

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK 34 GEN 4

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK 34 GEN 4
- Manufacturer: RANSOM
- Product no.: 430119361
- Mfr. No.: 30-300-12-09
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581144

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK 34 GEN 4

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die Glock 34 Gen 4 entwickelt wurden. Diese Inserts sind darauf ausgelegt, die Handhabung deiner Waffe zu verbessern und gleichzeitig ihre Sicherheit zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in Kombination mit dem Master Series Ransom Rest verwendest.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfe regelmäßig den Zustand der Inserts und der Waffe, um sicherzustellen, dass alles ordnungsgemäß funktioniert.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Achte darauf, dass die Inserts korrekt installiert sind, bevor du die Waffe verwendest.
- Vermeide es, die Inserts während des Schießens zu berühren oder zu verändern.
- Wenn du Anzeichen von Beschädigungen an den Inserts oder der Waffe bemerkst, stoppe sofort die Nutzung und kontaktiere einen Fachmann.
- Informiere dich über die richtige Handhabung und Pflege deiner Waffe, um das Risiko von Verletzungen zu minimieren.

Anleitung zur Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein. Achte darauf, dass sie fest und sicher sitzen.

2. Verwendung der Inserts:

- Halte die Waffe mit beiden Händen fest, um die Kontrolle zu gewährleisten.
- Achte darauf, dass die Inserts während des Schießens nicht verrutschen oder beschädigt werden.
- Nach dem Schießen, überprüfe die Inserts auf Abnutzung oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen qualifizierten Fachmann.

Bitte beachte, dass die Sicherheit bei der Verwendung von Feuerwaffen von größter Bedeutung ist. Halte dich

stets an die oben genannten Richtlinien, um ein sicheres Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK 34 GEN 4

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock 34 Gen 4. These inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. However, it is essential to follow safety guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Always use the grip inserts as intended and according to the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest, as they can damage your firearm and produce inaccurate test results.
- Be aware that improper use of grip inserts may lead to injury or damage to your gun.
- Regularly check for any wear and tear on your grip inserts to ensure they are functioning correctly.
- If you notice any signs of damage or degradation, replace the grip inserts immediately.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted grip inserts. These can generate destructive recoil energy that can harm your firearm.
- **Understand Recoil Dynamics:** Recognize that every action has an equal and opposite reaction. The grip inserts are designed to absorb recoil, preventing damage to the gun.
- **Monitor Your Equipment:** Regularly inspect the inserts for any signs of wear. Replace them if they no longer absorb recoil effectively.
- **Be Cautious During Testing:** When conducting destructive or accuracy testing, ensure that your setup mimics humanlike handling to obtain valid results.
- **Follow Manufacturer Recommendations:** Always adhere to the guidelines provided by Ransom International for optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and safe before installation.
- Carefully remove any existing grip inserts from your Ransom Rest.
- Align the new grip insert with the designated slot in the Ransom Rest.
- Firmly press the insert into place until it is securely fitted.

2. Usage:

- Position your firearm in the Ransom Rest with the grip inserts properly installed.
- Ensure that the rest is stable and secure before firing.
- Monitor the performance of the grip inserts during use, paying attention to any unusual vibrations or movements.
- After each session, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste if they are made from materials that require special handling.

- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided in the product documentation.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with the Ransom International Grip Inserts for your Glock 34 Gen 4. Always prioritize safety and proper handling to avoid accidents and ensure the longevity of your firearm.

Istruzioni di Sicurezza per gli Inserti GRIP RANSOM per Glock 34 Gen 4

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per la tua Glock 34 Gen 4. Questo prodotto è progettato per migliorare le prestazioni della tua Master Series Ransom Rest, garantendo sicurezza e precisione durante l'uso. È fondamentale seguire queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per la Glock 34 Gen 4.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Verifica regolarmente l'integrità degli inserti e dell'arma prima di ogni utilizzo.
- Segui sempre le istruzioni del produttore per garantire un uso corretto e sicuro.
- In caso di dubbi o domande, contatta un esperto o un professionista del settore.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Non utilizzare gli inserti se presenti segni di usura o danni.
- Assicurati che l'arma sia in modalità di sicurezza prima di installare o rimuovere gli inserti.
- Non tentare di modificare gli inserti o l'arma in alcun modo.
- Non utilizzare gli inserti con munizioni non conformi o di qualità inferiore.
- Mantieni gli inserti e l'arma lontano dalla portata dei bambini e di soggetti vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma

- Assicurati che l'arma sia scarica e in modalità di sicurezza.
- Controlla che l'ambiente di lavoro sia pulito e privo di distrazioni.

2. Installazione degli Inserti

- Segui le istruzioni specifiche fornite con gli inserti RANSOM.
- Inserisci gli inserti con attenzione, assicurandoti che siano ben posizionati e fissati.
- Controlla che non ci siano spazi vuoti o movimenti indesiderati.

3. Uso degli Inserti

- Utilizza l'arma come indicato, mantenendo sempre la sicurezza come priorità.
- Monitora le prestazioni dell'arma durante l'uso e cerca eventuali anomalie.

4. Manutenzione

- Pulisci regolarmente gli inserti e l'arma secondo le raccomandazioni del produttore.
- Sostituisci gli inserti se mostrano segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sullo smaltimento dei rifiuti.

- Non gettare gli inserti nella spazzatura normale; verifica se ci sono programmi di riciclaggio o smaltimento specifici nella tua area.
- Se hai dubbi sullo smaltimento, contatta le autorità locali per ricevere indicazioni.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o supporto, ti invitiamo a contattare il rivenditore presso il quale hai acquistato il prodotto o a consultare il sito web ufficiale di RANSOM. Assicurati di avere a disposizione il numero di modello e la data di acquisto.

Ricorda che la sicurezza è fondamentale. Segui queste istruzioni con attenzione per garantire un utilizzo sicuro e efficace degli Inserti GRIP RANSOM per la tua Glock 34 Gen 4.
