

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK GEN 3 26,27,31C

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK GEN 3 26,27,31C
- Manufacturer: RANSOM
- Product no.: 430119360
- Mfr. No.: 30-300-12-04
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581083

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK GEN 3 26,27,31C

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM Grip Inserts für Glock Gen 3. Diese Anleitung hilft dir, die Sicherheit und den korrekten Gebrauch der Grip Inserts zu gewährleisten. Bitte lies alle Informationen sorgfältig durch, um mögliche Risiken zu vermeiden und die Lebensdauer deines Gewehrs zu maximieren.

Allgemeine Sicherheitsrichtlinien

- Verwende die Grip Inserts nur für den vorgesehenen Zweck, um Verletzungen und Schäden zu vermeiden.
- Halte dich an die Anweisungen in dieser Anleitung, um die sichere Verwendung zu gewährleisten.
- Überprüfe regelmäßig die Grip Inserts auf Beschädigungen oder Abnutzung.
- Bei Anzeichen von Beschädigungen oder unnormalem Gebrauch, verwende die Inserts nicht weiter und kontaktiere den Hersteller.

Spezifische Sicherheitshinweise zur Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, um eine effektive Absorption von Rückstoß und Vibrationen zu gewährleisten.
- Sei dir bewusst, dass Schäden durch harte Inserts möglicherweise nicht sofort sichtbar sind, sich jedoch mit jedem Schuss ansammeln können.
- Verwende die Inserts nicht, wenn du unsicher bist, ob sie korrekt installiert oder in gutem Zustand sind.

Anweisungen zur Installation und Nutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass dein Gewehr sicher und stabil auf einem geeigneten Untergrund platziert ist.
- Entferne alle alten Inserts oder Zubehörteile, die nicht mehr benötigt werden.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Bereiche ein. Achte darauf, dass sie fest sitzen.
- Überprüfe die Inserts nach der Installation auf einen sicheren Sitz.

2. Verwendung der Grip Inserts:

- Stelle sicher, dass das Gewehr vor der Nutzung entladen ist.
- Betätige das Gewehr gemäß den Anweisungen des Herstellers.
- Achte darauf, dass du während des Schießens die richtige Haltung einhältst, um die Effektivität der Inserts zu maximieren.
- Beobachte die Leistung der Inserts während des Schießens und achte auf ungewöhnliche Geräusche oder Vibrationen.

Entsorgungsanweisungen

- Entsorge beschädigte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Halte dich an die Richtlinien für die Entsorgung von Produkten, die möglicherweise gefährliche Materialien enthalten.

- Informiere dich über Recyclingmöglichkeiten in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den Grip Inserts, wende dich bitte an den Hersteller. Achte darauf, dass alle Sicherheitsanfragen an eine EUbasierte Kontaktstelle gerichtet werden.

Diese Sicherheitshinweise sollen dir helfen, die RANSOM Grip Inserts sicher und effektiv zu verwenden. Bitte beachte alle Anweisungen und achte auf deine Sicherheit sowie die Sicherheit anderer.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK GEN 3

26,27,31C

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock Gen 3 models 26, 27, and 31C. These grip inserts are designed to enhance your shooting experience by mimicking the natural feel of the human hand, thereby optimizing recoil absorption and vibration control. It is crucial to follow the safety guidelines outlined in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the grip inserts as intended. Do not use hard grip inserts or 3Dprinted plastic grip inserts.
- Ensure that the grip inserts match the durometer of the human hand to avoid damage to your firearm.
- Be aware that improper use of hard inserts can lead to decreased firearm lifespan and potential injury.
- Regularly check for updates and recalls related to your product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard grip inserts can generate destructive recoil energy that may damage your firearm.
- **HumanLike Recoil:** The inserts are designed to absorb recoil and vibration similar to a human hand. Using incompatible inserts will yield invalid test data.
- **Safety of Others:** Ensure that other individuals are at a safe distance when using the Ransom Rest with grip inserts.
- **Monitoring Wear and Tear:** Regularly inspect the grip inserts for any signs of wear or damage. Replace them if any damage is found.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your Ransom Rest.
- Carefully align the Ransom Grip Inserts with the designated slots.
- Firmly press the inserts into place until they are securely seated.

2. Usage:

- Place your firearm into the Ransom Rest with the installed grip inserts.
- Ensure the firearm is properly secured and stable before taking any shots.
- Monitor the recoil and vibration during testing. If you notice excessive movement or instability, stop using the inserts and inspect them for damage.

3. PostUse Care:

- After use, clean the grip inserts with a soft cloth to remove any debris or residue.
- Store the inserts in a dry place to prevent deterioration.

Disposal Instructions

- Dispose of the grip inserts in accordance with local regulations. Do not dispose of them in regular household waste if they are damaged or no longer usable.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the contact information provided with your product packaging or visit the relevant authorities' websites.

By adhering to these guidelines and precautions, you will ensure the safe and effective use of your Ransom International Grip Inserts. Thank you for your attention to safety and for choosing our product.

Istruzioni di Sicurezza per i GRIP INSERTS RANSOM per Glock Gen 3

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per la tua Glock Gen 3 (modelli 26, 27, 31C). Questo prodotto è progettato per migliorare la tua esperienza di tiro, ma è importante seguire attentamente queste istruzioni di sicurezza per garantire un uso sicuro e corretto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i GRIP INSERTS RANSOM esclusivamente con armi compatibili e secondo le istruzioni fornite.
- Evita di utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono causare danni all'arma e compromettere la tua sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro, lontano dalla portata di bambini e persone non autorizzate.
- In caso di problemi o malfunzionamenti, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assorbimento del rinculo: I GRIP INSERTS RANSOM sono progettati per assorbire il rinculo, riducendo il rischio di danni all'arma e migliorando la tua esperienza di tiro.
- Controllo delle forze: Gli inserti assorbono le forze di vibrazione e rinculo, evitando il trasferimento di queste forze all'arma.
- Non utilizzare mai gli inserti in situazioni di tiro che non rispettano le norme di sicurezza standard.
- Assicurati che l'arma sia sempre in modalità di sicurezza quando non è in uso.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in modalità di sicurezza prima di procedere.
2. **Installazione:**
 - Rimuovi il grip originale dell'arma, seguendo le istruzioni del produttore.
 - Posiziona i GRIP INSERTS RANSOM nel punto designato, assicurandoti che siano ben saldi.
 - Controlla che non ci siano spazi vuoti o movimenti indesiderati.
3. **Uso:**
 - Una volta installati, utilizza i GRIP INSERTS durante le sessioni di tiro.
 - Monitora il comportamento dell'arma e la tua esperienza di tiro per eventuali anomalie.
 - Se noti vibrazioni eccessive o altri problemi, interrompi immediatamente l'uso.

Istruzioni per lo Smaltimento

- Non gettare i GRIP INSERTS RANSOM nell'ambiente.
- Segui le normative locali per lo smaltimento dei prodotti in plastica e degli accessori per armi.
- Se non sei sicuro di come smaltire il prodotto, contatta le autorità locali per ricevere indicazioni.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni relative alla sicurezza, ti invitiamo a contattare il produttore o il rivenditore presso cui hai acquistato il prodotto. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Nota Finale

La sicurezza è fondamentale quando si utilizza qualsiasi tipo di arma. Seguendo queste istruzioni e linee guida, puoi garantire un'esperienza di tiro più sicura e soddisfacente. Assicurati di rimanere aggiornato su eventuali avvisi di richiamo o aggiornamenti di sicurezza attraverso le piattaforme ufficiali.
