

GRIP INSERTS - RANSOM GRIP INSERTS GLOCK G5 17,22,19M,19X,22,23,47,45X,46

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS GLOCK G5 17,22,19M,19X,22,23,47,45X,46
- Manufacturer: RANSOM
- Product no.: 430119365
- Mfr. No.: 30-300-12-11
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581168

Sicherheitshinweise für GRIP INSERTS RANSOM

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM, die speziell für verschiedene GlockModelle entwickelt wurden. Diese Anleitung soll dir helfen, die Produkte sicher zu verwenden und die Vorteile optimal zu nutzen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit den empfohlenen GlockModellen (G5 17, 22, 19M, 19X, 22, 23, 47, 45X, 46) verwendest.
- Verwende die Inserts nicht in Kombination mit harten Griffesätzen oder 3Dgedruckten Kunststoffgriffesätzen, da diese deiner Waffe schaden können.
- Halte die Inserts außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Überprüfe regelmäßig den Zustand der Inserts und der Waffe, um sicherzustellen, dass sie in gutem Zustand sind.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Inserts nur, wenn du mit dem sicheren Umgang von Feuerwaffen vertraut bist.
- Achte darauf, dass die Inserts korrekt installiert sind, um Schäden an der Waffe zu vermeiden.
- Vermeide es, die Waffe während des Schießens unnötig zu bewegen, um die Integrität der Inserts zu wahren.
- Sei dir bewusst, dass harte Inserts die Lebensdauer des Laufs und der Waffe verkürzen können und im schlimmsten Fall zu Verletzungen führen können.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden, um eine ordnungsgemäße Haftung zu gewährleisten.

2. Installation der Inserts:

- Setze die Inserts gemäß den Anweisungen des Herstellers in die vorgesehenen Bereiche der Waffe ein.
- Achte darauf, dass die Inserts fest sitzen, aber nicht übermäßig gedrückt werden.

3. Nutzung der Inserts:

- Beginne mit einer sicheren Schießposition und stelle sicher, dass du die Waffe korrekt hältst.
- Achte darauf, dass die Inserts während des Schießens nicht beschädigt werden.
- Beobachte die Leistung der Waffe und der Inserts während des Schießens und mache gegebenenfalls Anpassungen.

Entsorgungsanweisungen

- Entsorge defekte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass alle Teile der Inserts sicher entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zur Sicherheit der GRIP INSERTS RANSOM wende dich bitte an den Hersteller oder einen autorisierten Händler.

Fazit

Die Verwendung der GRIP INSERTS RANSOM kann die Leistung deiner Waffe erheblich verbessern, wenn sie korrekt installiert und verwendet werden. Achte darauf, die Sicherheitsrichtlinien zu befolgen, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS GLOCK G5

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock G5 series firearms. These inserts are designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. Please read this safety instruction guide carefully to understand the proper use and precautions associated with these products.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks that may not be covered by other EU laws.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Report unsafe products and accidents to the relevant authorities.
- Always follow the manufacturer's instructions for safe operation.

Specific Safety Precautions for Use

- **Avoid Hard Grip Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These inserts can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Hard inserts do not replicate humanlike recoil, leading to invalid test data and potential damage to your firearm.
- **Monitor for Damage:** Damage from using hard inserts may not be immediately visible but can accumulate over time, decreasing the lifespan of your barrel and gun.
- **Safety First:** A hard insert may cause injury or death if it fails during operation. Always prioritize safety when handling firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your firearm is unloaded and in a safe condition before installing the grip inserts.
 2. Carefully follow the installation instructions provided with the grip inserts to ensure proper fit and function.
 3. Confirm that the inserts are securely in place before using the firearm.
- **Usage:**
 1. Use the grip inserts as intended to absorb vibration and recoil, mimicking the human hand.
 2. Avoid using hard or 3Dprinted inserts during testing or shooting, as they do not provide accurate results.
 3. Regularly inspect the grip inserts for wear and replace them if they show signs of damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- Do not dispose of inserts in regular household waste if they are made of materials that require special handling.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Ransom Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website for more information.

By following these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts. Thank you for your attention to these important safety instructions.

Guida alla Sicurezza per i GRIP INSERTS RANSOM

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Ti invitiamo a leggere attentamente queste istruzioni per garantire un utilizzo sicuro e ottimale degli inserti.

Linee Guida Generali sulla Sicurezza

- Assicurati che i GRIP INSERTS RANSOM siano utilizzati solo con armi compatibili, come specificato nel manuale del prodotto.
- Non utilizzare grip inserts rigidi o inserti in plastica stampata in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Conserva i GRIP INSERTS RANSOM in un luogo asciutto e sicuro, lontano dalla portata di bambini o gruppi vulnerabili.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo delle forze:** I GRIP INSERTS RANSOM sono progettati per assorbire vibrazioni e rinculo. Assicurati che siano installati correttamente per massimizzare questo effetto.
- **Durata e sicurezza:** Utilizzare solo gli inserti Ransom per garantire la sicurezza e la durata della tua arma. Non utilizzare inserti non approvati.
- **Avvertimento importante:** Non utilizzare grip inserts rigidi o stampati in 3D. Questi possono causare danni e infortuni.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
2. **Installazione:**
 - Rimuovi eventuali inserti esistenti dall'arma.
 - Posiziona i GRIP INSERTS RANSOM nel loro alloggiamento, assicurandoti che siano allineati correttamente.
 - Fissa gli inserti seguendo le istruzioni fornite dal produttore. Utilizza solo gli strumenti raccomandati.
3. **Uso:**
 - Utilizza i GRIP INSERTS RANSOM durante le sessioni di tiro per migliorare la stabilità e il controllo.
 - Monitora le prestazioni e controlla regolarmente gli inserti per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Non gettare i GRIP INSERTS RANSOM nell'ambiente. Segui le normative locali per lo smaltimento dei prodotti in plastica e dei materiali di scarto.
- Contatta il tuo centro di raccolta locale per informazioni su come smaltire correttamente i materiali.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori domande o chiarimenti sulla sicurezza e sull'uso dei GRIP INSERTS RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e la prova di acquisto a portata di mano per facilitare il processo.

Ti ringraziamo per aver scelto i GRIP INSERTS RANSOM. La tua sicurezza e soddisfazione sono la nostra priorità.
