

GRIP INSERTS - RANSOM GRIP INSERTS FOR HAMMERLI 280

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HAMMERLI 280
- Manufacturer: RANSOM
- Product no.: 430119368
- Mfr. No.: 30-300-13-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581236

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR HAMMERLI 280

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR HAMMERLI 280. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu nutzen. Bitte lies die folgenden Informationen sorgfältig durch, um mögliche Gefahren zu vermeiden und die Lebensdauer deines Gewehrs zu maximieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur mit dem Hammerli 280 verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts regelmäßig auf Verschleiß überprüft werden.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor extremen Temperaturen.
- Informiere dich über Rückrufaktionen und überprüfe regelmäßig die Sicherheitsupdates auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende die Inserts nur in Kombination mit dem Ransom Rest.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, das Gewehr während des Schießens zu bewegen, um unerwartete Rückstoßkräfte zu minimieren.
- Halte dich an die empfohlenen Schießtechniken, um Verletzungen zu vermeiden.
- Bei sichtbaren Schäden an den Inserts, stoppe die Nutzung sofort und ersetze sie.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass das Gewehr sicher und stabil auf dem Ransom Rest positioniert ist.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen Ransom Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Überprüfe, ob die Inserts fest sitzen und keine Bewegungen zulassen.

2. Nutzung des Gewehrs:

- Stelle sicher, dass du in einem sicheren und kontrollierten Umfeld schießst.
- Führe vor dem Schießen eine Sichtprüfung des Gewehrs und der Inserts durch.
- Achte darauf, dass du die richtige Schießtechnik anwendest, um Rückstoß und Vibration optimal zu kontrollieren.
- Nach dem Schießen, überprüfe die Inserts auf Abnutzung und Schäden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, alle Sicherheitsrichtlinien zu befolgen und bei Fragen nicht zu zögern, Unterstützung zu suchen.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner Schießpraxis von der korrekten Nutzung der GRIP INSERTS abhängt. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR HAMMERLI 280

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS FOR HAMMERLI 280. This guide provides essential safety instructions to ensure the proper use and maintenance of the product. Please read this guide carefully before use to ensure a safe and effective experience.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your Master Series Ransom Rest.
- Always inspect the grip inserts for any signs of wear or damage before use.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts as they may cause damage to your firearm.
- Be aware that improper use may result in injury or damage to the firearm.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm.
- **Avoid 3DPrinted Inserts:** These inserts are often poorly engineered and may not accurately replicate humanlike recoil, leading to invalid test results.
- **Understand the Risks:** Hard inserts can decrease the lifespan of your firearm and may pose safety risks, including potential injury or death.
- **Mimic Human Recoil:** Always use inserts designed to absorb recoil like the human hand to ensure accurate testing and safety.
- **Regular Maintenance:** Check the condition of your grip inserts regularly and replace them if they show signs of wear.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Master Series Ransom Rest is clean and free from debris.
- Align the grip inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Place your firearm on the Ransom Rest with the grip inserts properly installed.
- Ensure that the firearm is stable and secure before taking any shots.
- Monitor the performance of the grip inserts during use, and replace them if necessary.

3. PostUse Care:

- After use, clean the grip inserts to remove any dirt or debris.
- Store the grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.

- Consider recycling options if available in your area.

Contact Information for Further Support

For additional support or inquiries regarding the GRIP INSERTS RANSOM GRIP INSERTS FOR HAMMERLI 280, please refer to the manufacturer's website or contact your local dealer.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR) and aims to inform consumers about safe practices while using the product. Always prioritize safety and follow the guidelines outlined in this document.

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM per Hammerli 280

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts RANSOM progettati per l'Hammerli 280. Questa guida è stata redatta per garantire un uso sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Ti invitiamo a leggere attentamente queste informazioni per garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, in quanto possono causare danni all'arma.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Rimani informato su eventuali aggiornamenti di richiamo tramite la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento delle vibrazioni:** Gli inserti RANSOM sono progettati per assorbire le prime vibrazioni e il rinculo, proteggendo l'arma.
- **Progettazione ingegneristica:** Gli inserti imitano la mano umana per trasferire l'energia in modo corretto.
- **Durata dell'arma:** L'uso di inserti rigidi può ridurre la vita della canna e dell'arma stessa. Un inserto rigido non fornirà risultati di test ripetibili.
- **Attenzione alle forze:** Le vibrazioni e il rinculo non possono essere fermati, ma solo controllati. Assicurati che ci sia un percorso per queste forze.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di procedere.
- Rimuovi eventuali grip inserts esistenti.

2. Installazione:

- Posiziona i Grip Inserts RANSOM nel Master Series Ransom Rest seguendo le istruzioni specifiche del produttore.
- Assicurati che gli inserti siano ben fissati e non presentino giochi.

3. Uso:

- Utilizza l'arma solo in condizioni di sicurezza e in un ambiente controllato.
- Segui sempre le linee guida di sicurezza per la maneggevolezza delle armi.

4. Controllo:

- Dopo ogni utilizzo, controlla gli inserti per segni di usura o danni.
- Sostituisci immediatamente gli inserti danneggiati o usurati.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per il corretto smaltimento dei materiali.
- Controlla se ci sono punti di raccolta specializzati per il materiale plastico o per i prodotti specifici.

Informazioni di Contatto per Ulteriori Supporto

Per assistenza o domande relative alla sicurezza dei Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e le informazioni relative all'acquisto.

Ti ringraziamo per aver scelto i Grip Inserts RANSOM per il tuo Hammerli 280. La tua sicurezza è la nostra priorità.
