

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK 41 GEN 4

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK 41 GEN 4
- Manufacturer: RANSOM
- Product no.: 430119363
- Mfr. No.: 30-300-12-10
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581151

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS für GLOCK 41 GEN 4

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS. Diese Inserts sind speziell für deinen Master Series Ransom Rest entwickelt worden und tragen dazu bei, dein Schießerlebnis zu verbessern. Bitte lese die folgenden Hinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Inserts nur mit dem vorgesehenen Ransom Rest verwendet werden.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Verwende die Inserts nicht, wenn sie Anzeichen von Rissen oder anderen Schäden aufweisen.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Berücksichtige, dass unsachgemäße Verwendung der Inserts zu Verletzungen oder Schäden an der Waffe führen kann.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harter GripInserts oder 3Dgedruckte KunststoffInserts können deine Waffe beschädigen, indem sie destruktive Rückstoßenergien erzeugen.
- **Achte auf Vibrationen:** Die RANSOM Grip Inserts sind so konzipiert, dass sie Vibrationen und Rückstoßkräfte absorbieren. Achte darauf, dass sie ordnungsgemäß installiert sind, um ihre Funktion zu gewährleisten.
- **Beobachte das Verhalten der Waffe:** Achte darauf, wie die Waffe reagiert, wenn du die Inserts verwendest. Ungewöhnliche Vibrationen oder Rückstoßverhalten können auf ein Problem hinweisen.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass der Ransom Rest auf einer stabilen, ebenen Fläche steht.
- Entferne alle vorhandenen Inserts, bevor du die neuen RANSOM Grip Inserts installierst.
- Setze die neuen Inserts gemäß den Anweisungen des Herstellers in den Ransom Rest ein.
- Überprüfe die Inserts auf festen Sitz, bevor du mit dem Schießen beginnst.

2. Nutzung der Inserts:

- Achte darauf, dass du beim Schießen eine korrekte Haltung einnimmst.
- Lass die Inserts die ersten Millisekunden des Schusses absorbieren, bevor die Maschine zurückschlägt.
- Überwache regelmäßig die Leistung der Inserts und wechsle sie aus, wenn sie abgenutzt sind.

Entsorgungsanweisungen

- Entsorge alte oder beschädigte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst, um ein sicheres Schießerlebnis zu gewährleisten.

Schlussfolgerung

Die RANSOM GRIP INSERTS sind eine hervorragende Wahl für alle, die ihr Schießerlebnis verbessern möchten. Indem du die oben genannten Sicherheitshinweise befolgst, kannst du sicherstellen, dass du die Inserts sicher und effektiv verwendest. Bitte behalte die Sicherheit immer im Hinterkopf, um Risiken zu vermeiden und die Lebensdauer deiner Waffe zu verlängern.

GRIP INSERTS RANSOM GRIP INSERTS FOR GLOCK 41 GEN 4 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock 41 Gen 4. This product is designed to enhance your shooting experience while ensuring your safety and the longevity of your firearm. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle firearms with care and follow all standard safety protocols.
- Ensure that you use only Ransom grip inserts specifically designed for your firearm model.
- Regularly inspect your grip inserts for signs of wear or damage before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce unreliable test results.
- Be aware that using improper inserts may lead to decreased firearm performance and potentially cause injury.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic inserts. These can generate destructive recoil energy that may harm your gun.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. The inserts are designed to absorb these forces, similar to the human hand.
- **Monitor for Damage:** Be aware that damage from using hard inserts may not be immediately visible but can accumulate over time, potentially decreasing the lifespan of your firearm.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that the grip inserts mimic the human hand to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and in a safe position before installation.
- Remove any existing grip inserts from your firearm.
- Align the Ransom grip insert with the grip of your firearm.
- Firmly press the insert into place until it is securely fitted.

2. Usage:

- Once installed, ensure the grip insert is functioning properly before use.
- When using the firearm, maintain a proper grip to allow the insert to absorb recoil effectively.
- Regularly check the insert for any signs of wear or damage during use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw away in regular household waste if the product is damaged; check for any specific disposal guidelines for plastic materials.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Important Note

This product is designed with safety in mind. Always prioritize safe handling practices and adhere to the guidelines provided to ensure an optimal and safe shooting experience. Report any unsafe products or accidents to the appropriate authorities and stay informed about recall updates through the EU's Safety Gate platform.

Manuale di Sicurezza per GRIP INSERTS RANSOM

GRIP INSERTS PER GLOCK 41 GEN 4

Introduzione

Benvenuti nel manuale di sicurezza per i Grip Inserts Ransom progettati per la Glock 41 Gen 4. Questo prodotto è stato sviluppato per migliorare le prestazioni del tuo Master Series Ransom Rest, ma è fondamentale seguire le linee guida di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts Ransom. L'uso di grip inserts rigidi o stampati in 3D può danneggiare l'arma.
- Non utilizzare grip inserts non autorizzati, poiché potrebbero compromettere la sicurezza e le prestazioni.
- Controlla regolarmente il tuo Grip Insert per eventuali segni di usura o danni.
- In caso di dubbi sull'uso del prodotto, contatta un professionista esperto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o in plastica stampata in 3D.
- Evita di forzare l'inserto nella tua Glock; segui sempre le istruzioni per l'installazione.
- Non utilizzare l'arma se noti anomalie nel funzionamento del Grip Insert.
- Assicurati che l'inserto sia ben posizionato prima di utilizzare l'arma.
- Non utilizzare l'arma in situazioni di alta pressione o stress senza una corretta valutazione delle condizioni.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.

2. Installazione del Grip Insert:

- Rimuovi eventuali grip inserts precedenti.
- Posiziona il Grip Insert Ransom nel suo alloggiamento, assicurandoti che sia ben fissato.
- Controlla che non ci siano spazi vuoti o movimenti dell'inserto.

3. Uso dell'Arma:

- Dopo aver installato il Grip Insert, verifica che l'arma funzioni correttamente.
- Utilizza l'arma in modo responsabile e solo in condizioni sicure.
- Monitora il comportamento dell'arma durante l'uso per eventuali anomalie.

Istruzioni per lo Smaltimento

- Non smaltire Grip Inserts danneggiati insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta un centro di smaltimento autorizzato per la corretta gestione dei materiali.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni, supporto o domande relative alla sicurezza del prodotto, contatta il tuo rivenditore autorizzato o visita il sito ufficiale di Ransom. Assicurati di avere il numero di serie del prodotto a portata di mano per una rapida assistenza.

Conclusione

Seguire queste linee guida di sicurezza è fondamentale per garantire un utilizzo sicuro e efficace dei Grip Inserts Ransom per la Glock 41 Gen 4. La sicurezza deve essere sempre la tua priorità principale. In caso di domande o dubbi, non esitare a cercare assistenza.
