

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK 43

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK 43
- Manufacturer: RANSOM
- Product no.: 430119357
- Mfr. No.: 30-300-12-07
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581120

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK 43

Einführung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS von RANSOM für deine Glock 43! Diese Inserts sind speziell entwickelt, um deine Waffe zu schützen und die Leistung zu maximieren. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Übereinstimmung mit den Anweisungen des Herstellers verwendest.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Halte die Inserts von Kindern fern und lasse sie niemals unbeaufsichtigt.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.
- Informiere dich über Rückrufupdates auf der EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende die GRIP INSERTS nicht mit harten oder 3Dgedruckten Inserts, da diese die Waffe schädigen können.
- Achte darauf, dass die Inserts korrekt installiert sind, um Verletzungen zu vermeiden.
- Vermeide es, die Waffe während des Schießens übermäßig zu belasten.
- Halte die Inserts sauber und trocken, um die Leistung zu maximieren.
- Nutze die Inserts nur mit der vorgesehenen Waffe, um das Risiko von Schäden zu minimieren.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.
- Entferne die vorhandenen Inserts gemäß der Anleitung des Herstellers.
- Setze die GRIP INSERTS sorgfältig ein und achte darauf, dass sie richtig sitzen.
- Überprüfe die Installation, indem du sicherstellst, dass keine Lücken oder Bewegungen vorhanden sind.

2. Verwendung der GRIP INSERTS:

- Nutze die Waffe gemäß den Anweisungen des Herstellers.
- Achte darauf, dass der Rückstoß während des Schießens kontrolliert wird.
- Vermeide es, die Waffe mit übermäßiger Kraft zu belasten.
- Halte die Waffe in einem sicheren Bereich, wenn sie nicht verwendet wird.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den lokalen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du die Modellnummer und andere relevante Informationen bereithältst.

Bitte beachte, dass die Sicherheit deiner Waffe von der richtigen Verwendung und Pflege abhängt. Halte dich an diese Anweisungen, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK 43

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock 43. These inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety information, usage instructions, and precautionary measures to ensure your safety and the longevity of your firearm.

General Safety Guidelines

- Ensure safe use of all products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- If you purchase online, ensure the seller complies with safety requirements.
- Extra safeguards are in place for vulnerable groups, including children.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. Using the correct inserts helps in managing these forces effectively.
- **Inspect Inserts Regularly:** Check your grip inserts for wear and tear before each use to ensure they are functioning correctly.
- **Follow Proper Installation Instructions:** Ensure that the grip inserts are installed as per the guidelines to avoid any operational hazards.
- **Use with Caution:** Understand that improper use may lead to decreased firearm performance and potential safety risks.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Begin by ensuring your firearm is unloaded and safe.
- Remove the existing grip insert if applicable.
- Align the Ransom Grip Insert with the grip of your Glock 43.
- Securely attach the insert, ensuring it fits snugly without gaps.
- Verify that the insert is installed correctly before use.

2. Usage Guidelines:

- When using the Ransom Rest with the grip inserts, ensure proper setup to absorb recoil effectively.
- Monitor the performance and feel of the inserts during use. If you notice any unusual vibrations or performance issues, stop using the firearm immediately and inspect the inserts.
- Always follow standard shooting safety protocols while using your firearm.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Do not throw them in regular waste.
- Check local regulations for proper disposal methods for plastic and other materials used in the grip

inserts.

Contact Information for Further Support

For any inquiries or support regarding the Ransom Grip Inserts, please refer to the manufacturer's contact details provided on the product packaging or official website.

Thank you for prioritizing safety in your shooting activities. By following these guidelines, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti Grip Ransom per Glock 43

Introduzione

Benvenuto! Questo documento fornisce importanti istruzioni di sicurezza per l'uso degli Inserti Grip Ransom per Glock 43. È fondamentale seguire queste linee guida per garantire un utilizzo sicuro e efficace del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Gli inserti grip sono progettati per migliorare la stabilità e la sicurezza durante l'uso della tua Glock 43.
- È essenziale utilizzare solo gli inserti Ransom progettati specificamente per il tuo modello di pistola.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Controlla sempre che gli inserti siano in buone condizioni prima di ogni utilizzo.
- Segui tutte le normative locali e nazionali riguardanti l'uso delle armi.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti grip.
- Non utilizzare gli inserti grip in condizioni di umidità o bagnate, poiché ciò potrebbe compromettere la loro funzionalità.
- Evita di esercitare una forza eccessiva durante l'installazione per prevenire danni agli inserti o alla pistola.
- Non tentare di modificare o riparare gli inserti grip; contatta un professionista se necessario.
- Durante l'uso, sii consapevole delle forze di rinculo e vibrazione e come gli inserti grip sono progettati per assorbirle.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Assicurati che l'arma sia completamente scarica.
- Rimuovi gli inserti vecchi, se presenti, seguendo le istruzioni del produttore.
- Posiziona gli inserti grip Ransom nel vano designato, assicurandoti che siano allineati correttamente.
- Fissa gli inserti seguendo le istruzioni specifiche incluse con il prodotto.

2. Uso degli Inserti Grip:

- Dopo l'installazione, verifica che gli inserti siano saldamente fissati.
- Utilizza la pistola normalmente, prestando attenzione a come gli inserti assorbono il rinculo.
- In caso di vibrazioni eccessive o malfunzionamenti, interrompi immediatamente l'uso e controlla gli inserti.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale spazzatura; verifica se ci sono centri di raccolta specializzati per materiali plastici.
- Se gli inserti sono danneggiati, assicurati di smaltirli in modo sicuro per prevenire infortuni.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande relative alla sicurezza degli Inserti Grip Ransom, ti invitiamo a contattare il tuo rivenditore autorizzato o visitare il sito web ufficiale del produttore.

Seguendo queste istruzioni e linee guida, potrai utilizzare gli Inserti Grip Ransom per Glock 43 in modo sicuro e responsabile. La tua sicurezza è la nostra priorità!
