

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK 20 GEN 3 & 4/GLOCK 21 GEN 4/GLOCK 40

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK 20 GEN 3 & 4/GLOCK 21 GEN 4/GLOCK 40
- Manufacturer: RANSOM
- Product no.: 430119358
- Mfr. No.: 30-300-12-030
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581069

Item details

Made in USA

Sicherheitshinweise für die GRIP INSERTS

RANSOM GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deine Glock! Diese Einsätze sind speziell für die Glock 20 Gen 3 & 4, Glock 21 Gen 4 und Glock 40 entwickelt worden. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung der Produkte, um sicherzustellen, dass du die bestmögliche Erfahrung machst.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in den dafür vorgesehenen GlockModellen verwendest.
- Überprüfe vor der Verwendung, ob die Einsätze in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Verwende die GRIP INSERTS nur in Verbindung mit dem Master Series Ransom Rest, um optimale Ergebnisse zu erzielen.
- Halte die Einsätze von Kindern und unbefugten Personen fern.
- Informiere dich über Rückrufe und Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten GriffEinsätzen oder 3Dgedruckten Kunststoffgriffen, da diese die Waffe schädigen können.
- Achte darauf, dass die Ransom Grip Inserts richtig installiert sind, um eine fehlerhafte Nutzung zu vermeiden.
- Beachte, dass harte Einsätze die Lebensdauer des Laufs und der Waffe verringern können.
- Bei der Verwendung der GRIP INSERTS solltest du immer sicherstellen, dass die Waffe in einem sicheren Zustand ist und niemals auf Menschen oder Tiere gerichtet wird.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Überprüfe die GRIP INSERTS auf Beschädigungen.
- Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.

2. Installation:

- Entferne die vorhandenen GriffEinsätze deiner Glock, falls vorhanden.
- Setze die Ransom Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Einsätze fest und sicher sitzen.

3. Nutzung:

- Verwende die GRIP INSERTS nur mit dem Master Series Ransom Rest.
- Achte darauf, dass während des Schießens keine übermäßigen Vibrationen oder Rückstoß in die Waffe übertragen werden.
- Überwache die Leistung und den Zustand der Einsätze regelmäßig.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Einsätze nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Diese Sicherheitshinweise sind wichtig, um die sichere Nutzung der RANSOM GRIP INSERTS zu gewährleisten. Bitte befolge diese Anweisungen sorgfältig, um Verletzungen und Schäden zu vermeiden.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS

Introduction

Thank you for choosing Ransom International Grip Inserts for your Glock 20 Gen 3 & 4, Glock 21 Gen 4, and Glock 40. These grip inserts are designed to provide a safe and effective shooting experience. It is crucial to understand the proper usage and safety precautions to ensure both your safety and the longevity of your firearm.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and provide inaccurate test results.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard grip inserts can generate destructive recoil energy, damaging the gun's frame and barrel.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. The inserts are designed to absorb these forces.
- **Monitor for Damage:** While damage may not be immediately visible, it can accumulate over time. Regularly inspect your firearm for any signs of wear.
- **Understand Testing Limitations:** Hard inserts do not replicate humanlike recoil, leading to flawed testing results.
- **Caution with Usage:** Using hard inserts can decrease the life of the barrel and gun, and may pose safety risks, including injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip of the firearm.
- Securely attach the grip inserts, ensuring they fit snugly without gaps.

3. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the machine is properly set up.
- Monitor the firearm during use for any unusual vibrations or signs of wear.
- After each shooting session, inspect the grip inserts for any damage or wear.

4. PostUsage Care:

- Clean the grip inserts and firearm according to the manufacturer's recommendations.
- Store the grip inserts in a safe place away from children.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste management regulations.
- Do not dispose of grip inserts in regular household waste if they are made of materials that require special handling.

Contact Information for Further Support

For further support or inquiries regarding safety and usage, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for prioritizing safety and responsible usage with your Ransom Grip Inserts. Enjoy your shooting experience!

Istruzioni di Sicurezza per l'Utilizzo degli Inserti per Impugnatura RANSOM

Introduzione

Benvenuto! Questo documento fornisce istruzioni di sicurezza importanti per l'uso degli Inserti per Impugnatura RANSOM progettati per i modelli GLOCK 20 Gen 3 & 4, GLOCK 21 Gen 4 e GLOCK 40. È fondamentale seguire queste linee guida per garantire un utilizzo sicuro ed efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- In caso di dubbi o domande, contatta un professionista esperto.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Gli inserti RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti che non offrano questa funzionalità.
- Evita di utilizzare l'arma in situazioni in cui potrebbe subire impatti o sollecitazioni eccessive.
- Non tentare di modificare o riparare gli inserti da solo. Rivolgiti a un professionista qualificato.
- Se l'arma mostra segni di malfunzionamento durante l'uso, interrompi immediatamente l'uso e verifica la situazione.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.
- Segui le istruzioni specifiche per il tuo modello di GLOCK per installare correttamente gli inserti RANSOM.
- Controlla che gli inserti siano ben fissati e privi di giochi.

2. Utilizzo degli Inserti

- Utilizza l'arma in un ambiente controllato e sicuro.
- Esegui un test di funzionamento per assicurarti che gli inserti stiano assorbendo correttamente il rinculo.
- Monitora le prestazioni dell'arma e degli inserti durante l'uso e controlla eventuali anomalie.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti secondo le normative locali per i rifiuti di prodotti industriali.
- Non gettare gli inserti nella spazzatura domestica. Rivolgiti a un centro di smaltimento autorizzato.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza degli Inserti per Impugnatura RANSOM, ti invitiamo a contattare il tuo rivenditore o un professionista esperto nel settore. Assicurati di avere a disposizione il numero

di modello e le informazioni relative all'acquisto.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un uso sicuro ed efficace degli Inserti per Impugnatura RANSOM per il tuo GLOCK. La sicurezza è fondamentale, quindi sii sempre vigile e informato.
