventuali vibrazioni anomale.
- Dopo ogni sessione di tiro, verifica l'integrità dell'inserto.

Istruzioni per lo Smaltimento

- Non gettare il prodotto nell'ambiente. Segui le normative locali per lo smaltimento dei materiali.
- Se il prodotto è danneggiato o non più utilizzabile, smaltiscilo in modo sicuro, seguendo le linee guida locali per i rifiuti di plastica e materiale sintetico.

Informazioni di Contatto per Ulteriore Supporto

Per domande o segnalazioni riguardanti la sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o un esperto del settore. È importante mantenere una comunicazione aperta per garantire la sicurezza e il corretto utilizzo del prodotto.

Ricorda: la sicurezza è la tua responsabilità. Segui queste istruzioni per garantire un'esperienza di tiro sicura e soddisfacente.
