

GRIP INSERTS - RANSOM GRIP INSERTS FOR HAMMERLI 106, 107

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HAMMERLI 106, 107
- Manufacturer: RANSOM
- Product no.: 430119364
- Mfr. No.: 30-300-13-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581212

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR HAMMERLI 106, 107

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deine Hammerli 106 und 107. Diese Inserts sind speziell entwickelt worden, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur mit den vorgesehenen Gewehren (Hammerli 106 und 107) verwendest.
- Verwende keine harten oder 3Dgedruckten Grip Inserts, da diese deinem Gewehr schaden können.
- Informiere dich über die richtige Handhabung und Pflege deines Gewehrs, um potenzielle Gefahren zu vermeiden.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und anderen schutzbedürftigen Personen.
- Berichte unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Überprüfe die Inserts vor jedem Gebrauch auf Beschädigungen oder Abnutzung.
- Achte darauf, dass die Inserts richtig eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts über einen längeren Zeitraum extremen Temperaturen oder Feuchtigkeit auszusetzen.
- Wenn du Anzeichen von Überbeanspruchung oder Beschädigung bemerkst, stoppe die Verwendung sofort und kontaktiere den Hersteller.

Anweisungen für Installation und Verwendung

1. Installation der Inserts

- Entferne die alten Inserts gemäß den Anweisungen des Herstellers.
- Setze die RANSOM GRIP INSERTS vorsichtig ein und stelle sicher, dass sie fest sitzen.
- Überprüfe erneut, ob die Inserts richtig installiert sind, bevor du das Gewehr verwendest.

2. Verwendung der Inserts

- Halte das Gewehr mit der richtigen Technik, um die Vorteile der Inserts zu maximieren.
- Achte darauf, dass deine Hand die Inserts vollständig umschließt, um eine optimale Dämpfung der Rückstoßkräfte zu gewährleisten.
- Übe regelmäßig, um ein Gefühl für die Handhabung des Gewehrs mit den neuen Inserts zu bekommen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass du die Inserts nicht einfach im Müll entsorgst, um Umweltverschmutzung zu vermeiden.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller. Es ist wichtig, dass du alle Sicherheitsvorkehrungen beachtest und bei Unsicherheiten immer professionelle Hilfe in Anspruch nimmst.

Bitte beachte, dass die Einhaltung dieser Sicherheitshinweise entscheidend für die sichere Verwendung deiner RANSOM GRIP INSERTS ist. Sicherheit steht an erster Stelle, und wir wünschen dir viel Freude und Erfolg beim Schießen!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR HAMMERLI 106, 107

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Hammerli 106 and 107. This guide provides essential safety information to ensure the safe use and longevity of your product. It is crucial to follow these instructions carefully to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- Always use the grip inserts as intended, following the manufacturer's guidelines.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and invalidate test data.
- Be aware that improper use of the inserts may lead to injury or damage to your firearm.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the inserts for wear and tear, and replace them if damaged.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts as they generate destructive recoil energy that can damage the gun.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped but can be controlled. The inserts are designed to absorb these forces.
- **Monitor Performance:** Be aware that hard inserts do not replicate humanlike recoil, leading to flawed test results.
- **Check Compatibility:** Ensure that the grip inserts are compatible with your specific firearm model.
- **Follow Testing Protocols:** When conducting tests, mimic human handling to achieve accurate results.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and safe before installation.
- Remove any existing grip inserts from the firearm.
- Carefully place the Ransom grip inserts into the grip area, ensuring they fit snugly.
- Doublecheck that the inserts are secure and properly aligned.

2. Usage:

- Use the grip inserts only when testing or shooting with the Ransom Rest system.
- Avoid any modifications to the inserts, as this may compromise their effectiveness.
- Always monitor the condition of the inserts before and after each use.
- If you notice any signs of wear, replace the inserts immediately.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste management regulations.
- Do not burn the inserts, as they may contain materials that can release harmful substances when incinerated.
- If you have questions about disposal, consult local authorities or waste management services.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please contact the manufacturer or refer to the official website for support resources.

By following these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts. Thank you for your attention to safety.

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per Hammerli 106, 107

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Ransom Rest della serie Master. Questi inserti sono progettati per garantire prestazioni ottimali e proteggere la tua arma da fuoco. È fondamentale seguire le istruzioni di sicurezza qui riportate per garantire un utilizzo sicuro e responsabile del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti GRIP RANSOM progettati specificamente per il tuo Ransom Rest della serie Master.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui tutte le leggi e i regolamenti locali riguardanti l'uso delle armi da fuoco.
- Conserva gli inserti in un luogo sicuro e fuori dalla portata di bambini o persone non autorizzate.
- In caso di problemi con il prodotto, interrompi immediatamente l'uso e contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di utilizzare gli inserti, verifica che non ci siano danni visibili.
- Assicurati che l'arma sia scarica e non pronta all'uso durante l'installazione degli inserti.
- Non forzare mai l'inserto nella macchina; segui le istruzioni di installazione per evitare danni.
- Utilizza sempre protezioni per gli occhi e le orecchie quando operi con armi da fuoco.
- Non utilizzare gli inserti in condizioni meteorologiche avverse, come pioggia o neve, per evitare compromissioni delle prestazioni.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Rimuovi eventuali inserti precedenti dal Ransom Rest.

2. Installazione:

- Posiziona l'inserto GRIP RANSOM nella sede designata del Ransom Rest.
- Assicurati che l'inserto sia ben fissato e non si muova.
- Controlla che non ci siano spazi vuoti tra l'inserto e il Ransom Rest.

3. Utilizzo:

- Posiziona l'arma sul Ransom Rest con l'inserto installato.
- Verifica che l'arma sia in posizione stabile e sicura.
- Inizia a utilizzare l'arma seguendo le procedure di sicurezza standard.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti per armi e accessori.
- Contatta le autorità locali per informazioni sul corretto smaltimento.

Informazioni di Contatto per Ulteriori Supporto

- Per domande o preoccupazioni riguardanti la sicurezza del prodotto, contatta un professionista qualificato o il rivenditore presso cui hai acquistato il prodotto.

Avvertenze Finali

- Ricorda che l'uso improprio degli Inserti GRIP RANSOM può comportare danni all'arma e potenziali infortuni.
- Segui sempre le istruzioni e le linee guida di sicurezza per garantire un'esperienza di utilizzo sicura e soddisfacente.

Grazie per aver scelto gli Inserti GRIP RANSOM. Utilizzali responsabilmente e in sicurezza.
