

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK GEN 4 17,35

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK GEN 4 17,35
- Manufacturer: RANSOM
- Product no.: 430119352
- Mfr. No.: 30-300-12-010
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581038

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK GEN 4 17,35

Einleitung

Die GRIP INSERTS RANSOM GRIP INSERTS sind speziell für die Glock Gen 4 17 und 35 konzipiert, um die Leistung deiner Master Series Ransom Rest zu optimieren. Um die Sicherheit und Effizienz bei der Nutzung dieses Produkts zu gewährleisten, ist es wichtig, die folgenden Sicherheitshinweise zu beachten.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um Risiken zu vermeiden.
- **Rückrufinformationen:** Informiere dich regelmäßig über Rückrufupdates, um sicherzustellen, dass dein Produkt sicher ist.
- **OnlineEinkauf:** Wenn du das Produkt online kaufst, achte darauf, dass der Anbieter die Sicherheitsanforderungen erfüllt.
- **Besondere Verbraucher:** Achte darauf, dass das Produkt nicht für Kinder geeignet ist und halte es außerhalb ihrer Reichweite.
- **EUKontaktstelle:** Bei Fragen zur Produktsicherheit kannst du dich an die zuständige EUKontaktstelle wenden.
- **Schnelle Warnungen:** Halte dich über das Safety GateSystem auf dem Laufenden, um schnell über unsichere Produkte informiert zu werden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Einsätze:** Harte GriffEinsätze oder 3Dgedruckte Kunststoffgriffe können deinem Gewehr schaden und sind nicht reproduzierbar.
- **Rückstoßenergie:** Harte Einsätze erzeugen destruktive Rückstoßenergie, die die Lebensdauer deines Gewehrs beeinträchtigen kann.
- **Langzeitfolgen:** Schäden durch ungeeignete Einsätze sind oft nicht sofort sichtbar, können aber ernsthafte Probleme verursachen.

Anweisungen für Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass du alle Teile und Werkzeuge zur Hand hast, bevor du mit der Installation beginnst.
2. **Installation der Inserts:**
 - Entferne die alten Einsätze vorsichtig.
 - Setze die GRIP INSERTS gemäß den Anweisungen in die vorgesehenen Halterungen ein.
 - Achte darauf, dass die Inserts fest und sicher sitzen.
3. **Nutzung:**
 - Verwende die RANSOM GRIP INSERTS nur mit der empfohlenen Master Series Ransom Rest.
 - Teste die Funktionalität nach der Installation, um sicherzustellen, dass alles korrekt installiert ist.
4. **Wartung:** Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen und tausche sie bei Bedarf aus.

Entsorgungsanweisungen

- **Entsorgung:** Entsorge alte oder beschädigte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- **Recycling:** Wo möglich, recycle die Materialien, um die Umwelt zu schonen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zur Verwendung der GRIP INSERTS wende dich bitte an die zuständige EUKontaktstelle oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass die Sicherheit bei der Verwendung der GRIP INSERTS von größter Bedeutung ist. Halte dich an die oben genannten Richtlinien und Anweisungen, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK GEN 4 17,35

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock Gen 4. These grip inserts are specifically designed to enhance your shooting experience while ensuring the safety of both you and your firearm. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with the Ransom Rest. These can damage your firearm and yield inaccurate test results.
- The grip inserts are designed to absorb recoil and vibration, mimicking the human hand to provide a safe and effective shooting experience.
- Regularly check for wear and tear on the grip inserts. Replace them if they show signs of damage.
- Keep the grip inserts out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy, damaging the gun and leading to inaccurate test data.
- **Monitor for Damage:** Inspect your grip inserts before each use. Do not use if damaged.
- **Follow Testing Protocols:** Ensure that any testing mimics human handling to avoid flawed results.
- **Be Aware of Recoil:** Understand that recoil cannot be stopped but can be controlled. The inserts are designed to absorb these forces effectively.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Carefully remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip area of your firearm.
- Firmly press the inserts into place until they fit snugly.

2. Usage:

- When using the Ransom Rest, ensure that the machine is properly set up according to the manufacturer's instructions.
- Monitor the firearm's position and stability during use to ensure safety.
- After each use, inspect the grip inserts for any signs of wear or damage.

3. Testing:

- For accuracy tests, ensure that the grip inserts are functioning correctly and absorbing recoil as intended.
- Do not use hard or 3Dprinted inserts for testing, as these will not replicate humanlike recoil.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Ensure that the grip inserts are not accessible to children or pets during disposal.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the Ransom Grip Inserts, please refer to the manufacturer's contact details provided with your product.

By following these guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for your attention to safety.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM per Glock Gen 4 17 e 35

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo Glock Gen 4 17 e 35. Questo prodotto è progettato per migliorare la tua esperienza di tiro. È importante seguire attentamente le istruzioni di sicurezza e utilizzo per garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati che il tuo Glock sia sempre in condizioni di sicurezza prima di utilizzare gli inserti.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D con il tuo Master Series Ransom Rest.
- Verifica che gli inserti siano compatibili con il tuo modello di pistola.
- Non utilizzare gli inserti se noti segni di usura o danni.
- Conserva gli inserti in un luogo asciutto e sicuro, lontano dalla portata dei bambini.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti rigidi, poiché possono danneggiare l'arma.
- Evita di utilizzare gli inserti in condizioni di umidità o pioggia.
- Non forzare l'installazione degli inserti. Segui sempre le istruzioni fornite.
- Non tentare di modificare gli inserti in alcun modo.
- Fai attenzione a eventuali vibrazioni anomale durante l'uso, che potrebbero indicare un problema.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica.
- Rimuovi eventuali accessori che potrebbero interferire con l'installazione degli inserti.

2. Installazione:

- Posiziona l'inserto nel grip della pistola seguendo le istruzioni specifiche del produttore.
- Assicurati che l'inserto sia ben fissato e non si muova.

3. Uso:

- Dopo aver installato gli inserti, esegui un test di funzionamento in un ambiente sicuro.
- Monitora le prestazioni durante l'uso e verifica che non ci siano segni di danno.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica o materiali compositi.
- Contatta le autorità locali per informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso degli inserti RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore.

Avvertenze Finali

- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono compromettere la sicurezza dell'arma e dell'utente.
- Ricorda che la sicurezza è una responsabilità condivisa. Segui sempre le buone pratiche di sicurezza durante l'uso della pistola.

Grazie per aver scelto i GRIP INSERTS RANSOM. La tua sicurezza è la nostra priorità.
